MARVELLOUS WORK
 BY A YOUNG PRIVATE AT D. R. A. MEET.
 A Handsome Silver Cup Given to Crowe, of Guelph—Every Province Represented by a Team in a Match.
 Special to the Whig.
 Ottawa, Aug. 26.—Capt. Crowe, Guelph, on behalf of his son, has just received from the Canadian Rifle Association, through Col. Tilton, a handsome cup won during the year's matches.
 There was marvellous shooting here, today, on the 200, 300 and 500 ranges. In the Governor-general's match last series, a young private, Bibby, of the 77th Dundas, scored 102 out of 105. Sergt. Russell, Ottawa, scored 101 and Sergt. Wright, 43rd, Ottawa, 100, all going into the second series of this blue ribbon event of the meet. Russell has won the grand aggregate.
 Today a team of eight men, from every province, is shooting in the provincial match. For the first time in Canada's history, all the provinces are represented. A 43rd Ottawa team was credited with winning the Walker cup, but it is found there has been an error in calculation; instead it goes to a team of the 134th Hamilton.
 In the grand aggregate, Russell, first with 334 points; Sergt.-Maj. Dymond, Toronto, Sergt. Clifford, 10th Regiment, and Corp. Freeborn, Hamilton, are tied for second place, with 325 points each.
 It is announced that the Ontario team of eight, won the London Merchants cup, British Columbia was second.

Rifle Shooting On States.
 Camp Perry, Ohio, Aug. 26.—The National Rifle team match was won by the U. S. navy winner in 1907, by the score of 3,708, being 584 ahead of the United States infantry, winning the score last year. The navy gets the national trophy and \$450. The U. S. infantry took second prize, Massachusetts was third, New York, seventh. In the skirmish scores New York was seventh and as winner in class B, took the \$3,000 Hilton trophy with \$350 prize added.

DEATH OF MRS. MACFARLAND.
 Passed Away at Her Home on Nelson Street.
 The death occurred on Thursday morning at 8 o'clock, of Mrs. Macfarland, wife of John G. Macfarland, at the family residence, 220 Nelson street. Mrs. Macfarland had been in failing health for several months. Her maiden name was Elizabeth Hyland, and she was a daughter of the late John Hyland, of Kingston township, where she was born. She was a resident of the township of Pittsburgh, for over fifty years, but had been in Kingston for a little over a year. She is survived by two daughters, Mrs. James Brebner, of Cataract and Miss Agnes, at home and three sons, Maxwell Macfarland, of Williamsville, Rev. J. F. Macfarland, of Warkworth, and W. A., on the old homestead.

NOT PAID UP YET.
 Chinamen Slow in Putting Up the \$50 License.
 Although it was stated by counsel for the Chinese laundrymen, in police court, that all the Celestials would be advised to pay up, not one of the laundrymen have, as yet, paid in their money, at the city treasurer's office.
 The Chinamen are very much opposed to putting up the \$50, and appear to be putting it off until the last minute.
 In Chatham, the city council has taken up the laundry question, and passed a by-law making the license fee \$50.

TO LOAN WARSHIPS.
 Canada's Fleet Will Be of British Type.
 Special to the Whig.
 London, Aug. 26.—The Canadian Associated Press learns, on high authority, that two third-class cruisers are to be loaned Canada by Great Britain for the Pacific, the other for the Atlantic. These ships will require some outfitting and some alterations which can be made on this side at Canada's expense. Officers for the vessels also have to be loaned to Canada and paid by her. When Canada builds warships, which are to be of British type, they will be built in Canada. Representatives of leading shipbuilding firms will shortly proceed to Canada to select a site for the shipyards.

ASIATIC CHOLERA.
 Has Made Its Appearance in Rotterdam.
 London, Aug. 26.—The government, today, alarmed by the discovery of a number of well developed cases of Asiatic cholera, in Rotterdam, began the consideration of means of preventing the disease from reaching England. It is admitted the task will be a difficult one, in case the cholera gets a good start in Holland, as numerous Dutch vessels daily visit nearly every English port. To-day's dispatches say twenty-eight new cases of cholera have been discovered in Rotterdam and that the disease, already has caused five deaths.
KILLED 240 SOLDIERS.
 An Explosion in Yemen With Sad Results.
 Vienna, Aug. 26.—The Madhists rebels in Yemen province, in South-Western Arabia, have dynamited the Turkish barracks, killing 240 of the soldiers, according to messages, today, from Constantinople. The exact location of the barracks is not stated. Turkish troops are now scattered through Yemen, but it is expected that, owing to big arrears in their wages, they are refusing to fight the rebels. The Madhist movement is declared to be wholly revolutionary.

TO GET INCREASES.
 Ottawa, Aug. 26.—F. A. Ackland, deputy minister of labor, from Fort William reports that a finding has been arrived at by the conciliation board and now only lacks the signatures of some of the parties. It was ascertained that the men who were receiving 18 1/2c an hour for day and 2 1/2c for night work will receive a substantial increase.

