THE WHIG'S JUMBLE

Tells About a Lot of Things in General.

Our \$2 hat, Livingston's special. Weese for photos, Good Friday. It is difficult to keep a purse fat on a slender income.

Bibby's \$1 shirts for neatness. The angler catches more trout in the fish shop than in the stream. Attached and detached cuffs on our \$1 shirt, Livingston's.

Bibby's \$1 shirts are swell. The wise man writeth a book, but it is the publisher that profiteth thereby. Campbell's for Scott's fine hats. Remember your friends to-day and forget your enemies to-morrow. Bibby's \$1 shirts are neat.

A lot of times the bone of contention has not enough meat on it to be worth fighting for.

Bibby's \$1 shirts are swell. Taken as a team, the drawing power of discouragement and despondency is light.

Campbell's hats for good dressers. The average man finds classical music almost as difficult to understand as women.

Campbell's for Christy's fine hats. Back of each desire for debt making should be a dozen desires for debt-paying.

Try Bibby's dressy \$1 gloves. The man who kicks at a church kicks at one of the best assets of the community.

Campbell's for big hat values. The halves are not equal in the division of favors between some men and their wives.

Try Bibby's special \$1 gloves. I don't take much stock in the man who wants everything he says considered confidential.

Yes, there's a whole lot of foolishness in this old world, and you and I are doing our part of it.

Bibby's \$1 shirts are beauties. Visit The London, Wellington street, on Saturday, and see the beautiful creations of new hats.

Campbell's \$2 derbies for quality. He that foretelleth rain prophesyeth a sure thing; it is only the time of the coming thereof that is doubtful.

Bibby's \$1 shirts fit well.

Although vanity is supposed to be a feminine trait, one doesn't have to scratch very deep to find it in a man.

Campbell Bros' hats for style. A man may be a town councillor and yet lack wisdom; yea, he may even talk much in the assembly of the fathers and be devoid of understanding.

STORM AT GANANOQUE.

Blew Down a Kitchen and Broke Up the Ice.

Gananoque, April 8.—The severe windstorm created considerable havoc, yesterday afternoon and evening. The kitchen in the rear of the residence of John McLennan, Jr., Second street, was blown down; the flag staff at Stone street school was broken off; the grand stand at Grasshopper Park was tumbled over into the diamond; windows were broken in the Methodist and Presbyterian churches, but the wind was helpful in breaking up the ice in the St. Lawrence between Hay and Grindstone Islands, between which there is now a big stretch of open water.

Sarah Agnes, the eleven-months-old daughter of Mr. and Mrs. Wilfrid F. Laque, Hickory street, passed away at the family residence, Wednesday morning, after a short illness. The funeral took place to-day, to St. John's church, and thence to the Roman-Catholic burying ground.

Road Inspector Wheeler has had his gang of men at work, at the annual spring cleaning of the streets, this week, and a great improvement has been made on King street.

Rev. Fathers Cullinan, of Ballyvaughan; Hardigan, of Deseronto, and Carey, of Frankfurt, were in town, yesterday, assisting Rev. Fathers Kehoe and Collins in the duties of Holy week.

Mrs. Sidney Mullins, Brock street, is seriously ill, and there are slight hopes held forth for her recovery.

James Root, Montreal, is spending a short time here with his parents, Mr. and Mrs. Gilbert Root, Brock street.

George Whitmarsh, Stone street, left, last evening, to spend the Easter holidays with his daughter, Mrs. (Dr.) Bedell, in Merrickville.

To Be Well Entertained.

Spokane, Wash., April 8.—Fifty members of the Associated Chambers of Commerce of Japan, including fifteen trade experts and representatives of the commercial organizations at Yokohama, Kobe, Tokyo, Osaka and Yokota, will be guests of the Chamber of Commerce of Spokane, Tacoma, Seattle and Portland early next September on a visit to these cities and an ocean-to-ocean excursion on a special train.

Open To-Night.

Campbell Bros' hat store.

Killed On The Tracks.
Brantford, April 8.—John Smooley, Ottawa, was killed by the Toronto flyer on the Grand Trunk tracks between this city and Paris, yesterday afternoon. Smooley was held by the police as a vagrant and, being released started to walk the ties.

Hats With A Reputation.

That's the kind you get when you buy at Campbell Bros', Kingston's style centre for men's hats.

Try Bibby's \$1 English gloves. We all ought to understand that we are made lighter by wholesome and deserved criticism.

Bibby's for Fowne's gloves, \$1.

Usually the man with the chip on his shoulder is nothing more or less than a big bluffer.

We know they're right, "Our hats." Livingston's.

A lot of people hug the delusion that they are brave until the chance comes to prove it.

Campbell's \$2 hats are unbeatable. Let there be a cleaning day in Kingston, or a whole week of it.

Bibby's for Fowne's English gloves. The Whig will not be issued on Good Friday.
