

THE EGYPTIANS' SECRET.

The Egyptians of Pharaoh's time were a wonderful people. The pyramids, for instance, put our modern buildings to shame. Where such huge blocks of stone were carried—how they were moved and put in place—are mysteries to modern minds. The Egyptians were skilled physicians, too. We know that they used fruit juices in treating many diseases. Some years ago, a physician in Ottawa discovered a method of combining the juices of apples, oranges, figs and prunes, by which the most remarkable results have been obtained. Whether "Fruit-a-tives" (these combined fruit juices in tablet form) are a re-discovery of the prescriptions of the ancient Egyptians, will probably never be known. Certainly, the ancients never had a more effective remedy than "Fruit-a-tives" for all Stomach, Liver, Kidney and Bowel Troubles. "Fruit-a-tives" are sold by dealers at 50c a box, 4 for \$2.50, or trial box, 25c—order and postpaid \$1.50, on receipt of price by Fruit-a-tives Limited, Ottawa.

Young and J. Daley at Westport.

William Moore has purchased Henry Moore's farm at Maberly Station. He sold his farm to John Charlton, Jr. Dr. Consett, Perth, made a professional call here on Sunday night. Mrs. Catherine White is much improved in health, and James White has returned to his home at Gravenhurst. Stanley Gibson spent a few days last week in Brockville. Mrs. Margaret McAvoy is very ill.

Affairs At Wilbur.

Wilbur, May 11.—The farmers around here have commenced seeding, and putting in their crop. A lot of rain has fallen here, and made the roads very bad for driving. R. Somerville conducted service here and at Lavant, on Sunday. A few of the young men from here attended the ladies' contest at Mississippi. Miss Jessie Richard has returned home last week. A Very Late Seeding.

Only a few warm days have appeared so far this spring. Isaac Wilson left last week, for Philadelphia, and Mrs. Wilson has gone to Guelph. Rev. Mr.

Lumps Like Iron On His Fingers

Peculiar Trials of a Westerner That Neglected His Rheumatism.

This is no ordinary case—five doctors endeavored to relieve and cure J. G. Germaine, Port Arthur, and all failed to bring in this awful suffering even temporary relief. "I am over thirty years of age," writes Mr. Germaine, "and as far back as I can remember, I have always suffered from rheumatism. It was principally on the large muscles of my back, but extending to my limbs and made me quite a cripple and I found it very difficult to get work. I am a grain shoveller, and any work seemed to make matters worse. I did very little towards a cure till last fall, when my case became very acute. I was unable to stand the chilling winds and outdoor exercise at all. I went from one doctor to another—five in all—but got no relief. My muscles and joints stiffened, ached intensely and hard lumps came out on the tendons of my fingers and wrists.

In blank despair I went to the drug store and got five bottles of Nerviline—paid one dollar for the five. I took it internally and used it outward as a rub. Two days made a change—a week saw an improvement—four weeks saw me well. I was cured, free of stiffness, pain and suffering. Nerviline did it all—how I do wish all other sufferers would use Nerviline also. I'm sure it will cure them all."

Thousands of cases just like this could be told—nothing else is so certain in rheumatism, neuralgia, sciatica, and lumbago as Nerviline. Refuse substitutes, and try a 25c. bottle to-day.

Clare and Rev. Mr. Houck, Wellington, exchanged pulpits on Sunday. Finley Shoebright and wife, of Corbyville, are visiting friends here. A by-law to raise \$8,000 to be spent on sidewalks and streets, was voted on a recent, and passed. Tenders are being advertised for the construction of the same. Mrs. Marshall Boyce is very sick with small hopes of her recovery.

Junetown Jottings.

