CORRECT STYLES IN

Proper style enters largely into the selection of a Woman's Spring Suit. Not alone proper cut of Coat and Skirt, but proper materials, color and trimmings are necessary features of a smart Spring Suit. These points mark our showing of New Suits at

\$14.75, 16.75, 17.50, 21.75 and on up to \$40.

From the lowest price up you will at a glance note they combine style and good taste.

## NOTE

You are at perfect liberty to come and examine these new Spring Suits, Coats and Skirts. Whether prepared to buy or not it makes absolutely no difference. You are welcome, and should you see just the suit you want, it will be placed aside until you require it, if you wish.

## Dress New Goods

Many Novelties received during the past week, and the shrewd buyers are quick to see that. A number of these new materials and colors will not be here long, as they even now are difficult to get. So if first choice counts with you, come early.

New English Worsted Suitings New Satin Faced Cloths, New Striped Suitings, New Broadcloths, New Pongee Cloths,
