Gananoque, June 3.—C. V. Ketchum, local manager of the Bank of Toronto, acting on instructions from the head office of that institution, has purchased the part of the old Brophy estate situated on the south-west corner of King and Stone streets, to which includes Mrs. K. E. Baker's millinery establishment, H. J. Reid's jewelry store, A. C. Shields' hospital, a stone dwelling house and a livery stable. It is expected the purchasers will erect at an early date a handsome new bank building on the site. The price paid for the property was \$6,000. Gananoque council, No. 28, R. England, My England.

By William Ernest Henley.
I have I done for you,
England, my England?
What is there that I would not do,
England, my own?
With your glorious eyes austered,
As the Lord were walking near,
Whispering terrible things and dear
As the song on your bugles blown:
Round the world on your bugles blown!
Where shall the watchful sun,
England, my England,
Match the master-work you've done,
England, my own?
When shall he rejoice again
Such a breed of mighty men
As come forward, one to ten,
To the song on your bugles blown.
England—
Down the years on your bugles blown?
Ever the faith endures,
England, my England,
Take and break us; we are yours,
England, my own!
Life is good and joy runs high
Between English earth and sky;
Death is death; but we shall die
To the song on your bugles blown.
England—
To the stars on your bugles blown!
They call you proud and hard,
England, my England,
You with words to watch and ward,
England, my own!
You whose mail'd hand keeps the keys
Of such teeming destinies,
You could know nor dread nor ease,
Were the song on your bugles blown,
England—
Round the pit on your bugle blown!

A Meddlesome Body.

Ottawa Journal.
The Royal Canadian Regiment bands from Halifax and Kingston have been engaged to play at the Toronto exhibition this summer, and there are already ominous rumors to the effect that the Musicians' Union working through the members of the bands of the Toronto regiments, will make trouble with the regulars. The bandmen of the regulars apparently are not members of the union, and there is talk of a general strike of Toronto bandmen if the Halifax and Kingston men are permitted to play at the exhibition. It is reported that if there is any trouble of the sort, the minister of militia will call in the uniforms of the Toronto bandmen and thus effectively deprive them of pay which in the year round amounts to a tidy sum, a course of treatment which would be amply justified. We have seen in Ottawa that this Musicians' Union is in the habit of doing very unreasonable and tyrannical things. It is, in fact, a reproach to sane unionism, and could not be too effectively disciplined, either by the militia department or by the level-headed leaders of organized labor in Canada.

The Stomach's Signal.
When a meal is followed by distension, flatulence, heartburn, acidity or headache, prompt help is needed. The stomach and bowels must be sweetened and cleansed and an increased supply of healthy digestive fluids must be secreted. Day's Dyspepsia Cure produces these results every time. Each bottle contains sixteen days' treatment. For sale only at Wade's Drug Store.

Many a man's reputation for truthfulness goes lame when he begins to say things about himself.

MONTREAL CONFERENCE.

The Ministerial Session Opened on Wednesday.

Pembroke, June 3.—The ministerial session of the Montreal Methodist conference opened, June 2nd, at 2 p.m., the president, Rev. W. Timberlake, in the chair. After devotional services the roll was called and a large number of ministers responded to their names. In answer to the question, "Are there any objections or charges preferred against any of our ministers or probationers?" the districts answered in the negative. This is a matter of congratulation.

The president then asked the question: "Who have resigned from the ministry of our church, and are entitled to credentials of standing?" There were two such resignations, Rev. A. W. Budd and his brother, Rev. A. E. Budd. Both of these have gone to join the Methodist church of the United States.

The following young men having completed their probation, it was recommended that they be received into full connection with the conference and ordained next Sunday: F. W. Bates, B.A., R. Goudie, H. H. Hillis, Thomas Whitebeans, N. A. Hulbert, C. W. Crane, B.A., R. Pomeroy, R. W. Street, J. A. McNeil.

It was recommended that the following be continued on trial: Probationers of three years standing: T. H. Billings, M.A., George Reynolds, T. E. Bole, W. P. Booth, M. Lehigh, M. I. Robinson, R. M. Timberlake, B.A., A. F. Pokes, J. A. Waddell, B. Eyre, A. J. Martin, A. Matthews, Harold Robinson, B.A., A. E. Oliver, William Quigley, T. E. Armstrong, J. A. Shaver. Probationers of two years standing: R. G. Parsons, F. B. Allnut, E. L. Davidson, E. W. Danby, A. P. Shorten, C. James, R. M. Ponder, H. Mick, W. G. Wilson. Probationers of one year standing: William Chodat, L. Lattoni, L. Fret, H. A. MacLaren, George Dustin.

Rev. George Jackson, B.A., was on the conference programme to deliver a lecture on the subject, "Does the Old Testament Contain a Divine Revelation?" To the regret of all Mr. Jackson was unable to be present because of sickness. However, the conference authorities provided a worthy substitute for Mr. Jackson, Dr. Walter Patton, recently appointed to take the place of Dr. Workman in the Montreal Wesleyan College, delivered a lecture on the subject, "Canaan Before Moses." Dr. Patton is a distinguished Old Testament scholar. The lecture was a brilliant and rapidly getting into good form. The town council, at its regular session this week, made its annual grant of twenty dollars for the supplying of extras on the bill of fare for non-commissioned officers and men of No. 5 Field Battery, at their annual twelve days under canvas.

