

Told in Twilight

The Hay City, Mich., Tribune says: Thursday noon at her home on Marquette avenue, Mrs. C. S. Ruttle presided at a very pretty luncheon, given in honor of her niece, Miss McCormick, of Kingston, Ont. Pink and white roses were placed on the table. The favors were tiny pink baskets tied with ribbons and filled with nuts. Cards decorated with sweet peas marked places for Mrs. William Finn, of Chicago; Mrs. John Mercer, Miss Florence Handy, Ruttle, Ford, Ella Ford King, of Kalamazoo; Gilbert, Mabel Gilbert, Madeline Gilbert, Hauxhurst, Grace, Metcormick, of Kingston, Ont., and the hostess.

The departure of Mr. Charles Dalton for such a faraway post—Vancouver—is causing much regret among his many friends. With young and old, "Charlie" has been a great favorite, from small boyhood on, till now his bank is taking him off to the coast to serve its interests there. Never one more helpful than "Charlie" and many a time and oft there will be the lament heard, "Oh, if we only had him here. His success is assured and a success of the best kind, for he has all the qualities that make for it. Here's wishing him a pleasant trip and the hope that it will not be so very long before he can come east to see us all again."

THE WORK OF RIELLY

B G CROOK SMASHED CON-STABLE IN FACE

Made a Daring Attempt to Escape From Police Station, But Was Captured.

London, Ont., July 21.—James Rielly, a well-known crook, who has served several long terms in Hamilton and Toronto, made a daring attempt to escape from Constable Smith in the police station. Rielly is a huge man about six feet five inches tall, and while being brought from the cells, he threw himself on the floor, with a terrific blow in the face, knocking him to the ground. He had to go down a corridor to escape, and while doing so other officers captured him.

Rielly was arrested at the G.T.R. station on a charge of stealing property of David Grant, a Chicago traveler. He was about to board the train for Toronto, and was wearing Grant's coat, which would not begin to button around him, and which left a foot and a half of his arm showing. He had taken the coat and other property from the coat and by means of the coat, the police had an easy job locating him.

He was committed for trial at the next sessions on a charge of stealing, and will appear in a week for examination on the charge of assaulting Police Constable Smith.

STRIKE OVER.
Butler, Pa., July 21.—All the striking workmen at the Standard Steel Car shop, and concerns, here, returned to work this morning as the result of a mass meeting, last night, at which Rev. Father Bezczewski, in whom most of the strikers have implicit faith, advised the men to return to their trades, on conditions agreed to by the company.

GETS FINAL CURTAIN.
Tears For Man Who Made Thousands Laugh.
Muncie, Ind., July 21.—Alone, far from relatives, if he has any, but not neglected, Eddie Powers, a "black face" comedian, died in a local hospital. He was 39 years old. Heart disease, claimed the doctors, had made thousands laugh, and he had made them faithful to his role, refusing to regard his condition as serious and jesting with those about him.

He was to have opened an engagement in a local theatre here, but because ill and the doctors who were playing in Muncie theatre at the time, aided by the Theatrical Mechanics' Association, saw that he received proper treatment at a hospital. His death was wholly unexpected. Telegrams to Montreal, Canada, and to Albany, N.Y., where he was supposed to have friends and relatives, failed to bring answers.

AN ARM INJURED.
Misfortune Follows the Young Man.
Arthur Savage, Barrie street, was seriously injured at the Locomotive Works on Wednesday afternoon. The injured man was making a drill when, in some manner, the sleeve of his right arm was caught and before he could be released the arm was broken and otherwise badly injured. The injured man was at once removed to the Hotel Dieu for treatment.

At the time of going to press nothing could be found out as to how seriously he was injured, or whether his arm could be saved. Drs. Gibson and Quinn were attending him and were still in the operating room at 2:40 o'clock.

Mr. Savage is about twenty-two years old and has only been employed at the Locomotive Works a few months. He was previously employed at McKelvey & Birch's hardware store, where he was injured about a year ago in an explosion, having his hands badly burned.

Later—Dr. Quinn stated, at 3:20 p.m., that Savage had his arm broken and badly cut, and also had some cuts inflicted on his face. The arm will be saved and Savage will be able to go home in a few days.

FUTURE OF THE SHAH.
Russia to Provide Him With a Palace.
St. Petersburg, July 21.—The newspapers state that the government has agreed to provide a residence for the ex-shah of Persia and has offered him the palace built at Kaluga, ninety-five miles southwest of Moscow, by Empress Catherine, for the last Khan of the Crimea.

The ex-shah has an annual income of 80,000 rubles, Russia, accordingly will not pay him a subsidy.

In A Serious Way.
Stratford, Ont., July 21.—Of the victims of the explosion of last night, Miss Alma Kischel lies at the point of death at her home and William Evans and his wife are at the city hospital, the latter in a most serious condition. Godfrey Kischel and his son, Godfrey, are at their homes suffering from painful injuries. It is doubtful if Miss Kischel will recover but hopes are entertained of Mrs. Evans.

Plumbers had been at work in the house and Mr. Evans lit a match to test a joint, not knowing at the time that the house was full of gas, and an explosion resulted.

