PLAIN FACTS

The persons who can afford to pay rent, can afford to buy a home.

After the first small payment—which is a part of your savings account will probably cover the “carrying cost” of home is less than the cost of rent for a similar house.

And a large part of this “carrying cost” is applied to paying for the property. This is important, don’t you think?

We can show you some properties as figures that will strongly tempt you to own your home if you’ll let us.

THE SPORT REVIEW

QUEEN'S HOLDS ITS FIRST RUGBY PRACTICE.

Edwin Elliott, the Fast Wing Player, Returns to Queen's Victoria and Irishmen to Play For Ten Silver Medals.

The first move towards active football practice was made at Queen's on Monday afternoon. The first practice was called for four o'clock at the lower campus, and quite a number were out. Very little work was done other than kicking the ball and talking things over. Everything seems in fine shape for the season and nothing is left wanting as far as can be seen. Campbell and McMahon, the two trainers arrived on Tuesday and were back in their old places at the gymnasium in the afternoon.

At the first practice only a few seniors were out. Crawford, Williams, Moran, Macdonell, Woods, and a number of new men, junior and intermediate players. All seem in first class shape and anxious for the game. Regular practice will be held now every afternoon at the campus until the players are divided into different teams when the Athle's grounds will be used.

Elliott Not Going.

It is good news to hear from a reliable source that Edwin Elliott, the speedy outside wing of last year's Queen's team, the best outside wing in

the Intercollegiate, has no intention of going to McGill, but will occupy his old place on the gridiron with Queen's tricolor at every game. McGill were slapping themselves on the back that they had received the speedy Kingstonian, but “Ed” thought twice before leaving his first love, and returns to Queen's.

To Elect Captain.

Brewster, last year's snappy centre scrimmager for Queen's seniors was elected captain of this year's team, but as he is not attending college this session another captain will be elected. Any of the old players would be capable of filling the position. A choice will be made shortly when the players begin to germinate up.

Still More Baseball.

Next Saturday afternoon, Victoria and Irishmen will play at Queen's Athletic grounds, for ten silver medals, presented by the Y.M.C.A. This game will be positively the last public appearance of the two teams in combat this season and the result is eagerly awaited. The Vics claim that this time they will pull out on top.

Runners To Compete.

A number of Kingston runners will compete in the big five mile race at Parham fair. Some good men are entered and the locals will have to step some to catch a place. Stinson winner of the last race, will enter, as well as Jackson, Adams, Woodrow, Stewart and others. The race will be run under C.A.A.U. sanction, and will be a good one.

Getting Into Shape.

Yesterday afternoon, the Athletic field of the Y.M.C.A. was a very busy place for Y.M.C.A. members, preparing for the big meet on Saturday. Mr. Thompson, the physical instructor, is working hard to make the meet one of the best ever held in Kingston.

Sporting Notes.

The New York Giants may trade Russ Marquard to Brooklyn. W. B. Renaud, of Ottawa, will act as starter in the Ogdensburg races next week.

Captain Ben Simpson is delighted with the material out with the Hamilton Tigers.

Pacific coast fight fans refuse to believe Jack Johnson the equal of Peter Jackson as a boxer.

Many believe Little Evers of the Chicago Cubs to be the brainiest infielder in the National League.

King Clancy is looking for a full-back for the Ottawas. Stuart Christie may be tried out there.

All-star ball teams are numerous, but Gibson of Pittsburgh seems to be the popular choice as back-stop.

Coch Clancy of the Ottawas considers Ben Simpson of the Hamilton Tigers the greatest, half-back in the game.

The Cleveland American league team is to be re-modelled at the close of this season, Dennis, Clarke and Ball being slated for the minors.

The Pittsburgh Baseball Club has made the announcement to the public that it

There is more Cataract in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it as a constitutional disease and therefore required constitutional treatment. Cataract Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the general hospital where he was attended to by Dr. Sparks. It was found that no bones were broken, and no injuries received besides a severe shaking up. He was doing nicely this morning.

would not take any chances printing tickets for the world's championship series until the pennant had been won by Pittsburg beyond a doubt.

The Lincoln, Nebraska, Western League team won both games of a double-header with De-Mores, the first 2 to 0, and the second 5 to 3. The first game was the sixth consecutive shutout by Lincoln, thus tying the world's record set by Pittsburg in 1903.

Bill Launder, the former Calgary boxer, got a close decision over Eddie Marino, of Seattle, at North Vancouver Thursday night in a 15 round bout. Marino had a good upper cut to the stomach, but the Scotchman was best in the latter round. There was some dissatisfaction with Referee Howitt's decision. Fantasy Neil will fight Launder next week.

The Chicago Cubs concede the National League pennant to Pittsburg. Smokeville is wild with enthusiasm, and is rooting for the Athletics to beat Detroit out in the American league race, as in that event Pennsylvania cannot lose the world's championship.

But American league fans outside of Philadelphia think that Detroit would prove a worthier foe in a struggle with the Pirates than Mack's team of young men, who possibly lack the stamina and experience possessed by the Tigers.
