**THE ICE IN HARBOR IS BREAKING UP.**

A Good Collection in the Methodist Church—Personal Notes and Other Matters of Interest.  
 Ganouque, March 31.—A wedding of considerable interest was solemnized on Monday afternoon, at the manse, by Rev. Henry Gracey, pastor of St. Andrew's church, when Mrs. Margaret Knapp, widow of the late Samuel Knapp, of this town, became the bride of W. J. Willoughby, Marble Rock, a few miles north of the town. Mr. and Mrs. Willoughby left at once for their new home, where Mr. Willoughby is in charge of the Ganouque Water Power company's interests, and were accompanied by the best wishes of their many friends here, where the bride has lived for quite a number of years.

The ice in the St. Lawrence river in front of the town is gradually working out. The water is clear from the mouth of the Ganouque river up past the cement wharf, and also nearly across to Tremont Park. The fine weather during the past few days has given good reason to believe that a general break-up is at hand. Mr. and Mrs. William Tinney were surprised by a number of their young friends last evening. They enjoyed much pleasure. **Bloated Stomach Indigestion.**  
 No Means of Instant Relief and Certain Cure to Compare With "NERVILINE."  
 It's not a difficult matter to diagnose a real case of indigestion, usually there is a feeling of weight in the chest, the throat seems full and tight, the stomach feels uncomfortable, head is apt to ache, breath is bad, appetite poor.  
 Nerviline is the cure, it's the only remedy that strengthens weak stomach, overcomes digestive disorders and keeps you in fine form.  
 Nerviline Cures Dyspepsia.  
 "For two years I suffered untold discomfort with indigestion," writes J. P. Huxley, of Great Barrington. "After meals I experienced a feeling of nausea, my stomach was sour, I belched gas, food fermented, my head ached, continually and I ran down in flesh, looked pale and sickly. I used Nerviline after meals and was helped at once. I wouldn't think of being without Nerviline now. It's useful for a hundred ailments. Not only will it cure the stomach of its ills, but for headache, nervousness, flatulency, cramps, etc., I have found it simply wonderful."  
 Every home should have Nerviline on hand, it's a health-saver and makes smaller doctor bills. Insist on Nerviline, only and beware of the substitute. Large 25c. bottles at all dealers.

**OLD PEOPLE!**

Need Vinol because it contains the very elements needed to rebuild wasting tissues and replace weakness with strength. It fortifies the system against colds, and thus prevents pneumonia.

This is because Vinol contains iron and all of the medicinal body-building elements of Cod Liver Oil, taken from fresh cods' livers—but no oil. Vinol is not a patent medicine. Everything it contains is named on bottle.

**POOR BLOOD**  
 Elderly people feel the cold keenly, because their blood is thin, sluggish and watery. Vinol is the ideal blood tonic and strength maker. It creates a hearty appetite, promotes digestion, purifies and enriches the blood and invigorates the entire body.

**76 YEARS OLD**  
 The grand-niece of Alexander Hamilton says:—"I am 76 years old, have a hearty appetite, sleep soundly, and feel active and well. Thanks to Vinol, which is the finest tonic and strength creator ever used. Vinol is a God send to old people."

**COUGHS AND COLDS**  
 Elderly people are very susceptible to coughs and colds, which so often develop pneumonia. Don't lose time experimenting with other remedies when we guarantee Vinol to cure. Vinol has carried many an old person through a hard winter without a cold or cough.

**80 YEARS OLD**  
 "I was so feeble I had to be wheeled about in an invalid's chair, and took cold at the slightest cause. Vinol built up my strength so I could walk a quarter of a mile. I am delighted."—MRS. M. BLOOM, Lewistown, Pa.
