THIRTY MINUTES

ENOUGH FOR MAN TO WIN A WIFE.

General Hutchinson Says So and He Surely Ought to Know, For He Accomplished It.

Chicago, Aug. 19.—(Gen. Thomas S. Hutchinson, who has been prominently mentioned by the governorship of Tennessee, and Miss Louise Cleatham, of Clarksville, Tex., were quietly married recently, and are spending their honeymoon in Chicago. The general says it ought not to take a man more than thirty minutes to win a wife.

At their apartments Gen. Hutchinson told of his courtship and marriage while his bride nodded her approval. "It was this way," said the general. "I attended the Confederate reunion in Memphis in June. I was on Governor Patterson's staff, and my wife was maid of honor from Texas.

The governor introduced me to Miss Louise Cleatham a few minutes after her arrival in Memphis. I looked into her eyes and saw that I loved her. I pushed her out of the crowd, told her that I loved her and asked her to be my wife. I did not wait for her answer. I took it for granted it was 'yes.' The whole transaction did not take over thirty minutes. When we returned Miss Cleatham's friends stated as if I owned her.

"Every man could win a wife if he followed my example. The man who hesitates in warfare or business is lost. Why should he take months in winning a wife. Thirty minutes is long enough."

OFF SEASON FOR SALMON.

Run in British Columbia Not Very Large.

Letters received from British Columbia state that the run of salmon this year will not be very large. It appears that the good run previously reported was of the lower grades, the sockeyes, or high-quality fish, being very scarce this season.

Chased By Skunk.

A local bank clerk had quite an experience with a skunk-stuffed-at rock Point camp, one evening this week, but the youth was just as much afraid of the stuffed animal as fair maiden ever was of a mouse. The young man in question was sitting on the verandah of one of the summer homes at the camp, when he saw the animal coming slowly towards him out of the trees. He asked what it was, and when told it was a skunk, he started to back up. As the animal proceeded he backed, and after backing clean through the house, in the front door, and out the back, he started to run and run he reached the city, and all the way home was looking behind him to see if the little friend was following him.
