## SHE PASSED AWAY THURS DAY AT BROCKVILLE.

For Acquaintances.

Brockville Recorder. Many homes were thrown into sorrow Thursday night when announcement was made of the death of Mrs. Dobbs, wife of Rev. Rural Dean O. G. Dobbs, rector of St. Paul's church. The end came peacefully at the rectory, Victoria avenue, shortly after five o'clock. The deceased had been ill since last autumn with an affection of the heart which gradually great worse, though at times she appeared to recover her lost strength, but her relatives had been advised that passing might occur very quickly. Wednesday morning she appeared about the same, but during the after

noon a change set in with fatal re-

The late Mrs. Dobbs was Miss Amy Caroline, fifth daughter of the late Dr. Henry Augusta Betts, of Portsmouth; near Kingston, in his life time known medical practitioner. younger days were spent in Kingston until her marriage to Rev. Mr. Dobbs. in 1881, when they went to Wyebridge. From there the reverend gentleman and his life partner moved to St. 1 came to Brockville when Rev. Mr. St. Paul's. Since that time Mrs. Dobbs Island City and formed many quaintances who will cherish nothing but the kindest and pleasantest recollections of one who at all times was a kind and true friend

The late Mrs. Dobbs was a lady possessing the highest Christian virtues, one who endeared herself to allacquaintances. She was heartily assofare of the congregation of St. Paul's: 3 The Man and by them she will be greatly missed. Her charity was not confined to the congregation over which her husband is rector, but in an unostentatious her kindly acts being spread in all

ceased is survived by two brothers and Of all the singers, only one appealed two sisters, namely: Mr. H. A. Betts, to him-a young man named Kelso, h Kingston; Mr. F. P. Betts, barrister, says. "That young man was the onl London; Mrs. Walkem, wife of J. B. real singer of them all," the Lampma Walkem, barrister, Kingston, and Maud told me. "The others had nice voices, Betts, Kingston.

Betts of Portsmouth- consciousness. "The Strange Case of 'Dr. Jekyll and Mr. Hyde' owes its or-Had Endeared Herself to All igin to a dream. "I had long been trying to write a story on this subject," writes Stevnson, "to find a body, a vehicle, for that strong sense man's double being which must at times come in upon and overwhelm the mind of every thinking creature. For two days I went about racking my brains or a plot of any sort, and on second night I dreamed the scene at the window, and a scene afterwards split in two, in which Hyde, pursued for some crime, took the powder and underwent the change in the presence of his pursuers. All the rest was made awake and consciously, although I think I can trace in much of it the manner of my brownies."

Balfour's Escape.

M. A. P., London. Of the two celebrated barristers Balfour, and Erskine, the former's style was gorgeously verbose, while the lat ter's, on the contrary, was crisp and vigorous. Coming into court one day Erskine noticed that Balfour's ankle was bandaged "Why, what's the matter?" asked

Instead of replying, "I fell from -: John, N.B., where the former became gate," Balfour answered in his usual curate of Stone church, Later they re- roundabout way: "I was taking : moved to Carleton, N.B., and in 1890 romantic ramble in my brother's gar den," he said, "and on coming to : Dobbs was called to the rectorship of gate I discovered that I had to clim! tre credited with having fared better of laws governing the international Auley's Book Store, it, by which I came into contact wit the first bar and grazed the epidermi of my leg, which has caused a sligh extravasation of the blood."

"You may thank your lucky stars," replied Erskine, "that your brother" gate was not as lofty as your style, o you would have broken your neck."

# On Watch.
