NIP IT IN THE BUD.

First Appearance of Dandruff a Fore-runner of Future Baldness.

That such is the case has been conclusively proven by scientific research. Prof. Unna, the noted European skin specialist, declares that dandruff is the burrowed-up cuticle of the scalp, caused by parasites destroying the vitality in the hair bulb. The hair becomes lifeless, and, in time, falls out. This can be prevented.

Newbro's Herpicide kills this dandruff germ, and restores the hair to its natural softness and abundance.

Herpicide is now used by thousands of people—all satisfied that it is the most wonderful hair preparation on the market to-day.

Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich. \$1 bottle guaranteed. G. W. Mahood, special agent.

CARRIED OFF PRIZES.

Kingston Dogs at the Toronto Exhibition.

At the Toronto exhibition, Nora McShane, owned by T. A. Carson, won first in her class of water spaniels, and was also given first prize as the best dog at the show. This is the dog that Mr. Carson imported from Ireland.

Messrs. Sutherland and McMahon repeated their success of last year, at the exhibition. They sent up three of their part color tocker spaniels, and won the following prizes: Prince Adair, first and third; Belle Adair, first, second, third and two specials; Bessie Adair, first in open part color, second in breeders' class, and reserve winners.

Prince Adair and Belle Adair are only puppies, and their owners feel that they have a very promising pair, and naturally are proud of the showing, as they bred them themselves.

Paid City A Visit.

Miss Orecilla Snodden and Mr. and Mrs. Marquardt, of Jersey City, N. Y., were in the city, over Sunday, the guests of Miss Snodden and Mrs. Marquardt's uncle, Sergeant Snodden. This was their first visit to Kingston, and they were delighted with the city, and its many beauties. They came to the city via Niagara Falls, and left on Monday for Toronto to attend the fair.

NOTICE.

NOTICE IS HEREBY GIVEN THAT John Green of the City of Kingston, in the County of Frontenac and Province of Ontario, butcher, will apply to the Parliament of Canada at the next session thereof for a Bill of Divorce from the said John Green from the said City of Kingston on the ground of adultery and desertion, dated at said City of Kingston, Province of Ontario, this 31st day of July, 1909.

JUMPED OFF A TRAIN

WILLIAM JAMISON MET WITH SERIOUS ACCIDENT.

Got Off Train at Outer Junction Saturday Night, Before It Stopped—Was Unconscious For Several Hours—Taken to the General Hospital.

As the result of an accident at the outer junction, on Saturday night, William Jamison, living on Barrie street, is confined to the general hospital, suffering from serious injuries.

Mr. Jamison was returning home from Peterboro, on the local train, early in the evening. In his hurry to get off the train, he went to the steps on the north side, and jumped before the train that he was thrown heavily on the ground. He had been sleeping on the trip down, and it is supposed that he was in somewhat of a dazed condition, when he went out on the steps.

Just after the train pulled up to the station, Mr. Jamison was found in an unconscious state, by Dr. W. G. Mylke, who happened to be on the same train, and who at once rendered assistance, afterwards having the injured man hurried to the general hospital, in James Reid's ambulance.

Mr. Jamison remained unconscious until nine o'clock, on Sunday morning, when he took a change for the better. His condition was so serious, on Saturday night, that it was believed that he would only live a few hours. It is believed, that in his fall his head struck against one of the rails. He suffered a fracture of the skull, and also several cuts about the head, which resulted in great loss of blood.

Mr. Jamison is a plumber, and has been engaged in work at Peterboro. A son, Stanley Jamison, employed at S. Corbett's, left for Toronto, on Friday morning, and hurried home, upon receipt of the telegram, telling him of his father's mishap.

At the hospital, to-day, it was stated that Mr. Jamison was doing nicely, and that he had a good chance for recovery.

ROBERTS-NEWMAN

Pretty Wedding Ceremony at King Street West Home.

The home of William Newman, King street west, was the scene of a pretty wedding, Tuesday morning, when his youngest daughter, May, was united in marriage to W. Charles Roberts, of the C.P.R. offices, Montreal. The bride was beautifully decorated with plants, chrysanthemums and other cut flowers, the bridal arch being a lattice of white ribbon, intertwined with asparagus fern, and scattered here and there with white flowers.

At ten o'clock, to the strains of Miss Edith Newman's march, played by her father, who gave her away. She was daintily clad in a gown of pure white mull, profusely trimmed with lace, and wearing a veil fastened on her pretty brown hair, with sprays of lily-of-the-valley. She carried white roses. The ceremony was performed by Rev. Dr. W. S. MacTavish, in the presence of only immediate relatives, after which a dainty breakfast was served. The bride's travelling dress was of navy blue broadcloth, with just a touch of red and gold, with becoming hat of Alice Blue velvet.

A goodly number of very beautiful substantial cheques, spoke volumes as to the popularity of the happy couple. Mr. and Mrs. Roberts left, via the C.P.R., for the east, at noon. They will reside in Montreal.

First Baptist Church.

