WOMAN ISSUES TOWN

WAS HURT IN RUNAWAY ON WELLS ISLAND.

She Wants \$10,000 For the Injuries Which She Received—Town Permitted Highway to Remain Unguarded, She Says.

Watertown, N.Y., July 16.—A novel negligence action has been instituted by Sarah Booth against the town of Orleans to recover \$10,000 for injuries alleged to have been sustained through the town's carelessness in permitting a hole to remain unguarded in the highway upon Wells Island. The accident occurred on the first of July, 1908. Sarah Booth was driving along the road between Westminister Park and Thousand Island Park, when her horse suddenly stopped. She did not hit him with the whip but when she urged him ahead complainant says he bucked up instead, going over an embankment at the side of the road and throwing the plaintiff from the buggy. Then it appears that the frightened animal ran away. Mrs. Booth became lodged between the thills and the front wheel and was dragged for about a quarter of a mile. Three ribs were broken and she sustained serious internal injuries.

The complaint alleges that the hole had been in the middle of the highway and was allowed to remain there without protection of any kind. It is contended that the town officers had notice of the condition and that they were negligent in not guarding or repairing it.

COMMITTEES APPOINTED

For the Picnic to Be Held on Labor Day.

At a meeting of the trades and labor council, held on Thursday night, matters pertaining to the big picnic, to be held on Labor day, were advanced another stage. A sports committee was appointed, composed of J. Powell, D. Ken, W. Milligan and T. Whitehead, and the printing committee will be composed of George Lewis, Joseph Sola and T. Fleming. Every effort is being put forth to make this picnic one of the best ever held in Kingston.

Early Closing Movement.

No further steps will be taken in regard to the early closing of the stores until the fall. A prominent worker in this movement stated, today, that nothing further would be done in the matter until then.

NO MORE DANDRUFF.

Newbro's Herpicide Destroys the Pesticiferous Cause of Annoying Dandruff.

Does your head itch? Is your coat or dress full of white flakes after washing your hair? That's the effect of dandruff. Is your hair thinning? Are you beginning to get bald in spots? Are you already, in fact, rapidly becoming bald? If so, that is the effect of a measly little parasite that burrows in at the roots of the hair, and throws up the scalp in dandruff and out of the hair at the roots. Science's latest discovery is a destroyer of that pestiferous germ. That destroyer is contained in no other hair preparation on earth but Newbro's Herpicide. Try it, and be convinced. A delightful dressing. Sold by leading druggists. Send 10c in stamps for sample to the Herpicide Co., Detroit, Mich. One dollar bottles guaranteed. G. W. Mahood, special agent.

THE SPORT REVIEW.

Coal Baseball Team Defeated the K. & P. Nine.

On Thursday evening an interesting game of baseball was played at the cricket field when the "Scranton Live Coals," from Swift's, defeated the Kingston & Pembroke railway team, fifteen runs to six, in a five innings game. The game was witnessed by a large number of people and was certainly a good one. The teams were: Swift's: Stansbury, c.; Mueckler, p.; Bowman, 1b.; Gravelle, 2b.; Dié, s.; Clarke, 3b.; Lowe, m.f.; Pierce, l.f.; Oakley, r.f.

K. & P.: Sherbaineau, c.; Grady, p.; Driver, 1b.; Dickson, 2b.; Gratton, s.; Ward, 3b.; Mackie, m.f.; Welch, r.f.; Howe, l.f.

The winners will play the team from Richardson's on the morning of the Civic holiday at Lake Ontario park.

To Try To Lower Record.

R. H. Stinson, of "A" battery, will attempt to lower the five-mile city championship and win the Nelles shield, on Saturday afternoon, at 4.30.

Victorias Vs. Locos.

The Victoria-C.L.C. game at the cricket field on Saturday afternoon promises to be a good one. The leading of the silverware depends quite a little on this game, as the above two teams are at present tied for first place. It is understood that quite a change will be made in the Locos' line-up.

Another Record.

W. E. Cole, the Deseronto runner, who won the five mile race at the grocers' picnic, went around the course on Thursday afternoon to try and lower the time set for the Nelles shield, made by Ex-Cadet E. M. Watts. Cole ran the first three miles faster than they were ever run before, but fell down on the fourth mile, but finished strong. He covered the five miles in 32.40 minutes, over a minute behind the time set by Watts. Cole will try the five miles again next week.

