St. Petersburg, Sept. 15.-The Noage Vremya reports that an incident of the utmost gravity has occurred at Harbin, Manchuria, involving the rela nons between . Russia and Germany. The story is that the American and German representatives, at Harbin, protested against the Russo-Chinese agreement regarding the Manchurian railway, and consequently the German consul, Herr Raumuller, advised the Company Negotiating For Two ne German residents to refuse to pay taxes to the Russian officials. The latter, consequently, served a writ on the German firm of Heitzing, who asked Consul Raumuller's advice. The consul, it is said, augrily tore up the the fine turbine liners, the Cairo and writ and told the Hotzings to ignore the Heliopolis for service in the Paciit. The outcome is not reported.
