

VARNISH IT WITH KOPAL

Is it a Door? Is it a Boat? Is it a Carriage? Is it a Bath room? Is it a Store front? Is it inside? Is it outside? Is it dull and dingy?

VARNISH IT WITH KOPAL

Kopal's made as good as a varnish can be. It's for general use. It wears.

Daily Whig.

COMPARISON OF RESULTS. Peterboro is deeply concerned about the recent departmental examinations.

From this it would appear that there has been a pretty general slaughter of the innocents, and it is desired to have some consolation from a comparison of results.

HE MAKES NO SIGN. Lord Rosebery refuses to believe that the budget of Lloyd-George is the only alternative of a protective policy.

Senator Gates, of New York, is said to have spent \$20,000 to secure a \$1,500 office. But the dignity he carries it is of inestimable value.

Amherst Island realizes annually from its cheese \$38,000, or over nine times as much as it realized formerly from its barley.

Patten, the wheat king, has boasted that he made his wealth, millions of it in a year, by buying when the grain was cheap and selling when it was dear.

They are ambitious, however, and the Edmonton Bulletin speaks in their name and behalf when it says that "with the passing of time they will get out of the pinch of the present and with some spare cash in the banks and ample granaries on the farms will be able to hold their grain until they consider it wise to sell."

Three carloads of the most beautiful flowers were sent to Harriman's house at Arden, N.Y. They were distributed among the mourners, by Mrs. Harriman's orders.

PEARY'S COPYRIGHT ACTS. Before Peary went abroad the last time, for further Arctic exploration, he made a business arrangement with the New York Times which has been before the courts.

It is probable that the cost of copying may have been as expensive in one case as in the other, but the cost of the manuscript was saved. The New York World and Sun showed almost as much enterprise as their contemporary in getting the story under difficulties.

A point of importance in connection with the case—the great point according to American jurisprudence—is whether Peary, a naval officer absent on duty, can copyright and sell his report to any paper.

QUITS THE GAME JACK WILLIAMS OUT OF RUGBY FOR GOOD.

Doctors Order Him to Abstain From Football or Carry a Wooden Leg For All Time.

"Jack" Williams, the brilliant centre half of the Ottawa football team, stated for the captaincy, states positively that he is out of football for good.

Sporting Notes. The Gentlemen of Ireland beat the All-New York cricketers. The Americans beat England in the international tennis tourney.

Baltimore is a good town from a baseball standpoint. In that city a row of flats overlook the ball field and a splendid view of the contest may be obtained from the tops and windows.