Kingston Stallion Won.

Alvarado, the fast five-year-old pacing stallion, owned by McCue Bros., won the 2.24 pace at Cory, Pa., on Thursday afternoon. Alvarado is out of Aileen, 2.15, by Superior, 2.04, and sired by Arbutusank, 2.02. Alvarado is sure bred right to make a race horse, having the best stock behind him. This is his first season out, starting two months ago without a record. Alvarado won races in Brockville and Ogdensburg in straight heats. The best time made at Cory, Pa., was 2.16. Alexander Hayes is driving the Kingston horse.

Police Athletics.

Police Constable Davies is being congratulated by his brother officers for the fine showing he made in the running race at the grocers' picnic, when he captured first prize, and some are inclined to believe that he would make good in a Marathon. However, "Fred" believes that the short distances will hold him for a while. Day, Brissell and Armstrong, who finished in the order given, would make great runners with a little practice, although Constable Timmerman, the veteran of the force, says that not one in the bunch would have had a show if he could have got away for the picnic.

Sporting Notes.

Toronto Zingari cricketers outplayed Philadelphia. Jersey leads the Eastern Baseball League in errors with 163; Toronto, 156; Baltimore, 139. Ottawa will send twenty oarsmen to the Canadian Henley, and Vancouver may also send crews. Loughboon says he will run fifteen miles in 1.23.30 against Swanberg at Toronto on Saturday night. Carrier pigeons released from North Bay recently travelled at the rate of 1,605 yards per minute. The record is 1,930 yards. The officials of the Vancouver Lacrosse Club expect to make arrangements for a southern tour in the autumn. The base-stealing record in the Eastern Baseball League is: Providence, 129; Jersey City, 116; Newark, 115; Buffalo, 111; Rochester, 110; Baltimore, 89; Toronto, 77; Montreal, 59. Kauffman will not fight Johnson in August or September. He will take his time and will not be rushed into a fight. When Kauffman enters the ring he will be in the best possible shape. Toronto World: Well-posted hockey men say the new arena rink will be under way shortly, though the year is almost too far advanced to look for the luxury before the winter after next. New Westminster are holding out to play their latest lacrosse game with Vancouver at home. The match is scheduled for Vancouver, but the champions claim they are entitled to the game. Johnson and Jeffrey are expected to hold a meeting at last. Johnson says that when the retired champion reaches Chicago Sunday he will confront him at his first performance and post a certified cheque of \$10,000 to bind himself for a battle. Johnson expects to continue training until he knows definitely whether he can get a match.

THE DRAMATIC DEATH

OF TWO BROTHERS IN OLD LONDON HOUSE.

They Played a Final Game of Chess and Then Swallowed Poison—Sat Dead in Their Chairs.

London, July 16.—"We hate to live, and are not afraid to die. We wish our bodies to be cremated at as little expense as possible."

"We wish for no service. After we have been cremated our ashes are to be thrown away."

These remarkable passages occurred in a letter left by two brothers, Theodore Block, sixty-five, an artist, and Lewis Block, forty-eight, who were found dead in their chairs in their sitting-room at a house in Ellison Road, Streatham. By their side were glasses that had contained poison.

Near by was a chess table with the pieces still remaining on the board, and as the brothers were passionately fond of the pastime they had apparently engaged in a final game before ending their lives.

The writers explained that they had met with financial losses at the time of the Boer war, and had then bought the poison with the determination to die at that time. Hoping, however, that they might retrieve their position, they had postponed the act until, convinced of their inability to recover their losses, they had renewed their determination to end their lives.

In the room was a second letter addressed to the coroner in these terms: "Dear Sir,—Kindly have our bodies cremated or sent to the hospital for dissection. Yours faithfully, 'L. BLOCK.'"

The brothers, it is said, were formerly in business, and until some eight years ago resided in the Old Kent Road. The business, however, failed, and is said to have been wound up in bankruptcy. They then went to Streatham, where they rented the house in Ellison Road and engaged a housekeeper.

"I have been with them eight years," said the housekeeper, "and I know that they had no serious reverses, and that life was not too pleasant for them."

Until she found the letter she had no idea that they were likely to take their lives.

The affair has caused considerable sensation among residents in the neighborhood. The two brothers, it is reported, lived a somewhat secluded life, and only one, who is described as being a man of somewhat remarkable appearance, was known by his neighbors. The other brother was believed to be an invalid.

