

Told in Twilight

Mrs. Campbell Strange, William street, asked a few of the young girls to tea, on Thursday, to meet her niece, Miss Dorothy Schofield. The hostess herself looked after the tea things, and the guests were Miss Helen Gordon, Miss Madge Dawson, Miss Helen Duff, Miss Dorothy Hooper, Miss Dorothy Hill, Miss Nora Macne, Miss Lena and Miss Marjory McMahon, Miss Hilda and Miss Doris Kent, Miss Marjory Low, and Miss Aileen Folger.

Yesterday was the anniversary wedding day of two Kingston ladies; one, a grandmother, touched her thirty-seventh, and another her thirty-first. Both are so young looking, so graceful and sweet that the thought of youth cannot be dispelled by talking anything of age. One lives on Barrie street, the other on Earl street, and both declare that years do not count, they are only as old as they feel.

Last night Mrs. Ernest Cunningham chaperoned a high tea at the Country Club, among the guests being Mrs. Bessie Gordon, Miss Emma Pense, Miss Bessie and Miss May Smythe, Miss Frances Hora, Miss Madelon Carter, Mr. Hansard Hoca, Mr. W. Craig, Mr. Ernest Dawson and Mr. George Richardson.

Mr. John A. Mackay, the president of the daily section of the Canadian Press Association, is a jovial, spry, snappy, bright and progressive in business, and has a style that can either be persuasive or charming. Both Mr. Mackay and his charming wife made many friends while in Kingston.

Some of the married ladies had a high tea at the Country Club, on Thursday.

Mrs. J. A. Singleton and Master Arthur Singleton, of Smith's Falls, are visiting in the city, the guests of Rev. S. Shibley, Albert street. Miss Cora Harrison, of Stettler, Alberta, is visiting her sister, Miss Gertrude Harrison, William street. Miss Ethel Dunsmore, of Stratroy, passed through on the steamer Kingston, on her way to visit at Montreal and other points. On her return trip she will pay a visit to friends in Kingston.

Miss Edna Campbell, of Port Hope, is the guest of Mr. and Mrs. R. B. Nelles.

Mrs. Naylor, New York, is visiting her mother, Johnson street. The Rev. C. A. Sykes and family, William street, will leave on Monday, for their cottage, "Notawanta Lodge," on the Cobden Lake.

Miss Marjorie Smith, University avenue, is visiting with her aunt in Syracuse, N.Y.

Mrs. L. L. Henderson and children, Bagot street, left to-day, for Thousand Island Park for the summer and in September will go on to their home in Montreal. Everybody is sorry to lose this excellent family.

Mrs. Reginald Alcombrack and little son, Master Gordon, are spending a couple of weeks in Ottawa with Mrs. J. Bellard. They will return to Kingston for several weeks before leaving for New York.

Mrs. H. H. Tout, Watertown, N.Y., came over to attend the wedding of her nephew, James Henry Caldwell, which took place Tuesday, July 14th.

Mr. and Mrs. A. T. Curtis, Toronto, Ont., came down to attend the wedding of the latter's sister, Miss Rossina Webb, which took place on Wednesday, July 14th.

Mrs. S. Selley and family have reached here from Brockville, and are settling nicely in Queen street Methodist parsonage.

Mr. Bowie, deputy-sergeant-at-arms, House of Commons, and Miss Marion Bowie, spent a short time in Kingston on Thursday.

Miss Florence Elliott, Barrie street, has come to spend a week with Mrs. W. H. Hyde at their camp on Rideau Lake.

Mrs. John Gonsouls is visiting her niece, Mrs. D. G. Laidlaw, Earl street.

Mr. Arthur Martin is down from Hopewell for his fortnight's holiday, and, as usual, is being much welcomed home.

Miss Alma Price, Clergy street, left on Monday, for Portland, Maine, to visit her aunt for a couple of months.

Miss Jean Dickson, of Toronto, is with her aunt, Mrs. C. W. Dickson, Barrie street.

Mr. J. E. Wilmot, Ottawa, is holidaying here. He is with his mother, Mrs. N. Wilmot, Clergy street.

Mrs. D. Dowley, Ottawa, is the guest of Mrs. D. Noonan, William street.

Miss Elsie Brice, of London, England, is visiting Mrs. W. A. Sawyer, 183 University avenue.

Master Ferdinand Steirn, of Staten Island, is visiting Mrs. Allaire Shortt, "Ottoburn."

Mr. A. W. Moore, of Mount Clemens, Mich., is visiting his grandparents, Mr. and Mrs. George Watson, University avenue.

FROM A FEARFUL END

YOUNG WOMAN SAVED ON BRINK OF NIAGARA.

Two Men Saw Her on a Runaway Bicycle, and Caught Her a Few Feet From the Edge of the Gorge.

Niagara Falls, Ont., July 17.—William M. Tomlin, president of the Empire State Surety company, New York, and Samuel Brewster, treasurer of the Aetna Indemnity company, New York, saved a young woman riding a bicycle from plunging over the cliff into the Niagara river, yesterday morning.

The girl was riding her wheel down the ferry hill when the chain broke, depriving the rider of the control of the machine, which rushed headlong toward the precipice, over which she would have been whirled to death but for the promptness of the two men, who caught the bicycle a few feet from the bank.

AN IMPORTANT DISCOVERY.

TYPHOID GERMS RENDERED HARMLESS BY

MONTSERRAT OR SOVEREIGN LIME FRUIT JUICE.

No medical discovery, unless it were an antidote to tuberculosis could be more welcome than this by which typhoid germs can be rendered harmless.

The story of the discovery is an interesting one. The National Drug and Chemical company, of Canada, Limited, were aware that Montserrat Lime Fruit Juice had extensive use as a whole-some beverage in the British Navy and Mercantile Marine, and that it was valued as a preventative of curvy among the sailors.

This suggested that Lime Fruit Juice might also have other medicinal value. Accordingly, samples of "Montserrat" and "Sovereign" Lime Fruit Juice were submitted to the Molson Laboratories of Pathology and Bacteriology at McGill University, Montreal, with instructions to test the Lime Fruit Juice by careful experiment.

The report received clearly established that both "Montserrat" and "Sovereign" Lime Fruit Juice have a positive germicidal action upon the organism of typhoid fever.

For readers who may not be posted it may be explained that typhoid fever results from poisonous germs, or bacteria, as they are also called, which get into the human system, and multiply there, localizing themselves chiefly in the intestines.

Many forms of disease are now prevented or cured by administering substances inimical to the germs that produce the disease, and now comes the good news that so simple and agreeable a remedy as "Montserrat" or "Sovereign" Lime Fruit Juice will act as a preventative of typhoid fever. This means much. For every family can protect itself against typhoid infection in the water supply by using "Montserrat" or "Sovereign" Lime Fruit Juice. Care should be taken to add the Lime Fruit Juice to the drinking water at least fifteen minutes before using.

And at the same time that it is a medical preventative, it is an inexpensive, refreshing and most palatable summer drink.

Put into every-day English the report states that one tablespoonful of "Montserrat" or "Sovereign" Lime Fruit Juice added to a tumbler of water killed the typhoid germs entirely in from thirteen to fifteen minutes.
