NOVELIST OF THE MEAL. Dickens Describes Feast in Way to Give Reader Appetite.

Dickens is the novelist of the meal. No other writer, pile he up never such the gusto of describing humble feasts be more warmly appreciated by him which gives the very reader an appetite. Thackeray, for all his "Ballad of Bouillabaise," never touched the hem of his garments in the recording of meals. Who that has read them can ever forget, for instance, Mrs. Gamp's directions to the chambermaid for her nocturnal reflection, or the tea whichawaited Joe Willest and Dolly on their return to the locksmith's dwelling on the occasion of Miss Migg's final rout, or the unassuming meals recorded in "David Copperfield," or the more pre-Lew Fields says that in his various tentious feasts in "Pickwick," not for-
