of conviction, but simply out of de portant onc. Coupled with it, is the question of an increase of subsidy. The federal government has proposed A man's wife should always be the an extension of boundaries which the On the question of increased subsidy,

young, men and women, were all person," so they all say, and their the subsidy should be readjusted in Alberta and Saskatchewan. In 1906 Mr. Roblin and Mr. Campbell, representing the province of Manitoba, went into the interprovincial conference and expressly bound the province of Manitoba to an arrangement then made and accepted as satisfactory. By so doing, they absolutely and completely closed their own mouths and stopped themselves from bringing in the Alberta and Saskatchewan prece-

> That was a good precedent for Manitoba, but the time to raise it was when the interprovincial conference was being held. Having failed to raise it, and having agreed to another arrangement, the Manitoba ministers now appear in a ridiculous light in trying to "bluff" out of the effects of their blunder. The best of friends can hardly help, where a case is stupidly mismanaged.

> > What A Jibe Cost.

Harry Furniss relates in Strand Magazine a story which is better than any sermon on the foolishness of being impolite. A rich member of the aristocracy, without heirs or relatives had taken a fancy to an acquaintance, and in time accepted him as guide, philosopher and friend. He eventually made a will leaving his acquaintance his entire property. The knowledge of this bred familiarity, and the lucky of the property of the safety of the same time. I want to send you without theirs or relatives and in time accepted him as guide, philosopher and friend. He eventually made a will leaving his acquaintance his entire property. The knowledge of this bred familiarity, and the lucky of the same time is proposed to send you with same time. I want to send you without this same time. I want to send you without this same time. I want to send you without this same time. I want to send you without a cent of expense on your part this same time. I want to send you without it have already taken two months' treatment. I never fail to recomment your reatment to any fat person I see.

My treatment is prepared scientification; on the contrary, it promotes proper diagrams as to excessively fat people. My writes:

"I have already taken two months' treatment. I never fail to recomment your reatment to any fat person I see.

My treatment is prepared scientification; on the contrary, it promotes proper diagrams as the property of the same time. I want to send you with a cent of expense on your part this same time. I want to send you with a cent of expense on your part this same time. I want to send you with the same time. I want to send you with a cent of expense on your fart this same time. I want to send you with a cent of expense on your fart this same time. I want to send you with the same time. I want to send you with the same time. I want to send you with the same time. I want to send you with the same time. I want to send you with the same time. I want to send you wit to undersom your treatment to any fat person.

"Please send me Harry Furniss relates in Strand safely, and builds up your health at the this bred familiarity, and the lucky treatment.