NEWBORO APPEAL CASE.

Farm Property Assessment Reduced Twenty Per Cent.
Newboro, June 2.—The appeal case of George Wooding vs. the village of Newboro, was held in Brockville, before Judge Reynolds, on Monday morning. This was an appeal taken by George Wooding, who is conducting a store here and who was fined \$11 in magistrate's court, some time ago, for selling goods without a transient traders' license. H. A. Stewart, K.C., appeared for Wooding, and W. A. Lewis for the village. W. H. Laygett, reeve; T. S. Lewis, town clerk; Edward Wright, municipal assessor; H. S. Foster, municipal assessor, 1908, and Benjamin Cavanaugh, village constable, attended as witnesses. Judgment was reserved.

Frank Moore is critically ill and slight hopes are held for his recovery. Court of revision was held in the court house, here, on Monday evening, and the assessment of all farm property in the incorporation was reduced twenty per cent. from the amount assessed by the municipal assessment.

Messrs. Frank Moore and Preston McCann were in Kingston, on Thursday of last week. Correll Wiltsie returned, on Thursday, from a two weeks' visit with relatives in Athens. J. P. Tett is slightly better this week. A new telephone was installed in the Hotel Hideoa, on Friday. It is expected that one will also be placed in the B.W. & N.W. railway station. Miss Kate Lappen, Kingston, was renewing acquaintances here last week. A representative of a United States firm is in this vicinity examining the old iron ore deposits. It is rumored that a good show has been found on the Fahey place, owned by Marten Knapp, and that the mine may be opened this summer.

Mrs. John Brady, Bedford Mills, is spending a few days here, the guest of her daughters, the Misses Brady, Drummond street. Mr. and Mrs. Edward Bolton and son, Robert, are spending a few days with relatives at Spring Valley. Henry Flemming, Jr., Chaffey's Locks, was a week-end visitor, here, the guest of his uncle, Capt. John Flemming. The annual meeting of the West Leeds Farmers' Institute will be held in Lyndhurst, on Saturday. William Bryan has resigned his position on the steamer Westport and returned home on Wednesday. Mr. and Mrs. Frederick Knapp are spending a few days with relatives at Fermoy. M. S. Bilton launched his new gasoline launch on Saturday evening.

Land Assessment in England.

London Chronicle.
The evils of this underassessment of land are perhaps more glaring in Cardiff than anywhere else. Cardiff Castle, with its huge park, lodges and gardens, with a boundary wall of three-quarters of a mile, situated right in the heart of the town, is rated at £924 a year. The land is worth millions. Within sight of the castle and not more than two hundred yards away is a tailor's shop which is rated at £947.

ODDFELLOWS' HOME

A FINE PROPERTY PURCHASED IN PICTON.

An Interesting Marriage on Wednesday—Of on a Pleasant Outing—Death of Henry M. Reddick.

Picton, June 4.—One of the most important real estate propositions that have been turned over in many months was made on Wednesday, when the Soby property, at the corner of Main and Ross streets, in the heart of Picton's commercial life, was purchased. C. B. Allison went to Nanapanze, Wednesday, and concluded the business of purchase with the owner, John Soby, on behalf of Picton Oddfellows. The purchase price is understood to have been \$4,900. The site is what the Oddfellows wanted for the present one-story frame buildings are practically valueless. Sing Chang's laundry and Stinson's restaurant are the present lessees. The idea of the Oddfellows is to erect a three-story temple. It is understood that a local bank has agreed to take a long lease of the ground floor and the third will be equipped for an Oddfellows' Club quarters.

One of the prettiest weddings of the season was that on Wednesday morning when Elizabeth Powers, daughter of Mrs. Julia Powers, was married to David McAuley, Glenora, by Rev. Killen. The bride, who was given away by her brother, Frank Powers, wore her going-away costume, a three-piece suit of imported blue silk, the dress made on pinness with golden lace, and touches of old rose. The groom gave her a diamond pendant and pearl necklace. Miss Stella Sullivan, bridesmaid, wore a smartly tailored suit of blue. Her gift was a pearl ring. To the best man, Archibald Sullivan, the groom gave a scarf pin set with pearls. The wedding breakfast was served at the home of the bride's mother, High Shore. Mr. and Mrs. McAuley left on the morning train for a three weeks' trip to Buffalo, New York city and Philadelphia.

After a month's illness from spinal trouble Henry M. Reddick, for over twenty-five years a resident of Picton, passed away, late on Wednesday, at his home, Ontario street. Mr. Reddick was born in Ameliasburg seventy years ago, and came to Picton to enter the employ of the John H. Allan Seed Co. He was one of the original trustees of Main street Methodist church. He is survived by his widow and family, Mrs. W. F. Morris, Chisholm, George T. Reddick, Iowa City, Mrs. John F. Wright, Syracuse, and Rev. H. B. Reddick, Elmira, N.Y.

Good News, Truly.

Toronto Star.
Hon. George E. Foster says that before the next election the conservative party will submit to the people a programme of social reform. Perhaps the opposition, somewhat tardily, has recognized the importance of the labor legislation, provided by the government, the organization of a labor department, and the appointment of a minister of labor. However, Mr. Foster's announcement is welcome. The more the parties compete in that great field the better for Canada.
