Eczema Cure a Miracle? -No Just Sound Science.

Physicians now admit the superior value of simple medicines for all dis-

For eczema and other skin diseases certainly nothing in the world could be simpler than oil of wintergreen, carefully combined with such wellhealing and antiseptic substances as thymol, glycerine, etc., as in the D.D.D. Prescription. The use of this simple remedy, though, accomplishes results that look like miracles. Cases of eczema of ten, twenty and even thirty years' standing have been completely cured in a few weeks.
