Items in the Budget Lloyd-George.

WERE ADOPTED BY A VOTE OF 298 TO 122.

Quite a Few Other Important care, of himself. Clauses Passed Hous of Commons-Ex-Premier Balfour Was Fears is Drawing Nearer.

London, May 21.-The House Commons passed, last evening, a numthe budget of Chancellor of the Exduties clause was adopted by a vote of 298 to 122, the settlement daties by 300 to 123, the legacy and succession duties by 300 to 127, the automobile taxes without a division, and the reduction in the sinking fund by 203 to

Ex-Premier Balfour again strongly denounced the death duties, saying, among other things : "Let us be careful that we do not associate democracy with robbery, an association which has never been true of any civilized modern state and which, I hope, will never be true of this country, but it seems nearer after this budget than ever before.'

Dived From Bridge. New York, May 21 .- With the mtention of adding to his record as a high diver, Albert House, a carpenter, living in Brooklyn, jumped from the Williamsburg bridge, a drop of 135 feet, into the East river, and was taken to his home in a critical condition. Since he abandoned his trade, House had been making various minor dives from high places in an effort to acquire a reputation which would assure him a summer engagement as a high he returned to the house by the same create a public opinion, both in the diver, but this latest venture, which means-scaling a wall seven feet United Kingdom and in the self-gov- visit of the German emperor and was to have been the crowning feat of high, and crawling through a win- erning dominion, strong enough, unihis chosen career, is likely to prove dow.