Junetown, May 11.—Mrs. E. Summers and Mrs. J. D. Bigford spent Saturday and Sunday visiting friends in Athens and Adson. O. Shaver, Brookville, was guest at T. Franklin's last week. Rev. A. E. Fokes, Escott, spoke in the Junetown school house, on Tuesday evening, on the temperance question. Several from here attended the funeral of Miss Ella Scott, Toronto, at Longe Mills, today. Mrs. J. A. Scott, Ganouque, is visiting her sons here. Mrs. J. C. Turner spent Sunday in Athens. Mrs. M. McAvoy is very ill at her home here. Malcolm Hall has purchased a fine new horse. Frederick Moore is on the sick list. Mr. and Mrs. William Purvis and two children have arrived from Postern, Sask., for a few months' visit.

Tichborne Tidings.

Tichborne, May 11.—No service was held in the Church of England on Sunday on account of Mr. Aytton's illness. His speedy recovery is hoped for. The bad weather is causing farmers to be quite a lot of hay at an advanced price. The water is higher than it has been for some time. What might have proved a serious accident occurred on Sunday to Mrs. J. Brown and Mrs. Bramow, while driving from church at Oconto. Their horse ran away, throwing out the occupants. Mrs. Brown received some severe bruises about the head and face. This is expected to be the banner year for summer tourists. Visitors: Mr. and Mrs. Botting, of Ferry; at Mr. Hannah's; Mr. Finley, of New York, at L. Alexander's.

Left For Banff.

Hartington, May 11.—Mrs. James Carlton is ill of typhoid fever. The funeral of the late Mrs. Murphy took place on Thursday to Desert Lake cemetery. Much sympathy is extended to Mr. Murphy and his six small orphans. The continuous wet weather is imposing the farmers in their spring work. Mrs. John Brewster, Banff, who has been the guest of her sister, Mrs. Revell, left for her home on Monday. She is accompanied by her niece, Miss Annie Stansbury, daughter of John Stansbury, of H. M. customs, Kingston. Two lady tourists who arrived here, Saturday evening, on a visit to friends, report that they have become convinced by their reception at the station that in Hartington there is "no room for Merry Widows."

Budget From Flinton.

Flinton, May 10.—The weather has become spring-like, after the showers, and the grass is growing fine, which will make fat cattle. People complain of no cream on their milk, thus making very little butter. Butter will likely be very scarce this summer, as milk pools get a good price for it, only packing a little for themselves, before sending the milk to the factory. On the evening of the 6th a sugar social was held by the ladies of the English church at Flinton; the amount of money realized being sixteen dollars. The cement works at Point Anne are paying big wages, and all men who will work can find it there. Point Anne would make a good summer resort. It is along a point of land reaching far into the Bay of Quinte, with fine fishing grounds.

Budget From Bethel.

Bethel, May 10.—There is but very little grain sown in this locality. Miss Mary Hamilton is learning the millinery trade with Miss Martin, Camden East. Mr. Edgar Yarker, who soon have Mr. McGuinness' new house completed. Mr. and Mrs. Higgs spent a day recently at W. Currier's. Joseph Stuart has gone to stay for a while with Mr. Alphon, who is seriously ill. Mr. and Mrs. J. A. Salsbury were visitors at Mr. and Mrs. Jay Hamilton's, on Sunday. Carmel Ashley is at his uncle's, for a time. Farmers are only starting to think of turning their cattle on the grass, as the pastures are very short yet. Mr. and Mrs. C. Keller and family, and Miss Electa Jayne, Sharp's Corners, were Sunday visitors at J. M. Jayne's. Mrs. John Curd, Sr., visited her sister, Mrs. James Kelly, recently. The water in the river is very high, which keeps the flats very wet.

Cleaned Up The School.

Fish Creek, May 10.—Roads are in a bad condition. The cheese factory is running full blast under the management of C. Barr. Farmers are busy ploughing, but not much grain has been sown owing to the wet weather. Mrs. E. Fitzgerald, Sr., who had a stroke some time ago, is not gaining. Ezra Thompson is feeling some better as the warm days are approaching. John Steele, Jr., who has been head leader in our Sunday school for some time, is greatly missed since he has left our midst. Mr. Friday was Arbor day in all public schools our school room had a good cleaning under the careful hands of our teacher, Miss Edna Thompson, and her pupils. N. Barker met with quite a loss one day last week by losing one of his horses. Visitors: Mr. and Mrs. C. Barr, R. Butler and Miss Florence Beatrix at E. Thompson's; Mrs. Atwood, Mrs. E. Thompson, H. H. Smith, Eli Barker, also W. R. and E. A. Barr at Barr's, on Sunday.

