PAID BONUSES

To Concerns Manufacturing Various Goods.

PIG IRON PRODUCED

ORE WAS BOTH CANADIAN AND FOREIGN.

To Enquire Into the Lobster Fisheries—Evidence to Be Taken—Likelihood of Large Iron Works Being Located at Vancouver.

Ottawa, July 5.—During the last fiscal year the government paid total bounties of \$2,467,396 on pig iron, lead, petroleum and manilla fibre, iron and steel bounties were \$1,864,614, compared with \$2,303,152 during the preceding year. Bounties on lead were \$397,433, compared with \$51,001 during the preceding year. Six hundred and nine thousand four hundred and thirty-one tons of pig iron were produced, a decrease of 14,348 tons; 570,588 tons of steel, a decrease of 91,351 tons. For the manufacture of pig iron, 179,735 tons of Canadian ore were used and 1,037,580 tons of foreign ore.

There was produced in Canada last year 10,590,456 pounds of binder twine and 6,770,165 pounds of orange, upon which the government paid a bounty of \$43,561 upon the manilla fibre used in the process of manufacture of this output.

Capt. Wakeham, of the Canadian preventive coastwise, will begin immediately an exhaustive inquiry into the lobster fisheries of Quebec and to the maritime provinces. He will take evidence at the various points visited.

BREWERS SUFFER

Milwaukee, July 5.—The decrease of the business to brewers and distillers through the dry wave is indicated in the report of the local internal revenue officer for the year ending June 30th, this report showing a reduction of the internal revenue amounting to \$22,000 for that period.

GIRL LOSTS HER LIFE

Perished in Fire Which Destroyed Home. Belleville, Ont., July 5.—Last Tuesday, the home of John Bowers, Cardiff township, about six miles from Deer Lake, was destroyed by fire, and his oldest daughter, a girl of about thirteen years of age, perished in the flames. The parents were away from home and four children were alone in the house, the oldest being a boy about sixteen years of age.

Dover, Eng., July 5.—The British steamer Whakataka, running to New Zealand, was towed here yesterday, in a sinking condition and beached. The Whakataka was in collision with Dungeness, a fog, with the French steamer Circe. The latter was damaged, but was able to proceed on her voyage to Rotterdam. No lives were lost. The Whakataka had 300 persons aboard. She also carried a number of valuable horses. It was an exceedingly narrow escape from a terrible disaster.

Calcutta, July 5.—There is a recurrence of political excitement in Eastern Bengal, and meetings to express sympathy with natives who have been deported, are of almost daily occurrence. Arabindo Ghose, one of the most prominent of the Indian agitators, is travelling through the country in the interests of an anti-government campaign. He is preaching that "the God of God has gone out to the Indian nation to unite, to be free, and to be great."

FOR ILL-USING GIRL

Greek is Wanted By the Police of London. London, Ont., July 5.—Police are looking for George Hrisikos on the charge of inhumanly treating his thirteen-year-old daughter. Hrisikos fled the city suddenly, it is believed, for Hamilton or Toronto, and took the child with him. He is said to have pulled her hair out in handfuls and to have beaten and kicked her unmercifully. He took the girl away from her mother in Greece against her will and against the wishes of the mother. The police are making every effort to locate Hrisikos, and if caught he will be most severely dealt with.

CZAR'S FUTURE PLANS

Will Visit Italy, But Ignore Its Capital. Rome, July 5.—The czar will probably reach Italy at the end of August or early in September. The exact date will not be made known until the last moment, in order that the Socialists and revolutionaries shall not have the time or opportunity to prepare hostile manifestations.

It appears now unlikely that the czar will come to Rome. His visit, it is thought, will be limited to a cruise in the Mediterranean and Adriatic seas. When in the Adriatic he majesty will probably land at Bari, where the relics of St. Nicholas are preserved. He may, too, visit Naples and the ruins of Messina, and go north to Rapallo, near Genoa, and will perhaps meet King Victor Emmanuel, who will then be spending a holiday at one of his Piedmontese chateaux.