FOR RIFLE ASSOCIATION.
 Movement on Foot to Organize One in Kingston.
 There is a movement on foot in Kingston, to organize a rifle association, and there is no doubt that it will be carried out on a most successful basis. The association will be for civilians only, and arrangements will probably be made to have weekly shoots. Several Kingstonians are taking an active interest in the proposition. Such an association, if it had the requisite number of members, would receive support from the government, in the way of being supplied with rifles and ammunition.
Ordered To Quit.
 County Constable Robert Smith, on Thursday, went to Williamsville, and told a family living there to "go to the moon." They have made any real estate and more than that the neighbors complained of the actions of the family. Somehow the female portion of the contingent got wind of the coming of the constable and cleared out, leaving all the furniture, and edibles in the house. A watch will be kept and as soon as they return they will be put out.

Wolfe Island Notes.
 Wolfe Island, Aug. 25.—The Trinity church lawn social, on Tuesday evening, in W. B. Card's grounds, was a decided success. There was a large crowd from Garden Island, also a large number came over on the boat from the city. Dancing was the principal amusement, Davis' orchestra furnished excellent music. The members realized about \$150 net. Mr. Cole and wife and Miss Alice Keys, Chatham, are on the island visiting friends. Frank O'Shea is home from Chicago. Miss Mary Laron and Edward McLaren, Buffalo, and L. J. Spoor, Toronto, were here to attend the late Malcolm McLaren's funeral on Saturday morning. Mrs. McCormick and Agnes, city, are guests at Mrs. W. Brieland's. Miss Graham and five other teachers of the city have taken charge of the village public school. Miss Edna Fleming, city, has taken the Head of the Island school for this season.
 Miss Annie O'Riley, city, at F. Brieland's. Miss Maggie Water, Toronto, is home on a visit. The thrasher from the city, having a busy time, can be heard in many places now. The grain crop is a fair one throughout the island. Richard Laughlin left for the west on Tuesday morning. F. Brieland sold a fine Clyde horse to Mr. Swift, Kingston. The Ridge school is holding a dance in Mr. Abbott's grove on Thursday evening. Misses Sleeman and Miss Nora Hogan have in charge, and it certainly will be a grand success.

Some needed repairs are being made to the separate schools, in preparation for the opening.

CAUSE OF DEATH.
 Special to the Whig.
 Norwood, Ont., Aug. 26.—That the death of Thomas G. Willoughby was due to arterial sclerosis was the opinion expressed by Dr. Sutton at the inquest into the death of Willoughby and his little girl, Stella, who was shot by her father a week ago yesterday. Willoughby's stomach, which was sent to Toronto, for examination, had not been returned as the analysis was not completed, and the inquest, therefore, adjourned for a week.

SAME OLD STORY.
 Brockville Realizing Usual "Ownership" Result.
 Montreal Gazette.
 Brockville has just made the discovery that municipal ownership is not all that it is claimed to be. For some years it has, through a board of commissioners, operated its water, gas and electric light services. Annually reports have been issued showing that all were in a flourishing condition. It is not difficult to make a municipal ownership proposition appear profitable in the days of its infancy. Time is required to develop the things which cannot be hidden. But few municipal enterprises in Canada have been in existence long enough to reach this point. The Brockville electric light plant is one of the oldest, and though it should have been kept on its legs a little longer, it is not surprising to learn that the inevitable has arrived. The Brockville Times says that the plant has become badly run down and opinion is divided among the commissioners as to which is the best course to pursue, amalgamation of the plant with the waterworks pumping plant, or a new electric light station. In either event it means that the present plant is only fit for the scrap heap and a big investment will have to be made for a new outfit. Of course the old plant should have provided a depreciation account out of its earnings which would have enabled the commission to replace it without adding to the capital obligation; but municipal plants seldom worry about the future, and even when they do set aside a sum for that purpose it is apt to become merely a bookkeeping asset.

A Y.M.C.A. ATHLETIC FUND.
 Boys Are Fast Getting Into Shape For the Big Meet.
 The athletic field was a very busy place last night, and a good crowd came out, getting in shape for the coming Y.M.C.A. meet. Leo Barry is throwing the hammer in good style, and Summers ran the best quarter mile of the year. "Joe" Adams is in fine form, and will go out to regain the two mile record, and city championship on Friday night.
 The members of the Harrier Club are anxious to send a team to Toronto for the Dunlop trophy five mile team race, and the following men are asked to attend the track and get busy: Edgar Bros., LaRush, Fleming, Day, Casterton. These, along with Adams, Nicholson, Cole, Summers, Moxley, Atkinson, Stinson, would make a good team. In this classic event, the Dunlop is to be run September 18th at Toronto.
