

Winning Men Away From The Tailors

Wonderful Success of Fit-Reform Hand Tailored Garments for Gentlemen

FIT-REFORM stands today as one of the great successes in the Canadian business world. Fit-Reform Garments have a reputation for perfection of style, workmanship and quality that is the envy of the merchant tailors.

Fit-Reform garments are the recognized leaders of fashion throughout the Dominion.

The Fit-Reform system of tailoring—by which each individual part of a garment is made by specialists, trained to do that one part of the work—insures a degree of perfection unattainable by any other method.

Ten different specialists work on one suit before it receives our mark of approval. Can you doubt that the skill of these experts accomplishes a result impossible for the tailor who solicits, then measures, cuts, fits, bastes, presses, keeps books and collects accounts?

The Fit-Reform system of sizes, and the ease with which the most difficult alterations may be made, insure absolutely perfect fitting garments.

The Fit-Reform policy of money's worth or money back, insures honest value.

Those interested in exclusive styles, strikingly handsome patterns, and perfect fitting garments, are invited to call and inspect the new fall models in Fit-Reform Suits and Overcoats.

MAT HENSON

ADDS TO EXPLANATION.

Tells Why He Did Not Go Back to Etah.

New York, Sept. 30.—The following dispatch has been received by the Associated Press from Harry Whitney, the New Haven man, who returned to St. Johns, Nfld., yesterday, by the schooner Jeanie from Greenland and is on his way home:

Sept. 29th.—So many questions are being asked of me by the different papers that I desire to make the following statement through the Associated Press:

My reasons for not going back to Etah after Dr. Cook's things were that the engine in the Jeanie, one of the North Atlantic, was not working satisfactorily, and we were depending partly on sails, which later we had to use entirely.

There was no reason why the Jeanie could not have gone back, but, not knowing that Dr. Cook's things were with me, I was turned out to be, I did not return.

In addition, I had promised the Eskimos who were with me after musk oxen in Ellesmere Land, certain things which I expected on the ship about the Jeanie and I did not want to return and disappoint the men.

Another reason was that I wanted to prolong my hunting trip, which I was able to do by not going back, but by cutting across Smith Sound from North Star Bay and following the edge of the ice.

I do not believe that either Dr. Cook or Commander Peary, if placed in my position, would have done any differently than I did, nor would they, having started south for civilization, have turned back.

I had never seen Dr. Cook until I got him in the Arctic. He told me he had been to the North Pole and I was pleased not to reveal this fact to Commander Peary, but I could say that he had gone further north than Peary in 1906.

Commander Peary, to my knowledge, knew absolutely nothing about what had been left with me by Dr. Cook, except that I mentioned instruments, clothes and furs and also a harpoon line. Dr. Cook's belongings I left in my charge were placed in boxes which were nailed up. Then I saw the Eskimos cover them with rocks.

No one could have been kinder to me or shown me more consideration than Commander Peary did while I was on the Roosevelt, and he said he would be very glad to have me remain aboard and return with him, instead of joining the Jeanie.

THE CONVENTION OVER.

King's Daughters Had Good Time in Gananoque.

Gananoque, Oct. 1.—The convention of King's Daughters held its Thursday morning session in St. Andrew's church. The following were elected officers: Provincial secretary (chairman), Mrs. M. S. Savage, Toronto (treasurer), Mrs. E. Davis (Gananoque), Mrs. W. J. Wallace (Cornwall).

The afternoon session opened with Bible reading and prayer by Mrs. M. L. Laird, New York state secretary, Woodville, N.Y. Reports from various circles and committees followed. Consideration was then held. The evening session was held in Grace church.

Rev. J. T. Pfeiffer opened with a short Bible lesson and prayer. Miss Libby, first vice-president of the international order, New York, and Mrs. M. S. Savage, provincial secretary, were the chief speakers. Several musical selections were rendered and the convention closed, about ten o'clock, all well pleased with their sojourn in Gananoque.

The pleasing intelligence has arrived from the head office of the G.T.R. in Montreal, announcing that the International Limited will continue to call at Thousand Island Junction until November 20th. This offers a ground of comfort to Gananoque manufacturers.

The Gananoque Journal has printed its last sheet in the old office on Stone street, and is now changing into its new home, on King street. In consequence it will not go to press again until October 14th.

The high school boys have organized a rugby team, and will at once get down to practice work. They will probably break up some of the neighboring teams.

Dr. J. P. Sinclair left, yesterday, to join Mrs. Sinclair at Hartford, Conn., where she has been spending several weeks with relatives. Messrs. John Laska, Sr., River street, and John Laska, Jr., Charles street, spending the season at Chaffey's Locks, have returned to town.

Mr. and Mrs. Joseph Meggs and family, Charles street, spending the past two weeks with relatives in Malorytown, have returned home. Mrs. Albert Briggs, Watertown, N.Y., is the mother of her parents, Mr. and Mrs. John L. Headlip, Victoria avenue.

Hon. Col. and Mrs. Napier and daughter, Miss Napier, are spending a short time in town. Mrs. Robert White, Hamilton, spending the past few weeks with relatives here, has returned home. Mrs. C. Robson, Stone street, and Mrs. Sweet, Sweet's Corner, have returned from spending a few weeks with relatives in Winnipeg.

The Beauty Of Health. There is no beauty so attractive as the beauty of health. It is a kind of beauty almost any one can have. Don't endure pimples, boils, blotches, etc. They not only mar personal appearance, but are signs of dangerous blood disorder. Wade's Iron Tonic Pills (Laxative) cure the blemishes and remove the cause. They are a great nerve strengthener and blood maker.

In boxes, 25c., at J. B. McLeod's Drug Store, corner King and Brock streets (Wade's old stand), and corner Princess and Montreal streets. Money back if not satisfactory.

Save 25 Bars of Soap

Ordinarily you use at least one bar of laundry soap every week—more than fifty bars in a year. That's twice as many as you need, for Taylor's Borax Soap goes twice as far as any other soap. Please prove this for yourself—we invite the test. Try one bar of this soap with one bar of any other. See which soap lasts the longest—learn which is the cheapest. We know what the result will be, for we have made this same test many times over—our soap lasts twice as long.

Taylor's Soap

Don't think that all soaps are alike—there is a wonderful difference in Taylor's Borax Soap. Let us show you some of the ways in which this soap differs from others. First we use only the purest coconut oil from the Isle of Ceylon. Then we boil it doubly long and mix in the borax. While boiling we run thousands of gallons of clean water through the soap which carries away all impurities. We require twenty-one days to make a single cake. The labor of more than 200 people is needed. We crush every bar under a weight of 30 tons to press out the moisture. We put every bar through an ageing process equal to standing six months in your pantry. So you don't have to age this soap. When finished the bar is hard and firm, so it wears much longer. The borax softens the water which also reduces the amount of soap by almost half that ordinarily required. This pure soap is utterly harmless to the skin—it leaves the hands whiter and softer than ever before. If it is so harmless to the skin, then think how harmless it must be to the clothes. This soap comes to you absolutely pure with the creamy tint of the coconut oil. It lathers with the greatest abundance and leaves the clothes as pure and white as the foamy suds itself. Try a bar this day—it costs no more than common soaps but does more than any soap you have ever known.
