

A "Hurry-Up" Sale

OF DRY GOODS AND CLOTHING

Commencing THURSDAY, July 8th

Hurry! Hurry!! Hurry Up!!! If You Would Profit By This Cut-Price Hurry-Out of Good Merchandise.

You Must hurry—that's the one condition of this sale with which we wish to impress you at the outset. It's not always pleasant to be hurried, but when the purpose is profit the inconvenience is insignificant.

To hurry out large quantities of just the merchandise you need now, we've lessened prices right and left. Goods affected are surpluses in certain lines of Dry Goods and Clothing, which we bought too enthusiastically. Rather than sell them little by little at slightly lowered cost, we decided to give them short shrift and hustle them out at the smallest price such goods have ever borne at this season.

You must hurry—because we've limited the time of sale, and because many of the choicest lots are small and will melt away under the first rush of eager buyers.

For a brief space the chance is yours to supply scores of reasonable needs at savings which will total up handsomely in the aggregate—BUT YOU MUST HURRY!
