EACH OUT TO WIN

THE RACE IS ON FOR THE FIRST POSITION.

Cole, the Deseronto Marathon Runner Will Try to Win the Nelles Shield—General Sporting Notes.

The Victoria-Irishmen game at the locomotive works' picnic, on Saturday is causing a great deal of interest to the fans. After the disputed game of a few weeks ago the teams are all the more ready to go at each other and each one is out to win. The C.L.C.-Napanee game will not be slow by any means, as both teams are sure good ones.

Game At Cricket Field.

There was a great game of baseball at the cricket field, on Tuesday afternoon, when "Senator" Powell's pets at Richardsons' elevator, succeeded in trimming the M. T. Co. ball tossers by a score of thirty-nine to eight. The Senator's bunch were out with their batting clothes and the scorer had too much work, and threatened to throw up his job. The M. T. Co. men were game, however, and put up a great fight. They feel confident that they can trim their opponents in a second game, but the other team says that there is simply nothing to it. "Joe" Gratton, one of the old-timers, was in the game and, although some declare that he was in his old-time form, others say that the wind was hard hit and that he had a hole in his hat. At any rate, he was on the winning side, and that is something. Joseph Sullivan was the slab artist for the M. T. Co., with Robert McKee behind the bat, and it fell to the lot of Henry Ress to send the "twisters" over the plate that made the other members dizzy. B. Stansbury was the catcher. "Eddie" Webster umpired for a few innings, and then F. Birch came to his rescue. They filled the bill O. K.

Will Be In Good Trim.

The lacrosse team had a good workout on Tuesday evening at the cricket field. The boys are taking more interest the last couple of days and are getting in good trim. From present appearances Prescott will get a trimming on the civic holiday, and if they do the locals should win out. Singhton, Bolton, Porter, Charles, Asselstine, Cousins, Burch, Ludlow, Barry, Morris and Pierce were among those out on Tuesday evening.

To Try The Course.

Cole, the Deseronto runner, will try the city five mile course for the Nelles shield, next week, to try and lower the time set by Cadet Watts last fall. Cole failed by over a minute to lower the record last time he tried, going to pieces in the fourth mile after running three very hot ones.

Sporting Notes.

At Atlantic City Hans Holman won the Marathon on Saturday in 2:50. Pat White was second and Pat Dineen third.

Tom Humphrey, the ex-long distance running champion and lacrosse trainer, is in charge of Tom Longboat's training.

The track record for five and a half furlongs at Fort Erie was surpassed by T. M. Greene, and Apache ran a mile in 1:39. The latter, a four-year-old brother to the Derby winner Pinte, was bought after his race at private sale for $1,500 by William Walker.

Pitcher Kellogg, of the Toronto ball club, was turned over to the Reading club of the Tri-State league. Kellogg is a southpaw with good curves, but lacking in control. Toronto secured him from the Philadelphia Athletics.

"America is a great country to make money in; also to make fame in," is the concrete opinion of Dorando, the Marathon winner, in an interview at Genoa, according to a special cable despatch. "Both came easy," he adds. "You make the money; other people make you the fame."

Tom Flanagan has resigned from the Irish-Canadian club, Toronto, of which he was founder. Flanagan started the club in 1907 and ran it practically single-handed up to date. While the club had a set of officers the entire management was vested in Flanagan, and he ran the club according to his own ideas and opinions. He conceived and carried out all the club's operations and only reported to his executive after things were over.

Society item from San Francisco: In the presence of all his sparring partners and seconds Young Corbett was married to Miss Daisy Mersereau of New Orleans at his training quarters in San Rafaal. Bill Shannon, ex-prizefighter, acted as best man. Among those present were the Sullivan twins, Mike and Jack. Corbett and his wife will probably settle in Southern California. Corbett is anxious to get one more fight with Young Erne, but it is doubtful if any manager will stage him after his bad showing yesterday.

N. H. Crowe, secretary of the C.A.A.A., received a letter yesterday morning from Bobby Kerr after his race in the English championships. Bobby says in the letter that he would have won handily if he ran the way he did in the Ottawa meet, and 9 4-5 seconds would be the time to win in. "I just didn't seem to have the finish to my races like I should have had," said Kerr; "whether it was the weather that was the cause or not I don't know. Of course I wasn't in the best of condition and that may have had something to do with it, but I think the climate was as much as anything else to blame."

That Jack Johnson is not in condition to meet anybody outside of a lightweight for some time to come is apparent. That he will never clash with Jim Jeffries was volunteered by himself. "The $1,000 I offered to bet some time ago that Jeffries never would post a forfeit to meet me or anybody else in the ring goes," said the champion. "Jeffries never had the slightest intention of covering my $1,000 and he never will. The fact that I was to meet Jeffries yesterday was simply a press agent yarn. I never promised anybody that I would be there. Neither was I hurt in an automobile accident at Cedar Lake, but I am through with that burg."

Not That Kind.

Lippincott's Magazine.

A Baltimore man was recently showing his nice new opera hat to his little nephew, and when he had caused the top-piece to spring open three or four times the youngster was delighted.

A few days thereafter the uncle, during a visit to the same household, brought with him a silk hat of the shiny, non-collapsible kind. When he was about to leave the house he encountered the aforesaid youngster running down the hall with what looked like a black accordion.

"Uncle Ed," observed the boy, "this one goes awfully hard. I had to sit on it, but even then I couldn't get it more than half-shut."

"A special carload of peanuts ordered for the Locomotive Works' employees' picnic, Lake Ontario Park, Saturday, July 24th."

Sir Robert Hart is said to have practically decided not to take up his onerous duties as director-general of the Chinese customs.

The cool evenings make sitting out in the parks not very desirable.

Iroquois, Ont., July 21.—A narrow escape from death, by lightning, in a thunder storm, is reported from Matilda township. The bolt put five holes through Mr. Hamilton's hat and scorched his hair.

To Keep Light Dresses Clean.

Woman's Home Companion.

Magnesia may be obtained either in powder or in square cakes, and it is very effective in cleaning laces, and delicate fabrics. Sift or rub it on the parts to be cleaned, and lay them away in a box or drawer where they will be undisturbed for a day or so and then shake them out. It is a very good plan to apply the magnesia in this way when putting away party dresses that have become slightly soiled. The magnesia absorbs the dust, and when you take the dresses out to wear them the next time they will be fresh and dainty. The magnesia is also effective when applied in the same way for removing grease spots.

HOW HE TOLD TEACHER.

Little Johnny Had Diphtheria and Should Go Home.

A fair young substitute in one of the public schools recently was given a fright from which she has not yet recovered. Incidentally, it has changed somewhat her firm conviction that children should always be treated kindly rather than peremptorily. The other day during the early morning recess, when the children were out on the street and in the yard for a breath of fresh air, a tiny little shaver, with eyes wide open and face flushed, burst into the room and stood almost speechless before the fair young substitute's desk.

"Kin you tell me where Johnny Jones is?" he gasped.

"Is anything the matter with him?" cried teacher, very much alarmed.

"Aw, no; there ain't nothing the matter with him much," explained the little shaver, somewhat abashed.

"Oh, then, what did you frighten me for that way?" teacher reprimanded him. "And will you tell me what is the matter with you that you are using such perfectly atrocious grammer? Don't you know that you mustn't say ain't and kin—"

"Well—er, teacher," the little shaver muttered. "I didn't mean to talk that way, but his mother told me to just drop everything and not pay no attention to nobody until I told you. His mother said send him home right away. The doctor just told her that Johnny got the diptheria."

Live and let live is a good motto, but it does not refer to the house fly. The swifter a man's head the more he is inclined to butt in.