Rev. Mr. Metrustry, of Cork, Ireland, preached in the First Baptist church on Sunday evening. His theme was "Ireland's Need of the Gospel." He spoke of it as a land being rapidly forsaken by its discouraged people. The conditions under which the people live greatly hamper their freedom, and discourage their ambition. The more enterprising amongst them are ever leaving in large numbers, for America, resolved to seek their fortunes in the new world, and awakening a desire for a better education is taking possession of the rising generation. Mr. Metrustry says that a better system of education is greatly needed.

Visited Gananoque.

The Salvation Army band paid a visit to Gananoque, on Saturday night, and Sunday, and rendered able service at the army services there. On Saturday night, they rendered a concert, and delighted the large crowd present, with their sweet music. The trip was made on the steamer Stranger, and Capt. Hammond gave them a fine run. On the return trip, Capt. Christmas, bandmaster, who, by the way, is an old sailor, piloted the boat, and all hands made a rush for life-preservers, but they were not needed, as Capt. Christmas has not forgotten his marine training by any means. The joke caused much amusement on board.

Special Labor Picnic Prizes.

On Monday evening, at Lake Ontario Park, there was a special drawing, for a building lot on Stephen street, and was won by the holder of ticket No. 240. The owner is not known, but is requested to report at Labor hall, to secure deed for the lot.

The silver tea service, donated by the management of the Bijou Theatre, was won by the Lake Seamen's Union. It is for the wives of union men, and the draw-off will take place on Thursday night.

Bridge Toll-House Robbed.

Some time during Saturday night, someone made off with about \$5 from the tollhouse, at Cataragui bridge, money taken in for toll over the bridge. The money was kept in a box, and the thief made off with all its contents.

No Lacrosse Match.

There was no lacrosse match on the holiday. Gananoque did not show up thus defaulting the game to the Kingston boys.

ENGINEERS' DECISION

As to the Building of the New Quebec Bridge.

Special to the Whig.

Montreal, Sept. 7.—The Montreal-Quebec bridge commission, composed of Modjeska, of Chicago; Vautelet, of Montreal; Fitzmaurice, of England, and Henry Htolgate, of Montreal, as consulting engineers, decided the height of the new bridge should be 150 feet, instead of 190, as was asked by shipping interests; freeway for ships to be 600 feet at least; middle span formerly 1,800 feet, to be possibly 100 feet less. They decided also that the same piers should be used. If the middle span be made 1,700 feet, secondary piers to be built out from main piers.

DISCREDIT COOK

Indian Harbor, Labrador, Sept. 6.—According to Peary's crew, Commander Peary reached the Pole April 6th, 1909, or five months ago, and was the first to reach there. He and his party discredit Dr. Cook's story entirely. They say he had no equipment for such an undertaking and he did not get near the Pole. They say he went west of all the recent explorers in order to secure a section of the Arctic Ocean where his observations could not be checked by those of previous rivals.

INCIDENTS OF THE DAY.

Newspapers Picked Up By Reporters on Their Rounds.

Damaged wheat for sale, 25c, a bag. Foot of Princess street.

William Swaine, piano tuner. Orders received at McAuley's, Phone 778.

The arm of Abraham Shaw has been knitting together badly and painfully. It has had to be broken again and reset.

The Little Candy Cold Cure Tablets called Preventives, will in a few hours safely check all Colds or LaGrippe. Try them! 48-25c. Sold by all dealers.

Local Grocer must have had an extra rush of business on Saturday night, as on Sunday morning his delivery wagon, loaded with provisions, was noticed going through the city streets.

"Knickerbocker bath sprays." Ask to see them at Gibson's Red Cross Drug Store, Phone 230.

G.T.R. No. 1, fast train, on Saturday, had to be divided into three sections, in all twenty-seven cars. The holiday travel was great.

The new orphanage of the House of Providence on King street west, is about completed, and presents a fine appearance. It will be consecrated by Archbishop Gauthier in a few days.

Dr. C. E. O'Connor, eye and ear specialist, has purchased the brick building on King street, nearly opposite St. George's cathedral, and intends to fit it up as an eye and ear dispensary.

Freeman: The board of entrance examiners on reconsideration of the cases of Frederick McDonald and Stanley Gallagher, who were very close to the pass mark at the recent examinations, have granted them both passes. This makes a total of about twenty-four from St. Mary's school.

IN MARINE CIRCLES.

Arrivals and Departures of Vessels at This Port.

The tug Mary, of the M.T. Co., is in the government dry dock.

The steamer Sowards, from Oswego, is unloading coal at Sowards.

The schooner Major Perry arrived from Chatham, and will sail for Sowards.

The steambarge Mary Louise arrived from Morton, to load cement off the cars.

The steamer Wahcondah passed up.

The government boat Scout cleared for Prescott, this morning.

M.T. Co.—Tug Mary, from Montreal; tug Emerson, from Montreal; three barges, steamer Westmount, from Fort William, with 113,000 bushels of oats, cleared for Fort William.

