Starvation Treatment a Failure

The Sensible Cure for Indigestion is "Little Digesters"

Probably because the taking of food causes such intense discomfort, many dyspeptics think that by abstaining from this and that—practically starving themselves—they can cure the trouble.

Of course, where indigestion is caused by sheer gluttony, cutting down the food would no doubt do good. But in most cases indigestion is caused, not by overeating, but by lack of physical exercise, and consequent lack of vigor of the organs of digestion.

The dyspeptic needs plenty of good, wholesome food. He can eat it, and DIGEST IT, TOO, if he takes a "Little Digester" after each meal.

"Little Digesters" help the weakened stomach to do properly that which it cannot do alone—digest and assimilate the food needed to build up the system.

Aching in the Stomach.

Bilious Headache, Sluggish Liver, Indigestion and Stomach Disorders.

Dr. Hamilton's Pills Cured.

"From using a cheap remedy recommended by an unscrupulous druggist, my condition was made much worse," writes Miss Minerva E. Michie, daughter of a well-known citizen of Portland. "I suffered so terribly with indigestion and biliousness that the very sight of food made me shudder. It was two years ago my health began to fail. At first I had constipation, liver sluggishness and occasional headaches. My appetite was variable. I wanted too many sweets, then I lost all desire to eat and had constant aching in the stomach, attacks of dizziness, pains between the shoulders, stifling feeling after meals, and felt I wasn't going to recover.

"The moment I used Dr. Hamilton's Pills I felt better. After I had taken a few pills my chest and back were relieved of pains, and my head felt clear and no longer was full of blood and rushing noises. I kept on using Dr. Hamilton's Pills and slowly but surely my appetite returned and I gradually regained strength, color and spirits. To-day I am as well as ever and attribute my present splendid condition entirely to Dr. Hamilton's Pills.

If you are troubled like Miss Michie and most people occasionally are, do not let a medicine do you so much lasting good as Dr. Hamilton's Pills. Beware of the druggist that asks you to take anything in place of Dr. Hamilton's Pills, which alone can help and cure you. 25c a box, or five boxes for \$1, at all dealers, or the Carterhorne Co., Kingston, Ont.