Was Severely Bruised.
Morven, July 20.—The recent showers are reviving everything. Haying is the order of the day. Mr. Luscher met with an accident the other day. He was out on the tongue taking the line from under the tongue, when the horses took fright and started to run away. The wagon passed over his body, causing several severe bruises. He is doing as well as can be expected. J. Frank's new barn is nearing completion. Miss Gladys Parks, Hawley, was visiting at her aunt's, Mrs. D. R. Hicks, last week.

Smallpox In Kitley.
Word was received in town of a well-developed case of smallpox, in the township of Kitley, three miles from Telemo. The patient is a young man named Ernest Bell, son of William Bell, Dr. Bourns, of Frankville, the medical health officer, has taken the usual precautions of isolating the house where Bell and the other occupants are quarantined.

Making old men out of boys often means making bad men out of them.

PITH OF THE NEWS.

Excise Reports For Fiscal Year
Show Canada is Growing Good Except in Lager.

Ottawa, July 21.—The excise returns for the last fiscal year show a continued tendency in Canada towards a larger per capita consumption of beer and a small consumption of liquors containing a higher percentage of alcohol. In 1906-7 the per capita consumption of spirits was 861 gallons. For the last fiscal year it was 806. The per capita consumption of beer, was 5,348 gallons. In wines the per capita consumption shows a slight decrease from 491 of a gallon per capita two years ago to .985 last year.

The per capita consumption of tobacco last year was 2,910 pounds, as compared with 2,955 pounds in 1906-7, the slight decrease being doubtless due to the general financial depression.

TO BEAUTIFY OTTAWA.
To Ask the City For a Fringe of Land.
Ottawa, July 21.—A big scheme for enhancing the beauty of the capital will be outlined in a conference in Mayor Hopewell's office between Sir Wilfrid Laurier's office between Mayor Hopewell, representing the city; Joseph Riopelle, of the Ottawa improvement commission; Alexander Stewart's representative, and Lieut. Col. Fiske, director of parks.

It contemplates an extension of the driveway from Major's Hill Park to appropriate a fringe of property of the West side of Sussex street near the Queen's Apartments and lying north of Cathcart street. The estimated cost of these is about \$40,000.

There is also to be a plaza between the Sappers and Dufferin Bridges with a statue of Thomas D'Arcy McGee (ed) thereon.

A FRIENDLY SCUFFLE.
Led to the Death By Drowning of a Man.
North Bay, Ont., July 21.—Thomas Jamieson and John Bussey, while returning in the steamer Hazel B, from a fishing trip, with others, last evening, were having a friendly scuffle when they fell overboard from the gangway to the water. The steamer was stopped immediately and a boat lowered and Bussey was picked up but Jamieson sank before the boat could reach him. Jamieson leaves a widow and six children here. He was once a C.P.R. conductor but had been for some time in business here.

FINED HIM \$100.
Claimed the Hotel Man Had Given Whiskey.
Iroquois, Ont., July 21.—The first case of violation of the local option, in Iroquois, came up for hearing before Magistrate James Collicott and Thomas Hamilton, when Charles Hawley was charged with selling or disposing of liquor to George Stewart. The evidence showed Stewart had received one bottle of liquor from the defendants and the magistrates held his was a violation of the liquor law and fined Hawley \$100 and costs. Hawley will appeal.

FORGOT THE CHEESE.
Hammond, Ind., July 21.—"Tom" Manger, proprietor of the Indiana Harbor Express company, bought a piece of Limburger cheese. It cost him \$150 before he was through with it. Manger's wife refused to tolerate it in the house, and so he tied it to a wall outside of his house and the freight train followed by a crowd forgot about the cheese and his wife told him that there was something wrong with the plumbing, and in searching for the trouble, the plumber practically wrecked the house. The plumbing and other bills amounted to \$150.75.

Wheat At \$1.10 A Bushel.
Toronto, July 21.—Ontario's first wheat was marketed in Toronto, yesterday at \$1.10 or ten cent lower than the present quotations for old stock. A carload was ordered by a Toronto dealer at that price from Norfolk county, where threshing is now proceeding.

Will Hear Arguments.
Ottawa, Ont., July 21.—After inspecting the proposed entrance of the N.T.R., at Winnipeg, Messrs. McLeod and Scott, of the railway commission, returned, today, from the west. The C.P.R. and C.N.R. are opposing the N.T.R. entrance and the arguments will be heard here next week.

ACCUSED OF DESERTION.
Detective Looking Up a Watertown Man.
According to a charge that is made, a Watertown man deserted his wife and three children, in that city, and came to Kingston, to live. A detective was in the city from that place, today, and it is likely that steps will be taken to have him return to his family.

The accused, so it is stated, has been living in this city for a couple of months, but has not been working. He disappeared rather mysteriously, and it was only a few days ago that his whereabouts were made known. As yet, no charges have been made against the man, and an endeavor is being made to have it settled as quietly as possible.

Looking For Corner Stone.
Montreal, July 21.—The corner-stone of St. Gabriel Presbyterian church, St. Catharines street, which recently was razed to make way for a commercial block, has been lost. The church was built by the Congregationalists, but the latter have waived any claim to the lost corner-stone and Rev. Mr. Roy, minister at the time it was built, is busy hunting for it. The contractors think the stone must have been covered with mortar in such a way as to pass unnoticed among other stones and been carried away.
