Frontenac Hotel Re-opens. The old Frontenac hotel, refitted, decorated and furnished, will be re-opened on June 1st, and it is expected that it will draw an increased number of tourists during the summer months, as many rooms are being prepared to accommodate about seventy-five guests, and the best possible service will be given. The hotel will be conducted in conjunction with the British-American, by W. Telfer, who

is proprietor of both properties. The re-opening of the Frontenac will be a good thing for Kingston.

Bishop Mills Laid Hands on the Candidates—The Charge Was Forceful and Timely—Bishop Worwell Preached.

The holy rite of confirmation was administered by Bishop Mills, of the diocese of Ontario, in St. George's cathedral, on Sunday morning. His lordship was celebrant and after his charge to the candidates, which he gave at the interval appointed for the sermon, Canon Starr presented the confirmees he had prepared to the bishop, and the service for confirmation was proceeded with. The candidates knelt on the chancel step to receive the laying on of hands, the congregation kneeling throughout. At the end of this service, the office for holy communion was resumed at the prayer for the church militant, the newly confirmed making their first communion. She, early in life, evinced that she was possessed of an exceptional voice, as well as exceptional musical ability.

Disappeared From Home. Bonnell F. Smith, a well-known resident of Philadelphia, Penn., has disappeared from his home and no reason can be found for his sudden flight. A Complimentary Banquet. The Old Boys of Bishop's College School, Lennoxville, Que., held their annual reunion dinner, on Friday, in Montreal, where upwards of seventy-five graduates assembled. The dinner was made the occasion of a complimentary banquet to the departing students on Saturday last. The banquet service was conducted by Rev. J. D. Boyd, of Zion Presbyterian church. This ended the earthly career of one whose nobility of character, liberality to all in need and devotion to duty won the respect of all with whom he came in contact.

Interment In Cemetery. The remains of the late John Robb, who for over thirty years was a most successful teacher in the county of Frontenac, were interred in Catoraugo cemetery on Saturday last. The burial service was conducted by Rev. J. D. Boyd, of Zion Presbyterian church. This ended the earthly career of one whose nobility of character, liberality to all in need and devotion to duty won the respect of all with whom he came in contact.

A Duty To Perform. Spring is here, and every household has a duty to perform. Nature is kind. After the long months of winter she floods the earth with brightness, warmth, bird song and a hundred and one other blessings. We in turn should show appreciation by hastening ourselves. Get the ash pile removed from the front lawn and the backyard in condition, the old rubbish transferred into smoke, and things in general cleaned up. After this little labor is done, much better will you feel.

Old Kingstonians Return. Two former Kingstonians, William Winter and Charles W. Andrews, bankers of Langdon, N.B., spent part of Saturday in looking over their old home. They were charmed with the beauties of the place. At four o'clock they left for Yarker, to visit S. Winter, a brother of William, and also at Odessa to visit a sister, Mrs. C. W. Timmensen. Both are prosperous westerners. Mr. Andrews is a son of the late G. W. Andrews, tailor, of this city. They return westward tomorrow.

Days Of Reckoning. Today and tomorrow are busy times for the city light and water collectors, as the time of discount on rates expires on the 20th. Accordingly, there are streams of visitors to the city treasury office, where they are relieved of their silver and bills. Water consumers are paying about one-fifth of the rates charged by the old company twenty-two years ago. Light consumers are paying fifty per cent less for gas and a third less for electricity than they did five years ago when the city took over the plant.

The members decided on how much money was required outside of what is already in the treasury and will get to work at once. The sports committee will meet in the council chamber at eight o'clock this evening to arrange the sports programme. The time is growing short and it is requested that every member be present, so that there will be no need of any postponement.

DROWNED IN RIVER

WHILE EN ROUTE TO CLAYTON FROM GANANOQUE.

Roland Robbins, Mrs. Robbins and John Taylor the Victims—The Bodies Recovered—Factory Employee Had Finger Crushed.

Gananoque, April 19.—Another sad drowning fatality whereby three well-known Gananoqueans lost their lives has thrown a gloom over the town following so close in the wake of Tuesday morning's fatality. About one o'clock Saturday afternoon Roland Robbins, aged twenty-two years, Mrs. R. Robbins, eighteen years, and John Taylor, nineteen, left for Clayton, N.Y., in a sixteen-foot skiff, owned by Robbins. A message was received here by the local authorities about 7:30 o'clock in the evening stating that a drowning accident had occurred near the head of Grindstone Island and gave a description of the skiff, which on investigation was found to tally with that of Robbins. It was ten p.m. before it could be found out who was in the boat and other details, consequently nothing could be done at that hour. The accident happened about three o'clock in the afternoon and messages had been sent to Clayton and the islands surrounding in an effort to find out where the boat had tilted from. About 7 a.m. Sunday Mitchell & Wilson's launch, with Mrs. Embury, mother of John Taylor, on board, and also a number of volunteers, left to drag for the bodies, towing all several skiffs. Assistance was also given by Grindstone Islanders and shortly after noon Sunday the bodies of Mrs. Robbins and John Taylor were found but up to the hour of writing the body of Robbins had not been recovered. The two bodies found were near the summer home of May Irwin, a little south and east of the head of Grindstone Island, and being in United States territory, the Clayton authorities were notified and permission given to remove the remains to Gananoque where they were brought about 6:30 p.m. and at once taken to embalming rooms to be prepared for burial.
