Gananooue Lady's Misfortune a

Skating Rink. During the intense excitement at the hockey match, in the covered rink, on Friday night, one of the Gananoque ladies, a warm admirer of the Star-Bachelors, so it is claimed, met with a sad misfortune. She lost her set of false teeth. It all happened just as the game was about over, and when pandemonium reigned. A young man passing out noticed the set of teeth. picked them up, but could not find the owner. He now has them in his possession, and will gladly give them up to the owner, should she call to claim her property.