A dredge is at work on Napanee river, deepening the channel.

The work is under direction of Edward H. Pense, engineer, for the public works department, who lately was successful in locating the shoal off the mouth of the Napanee river.

The G.T.R. ferry Ontario No. 1 ran ashore, near Cobourg, on Saturday afternoon. The Donnelly Wrecking Co. was telephoned, and that company's two tugs started out. The car ferry, however, was later released after a portion of her cargo was lightered. John Donnelly left yesterday for Cobourg to represent the underwriters in fixing the insurance damage.

An Ottawa despatch says: "It is learned that contrary to statements which have been going the rounds of the press, work on the middle or 'All-Canadian' channel from Lake Ontario to the head of the St. Lawrence canal system below Prescott, is practically at a standstill. The probabilities are, therefore, that the new channel cannot be opened for traffic until 1911."

To Hold An "At Home."

The Ladies' Aid Society of Queen Street Methodist church, will give an "At Home" in the lecture room on Thursday evening of this week for the purpose of giving the pastor and his family an opportunity of meeting the members of the congregation.

YACHT CLUB CRUISE

TO DOMINION LANDS NEAR GANANOQUE.

Isis and Harmony Won in Their Classes—A Visit Made to the Gananoque Canoe Club's New Building.

In spite of the unfavorable weather, seven yachts started, on Saturday afternoon, on the annual Labor day cruising race of the Kingston Yacht Club, to Dominion Lands No. 1, near Gananoque. The first boat started on the handicap at 2.45 p.m., in a fresh breeze from the south, which gradually increased to a very strong wind, so that the run was made in steam-boat time. In class 1 boats, the Isis McKay's motor boat, and in class 2, the Harmony won out, beating some of the class 1 yachts. The yachts remained in the cozy shelter of the Dominion Lands for the night, and part of the following day, owing to unfavorable weather conditions.

It was intended to cruise down through the islands, but most of the boats spent the night at the Gananoque Yacht Club. An effort was made to put on a sailing race at Gananoque, on Labor day, but it did not materialize. The Kathleen joined the fleet on Sunday morning, also. John McKay's motor boat, and only one of the motor fleet to join the cruise. The other fair-weather motor sailors preferred to remain at home. The fleet left for home Monday afternoon, four of the boats returning by the north channel, stopping for dinner on the way up. The return homeward was commenced in the afternoon, and after a thrash to windward in a heavy wind, the fleet arrived home in good time, the last boat getting in about seven o'clock. In spite of the unfavorable weather, during part of the trip, the cruise was much enjoyed.

The yachtsmen paid a visit to the new club house of the Gananoque Canoe and Motor Boat Association, and found a fine building and a cordial welcome from the members. The building is nearly as large as the local club's, and when fully completed, and a pier built, the eastern club will have splendid quarters.

Late Mrs. Andrew Maclean, Jr.

Mrs. Andrew Maclean, Jr. passed peacefully away, at the family residence, 50 Earl street, at six o'clock, Sunday morning, after a short illness. The deceased, whose maiden name was Helen Robertson Bell, was the daughter of the late John Bell, Kingston township. She leaves, besides her husband, two little children, Andrew, aged four, and Helen, aged six; two sisters, Mrs. Thomas Copley and Mrs. Margaret Butland, and three brothers, Dr. J. A. Bell and Dr. F. E. Bell, Hammond, Ind., and James A. Bell, Pine street, to mourn her loss.

The funeral took place, on Tuesday morning, and the floral tokens were numerous, including some from outside places. The pall-bearers were Albert Glover, Dr. Glover, John Hughes, James Reid, Thomas Copley and Dr. Bell. V. S. Dean Bidwell conducted the service, assisted by Rev. J. W. Jones, of Tamworth. The remains were placed in the vault, at Cataragui cemetery.

The Late Percy Treherne.

The late Percy Treherne, who met death by a fall, was about twenty-five years old and had been a resident of the city for some years. He leaves one sister, who also lives in the city. He was well-known throughout the city and his death came as a great shock to many friends here and outside the city. The young man had been employed at Bishopscourt for some months and was only helping the street car company out on the holiday.

As near as can be found out no one was to blame for the unfortunate accident. The young man lost his balance and fell into the road, resulting in a bad fracture of his skull.

Salvation Army Picnic.

The Salvation Army held a picnic at Brophy's Point, on Labor day, which proved a most enjoyable affair, for the many who attended. The weather was ideal. There was a programme of races which created much interest, and the band, which returned from the trip to Gananoque, in time to take part, rendered a fine programme of music.

To Meet On Thursday.

The arbitrators who are engaged on what it costs to supply electrical power to the street railway from the city plant will meet here on Thursday. It is understood that Prof. Kirkpatrick and R. A. Ross, have chosen Walter Lawrie, of Montreal, as the third member of the commission.

"High class candy," Huyler's, McConeky's, Neilson's and Patterson's. Sold in Kingston at Gibson's Red Cross Drug Store. Phone 230.