GOOD WORDS FOR DR. BELL.

Trades and Labor Council Passes a Resolution.

The following resolution was introduced at a meeting of the Trades and Labor Council, Thursday night, and carried by a unanimous vote:

"That the Trades and Labor Council, of the city of Kingston, here assembled, learns with regret, of the contemplated removal from the city of ex-Mayor Dr. John H. Bell. During the municipal career of Dr. Bell, extending about eleven years, two years of which he served as chief magistrate of the city, we have always found him an ardent supporter of organized labor, and at the workmen in general, always found him a friend in time of need, ready and willing to give up his valuable time when called upon to advance their interests or espouse their cause. He was loved as a friend, respected as a citizen, admired as a man of sterling qualities, and we feel that Kingston is called upon to part with one in the person of Dr. J. H. Bell, whose departure will leave a vacancy in our city that will be difficult to fill. And now, in the name and by the authority of this Trades and Labor Council, we desire to place on record our appreciation of Dr. Bell's valuable assistance and timely advice in all matters that pertained to the general welfare of the workmen of the city, and at the same time assure him that he will ever occupy a place in the hearts of all citizens, who are called upon to earn their bread by the sweat of their brow. Be it, therefore, resolved, that a copy of this resolution be forwarded to Dr. Bell, inscribed upon our minutes and published in the city press."

DEATH OF MRS. M. BEHAN.

Passed Away in Hotel Dieu, Aged Ninety-One.

Mrs. Mary Keeley, widow of the late John Behan, died in the Hotel Dieu, at one o'clock, on Friday morning, after an illness extending over eight weeks, although she had only been confined to her bed about three weeks. Deceased had reached the age of ninety-one years, and had always enjoyed good health, being quite active in her old age. She was beloved by a large circle of friends. She was born in the county of Galway, Ireland, but had been a resident of Kingston about sixty years. Her husband died twenty-three years ago. A family of one son, J. J. Behan, grand secretary of the C.M.B.A., and one daughter, Miss Mary, survive. Just a week ago this (Friday) morning J. J. Behan's wife passed away, and the sympathy of a wide circle of friends will be extended in this double bereavement. Deceased was a member of St. Mary's cathedral, and was also identified with the various church societies. The funeral will take place on Saturday morning at 9:15 o'clock at St. Mary's cathedral, where a solemn requiem mass will be sung for the repose of her soul.

DONOVAN-MARTIN.

A Wedding in St. Mary's Cathedral, on Wednesday.

A quiet but pretty wedding took place in St. Mary's cathedral, on Wednesday morning, when Rev. Father Hanley, rector of the cathedral, united in matrimony Miss Sarah Martin, daughter of the late James Martin, and John Donovan, both of this city.

Mr. X. O'Connor, nephew of the bride, was best man, and Miss Lizzie O'Connor, niece of the bride, acted as bridesmaid. The bride looked charming in a dress of cream mill, with hat to match, and carried a bouquet of white roses.

After the ceremony the wedding party drove to the residence of the bride's mother, Barrio street, where a wedding breakfast awaited them. At noon the happy couple, amid showers of rice and good wishes, left for Ottawa. The bride's going-away costume was of myrtle blue panama cloth, with hat to match. Many costly and useful presents testify to the popularity of both and groom. On returning home, Mr. and Mrs. Donovan will take up residence at 402 Barrie street. Their host of friends extended to them their warmest congratulations.

KILLED BY A BLAST.

Percy Harvey, a Miner, Loses His Life at Tweed.

A despatch from Tweed says: "Percy Harvey, a miner at the sulphate mines, near Tweed, was killed last night, by a blast. The accident, it is supposed, was caused by too short a fuse. Harvey was lighting the fuse at eight holes, had several lit and was lighting the others, when one went off, killing him instantly. His helper at the top of the shaft was stunned and could tell nothing about the accident. Harvey was from Newfoundland and was only twenty-seven years of age. He leaves a wife and family."

Artillery Band Concert.

Another enjoyable concert was given by the Royal Canadian Horse Artillery band, in Macdonald Park, last evening, and beautiful weather favored the event. There was even a larger crowd present than a week ago, and also a greater number of small boats floating around the calm waters. The artillery band's programme was immensely enjoyed.
