VICTORIAS ON TOP

THEY WON THE GAME AT THE PICNIC.

The Irishmen Led Up to the Third Innings—Then the Victorias Shut Off Further Scoring—Result of Races.

The fourth annual picnic of the Street Railway employees was held at Lake Ontario park, on Wednesday afternoon, and was a great success. The weather was ideal, warm and bright enough to bring everybody out of doors. The amusements were good, and were numerous. There were races in the body of the park, for young and old, men and women, and all were well filled and interesting. An energetic committee was on the ground all the time and saw that everything was running as it should be. During the day the cars were decorated with flags, bunting, etc., and looked fine. The people commenced going to the park about one o'clock and by 4:30 o'clock over 1,200 tickets had been taken in at the gates.

The main attraction, of course, was the baseball game between the Irishmen and Victorias, in which the latter won, 10 runs to 3, after a very good game. The game drew an extra crowd and at times the excitement ran high. Each team had a large bunch of supporters and these kept things going merrily.

When the game opened, rather late on account of some of the Victoria players, the Irishmen settled down to business, getting two runs in the first innings. Things were also shrouded a little in mystery, as it was rumored that a pitcher from Belleville was to throw for the Irishmen, but this was not so, as Gordon Randall, an old Kingston player, threw for them, and threw a good game.

The Irishmen went to bat first and landed two runs, after hitting Gillespie for a double and a single. This was "Gillespie's" first game in about three weeks, and he was a little nervous.

When the Vics. came to bat, they went out one, two, three, and for a few moments matters seemed blue for the blue and white supporters. The Irishmen came in again and landed one more run. Ewart getting around, aided by two errors. This made the score three runs to nothing and was too much for Capt. Nicholson's Mastodons, hence he gave the signal for a general jubilee, and when the innings was over the score stood a tie, three runs all.

In this innings the Victorias landed one double and two single hits, scoring the three runs. This ended the scoring as far as the Irishmen were concerned, for during the next seven innings, Gillespie held them down to only two hits, one of which was a long drive into left field by Dehany, good for three sacks, but he was caught sneaking home by the wily Cotman, who is this year, playing the best ball of his career.

After the second innings it was all Victorias, the winners landing seven in the innings. At times it was fine ball, and then at others a glaring error would mar the proceedings. The teams went to bat.

The prize waltz was won by Frederick Paynter and Miss Ferguson, Joseph Mozier and Frank Redden, acted as judges.

No Ear For Music.

A Kingston magistrate has decided that a man with a gramophone is entitled to work the instrument of torture within the hearing of passers-by on the public street, it being no more offensive than a steam whistle. This is bad news; it also shows that the Kingston magistrate is one of those fellows without music in his soul, and we all know what the poet has said about that man.