Allisonville Jottings.

Allisonville, May 10.—Quarterly service was held at Bowerman's, on Sunday, with a large number in attendance. Mr. Cragg, of Trenton, assisted his son, Rev. H. H. Cragg. Mr. and Mrs. Nelson Parliament, of Centre, visited at James Boyd's on Sunday. Mr. and Mrs. S. Humphrey, of Gardenville, spent Saturday at E. Pine's. Henry Romaine spent Sunday at D. Isted's. Barnes and Mrs. Vera spent Sunday, the guests of Mrs. Charles L. McFarland. Mrs. Babcock is home, after spending three months with her daughter, Mrs. Asa Broad, Massasauga. Mr. and Mrs. L. Drummond and Miss Ida Boyd were in Belleville on Saturday.

Notes From Holford. Holford, May 11.—Farmers have started seeding, but the heavy rain last evening will be a drawback. Bertram Ewing left on Tuesday last for Gravenhurst. His many friends here wish him a speedy recovery. The funeral cortege of Mrs. J. Murphy, Thursday, en route to Desert Lake cemetery, where the body was interred. Deceased leaves a husband and six small children to mourn the loss of a loving wife and mother. Rev. Mr. Lidstone, Harrowsmith, preached on Sunday, in the absence of Rev. Mr. Cornell. Mrs. Charles Martin is on the sick list. Mrs. F. Cook and baby Lucie, Winnipeg, formerly Miss Edith Walker, arrived here last week, and gave his parents and other friends a pleasant surprise. DEATH AT CANNIFTON.

The Late Mrs. Jane Horton—W. M. S. Meeting. Cannifton, May 11.—Master Gerald Martin, of Perth, was the guest of his aunt, Mrs. G. W. Kerr, last week. D. Boyce, of Colborne, spent Sunday under the parental roof. Mrs. Robert Dunning has returned from Northport where she attended the obsequies of her mother, the late Mrs. Leslie. John Palmer, called home on account of the illness and subsequent death of his father, has gone back to Windsor. John Fairman, ill for the past few weeks, is on the road to recovery. Edith Armstrong, the five-year-old daughter of William Armstrong, fell, on Saturday morning, and broke her arm. H. K. Boyce, with his mother and sister, attended the funeral of their aunt, Mrs. Lake, of Bayside. On Saturday, May 8th, there passed away in this village an estimable lady, Mrs. Jane Horton. The deceased was born near the city seventy years ago and lived in the vicinity all her life. She leaves one son, Gilbert, of this place, and one daughter, Mrs. Caverly, of Craigmount. The funeral services were conducted at the church on Monday morning by Rev. Mr. Roake. The remains were interred at Fochow.

The W.M.S. This month met at the home of Mrs. Frank Naylor, when the financial statement was presented for the year now closing. It was found that the ladies raised \$122 to fund the branch treasury. Mrs. William Naylor and Mrs. (Ivy) Roake were connected with life members' certificates. The annual election of officers followed, resulting as follows: President, Mrs. Francis Beaton; vice-presidents, Mesdames Korke, Emerson and Naylor; secretary, Mrs. William Dunning; corresponding secretary, Mrs. C. PARIS GOWNS SERVED.

Regaled Her Guests With Exhibition of Fashions. London, May 12.—For tea and Paris fashions. These words were attached to invitations sent out by Mrs. Asquith for a novel party at No. 10 Downing street, last week. The hostess had brought from Paris M. Poiret, the famous dressmaker, with three of Poiret's most beautiful models, and while the ladies sipped their tea the models paced before them wearing the latest fashion. To Mrs. Asquith's guests the two models adapted for London wear. Poiret talked the models for his dresses in the pictures of the old masters.
