

QUEEN'S DID WELL

But the 'Varsity Men Eventually Won the Contest.

By 7 to 1—The Game Was Keenly Fought—'Varsity Was in Better Condition and Had the Experienced Team.

The senior intercollegiate series opened here on Saturday, and 'Varsity took the first game from Queen's by 7 to 1. The day was fine for the battle, almost too fine, being as warm as August, and the sun beat down on the players for practically the entire game. The crowd was very large, about 2,000 people, the students being well represented on the bleachers and along the rail, where they made themselves heard.

The better team won, won on its merits, but what will happen when the two teams meet again will be another question, as there is ample room for improvement in both fourteen. 'Varsity is heavier than the Freshyrians, was in better condition, and played a steadier game. The Toronto College is fortunate in having the entire back division of last year, another season. This is a great help, as no new men have to be broken in, the players knowing their positions and knowing each others play. In the scrimmage Ritchie is the only old man, but he makes up for a lot. The blue and white wings are all big, husky fellows, who play a good, stiff game, making a well-balanced line.

'Varsity's team work showed clearly that the men had been well drilled and their condition showed much hard practice. At parts of the game the head was very trying on the players and it must be said that 'Varsity showed it less than Queen's. At all times they were right on the job, and for two-thirds of the game were the aggressors. They play a systematic game, showing good judgment on the part of the back division, who feel quite confident of good protection from the wing line. In Gall, 'Varsity has a fine half. He kicks exceedingly well, and can run some when occasion demands it. He was the shining star for the visitors during the entire game, and it was plain to all that he was much depended on by his own players. Lawson has a fine record, but only once during Saturday's game was he at all dangerous.

Queen's has certainly a good bunch of players, but they lack confidence and confidence. Had judgment cost Queen's at least three points on Saturday, and probably far more. Most teams are always out for any gain, however small, and whenever a chance appears to kick for points, the chance is taken. Had Queen's done this the score might have been very different. More than once Queen's had possession of the ball inside 'Varsity's fifteen-yard line, and three different times held it for first down inside the five-yard line, and still did not score. A kick in these places into touch would have helped a lot. Of course the team knows its own system, and know the game it plays, the above being only how it appeared to the spectators.

It was also quite evident that the team did remarkably well for the short space of time at its disposal to get into shape, and its play surprised many of the red, yellow and blue supporters. Very few changes need be made in the team, all it requires is good, hard practice, with every man out every night. Crawford was missed very much on the half-back line.

In the first and second quarters, when neither team scored, Queen's certainly put up a fine game. The wing line worked like Trojans, holding 'Varsity line at all stages, then in the last half, the line did not show up so well. On the back division Leckie was about the only player that played a really heavy game all through, and many goals were due to him. Williams was a little off color, at times, some of his punts not being up to his usual high standing, but he was always in the game. Dickson and Moran both showed up very well. Dickson only got away on one or two occasions, but when he did he made himself felt. On the line, Smith was about the best man. He made his

about to Kingston football circles as outside wing and played a star game. He can get away last and is a sure tackler, using the low dive tackle, the only correct and sure way to land your man. Elliott did not play as strong a game as he has, or did last season, but no doubt when he gets into shape he will again excel.

The Play By Quarters.

Queen's won the toss and defended the north end. Williams kicked off to Dixon, who fumbled, but regained in time to return. Varsity secured ball and went down to Queen's fifteen-yard line. Gall kicked from third down to Dickson, behind the posts, who relieved well, getting in a twenty-yard run. Queen's lost the ball on downs. On Varsity first down Dixon tried an end run, and was put out in tackle. On play being resumed, Williams handled Gall's punt nicely, relieving well. Queen's were given the ball for Hume's offside, Williams kicking into touch. Queen's again secured the ball, Williams again putting into touch. Gall and Williams exchanged punts, the Queen's man having a little the better of the argument. Varsity secured the leather and forced Queen's back from centre field to their own fifteen-yard line. Gall kicked to Williams, who returned for a good gain. Smith nailed Gall in his tracks. Quarter time was called with the play about midfield. Varsity had best of play in first quarter.

In the second quarter Gall kicked off to Leckie, who relieved for good gain. Williams returned Gall's punt to Lawson, who was caught by Smith before he could move. Queen's had the ball on Varsity line, Williams punting over just one or two feet on the safe side of the line before he was nailed. Gall kicked to Williams. Queen's given ball on Varsity five-yard line, Williams endeavored to kick into touch, but Gall was on the job and relieved well. When Queen's were quite near Varsity's line, Erskine was given a bad twist in the back, and was out for about three minutes. Williams punted high to Gall on play being resumed and the latter muffed, Moran getting the ball. Williams again punted to Gall, who returned to Leckie, who again boosted to Lawson, who muffed. Queen's held on to Varsity fifteen-yard line and on two downs gained five yards, Williams kicked on the third down, but made a bad punt to Lawson, who gained about thirty yards, one of the best runs of the day. Gall punted to Williams on the first down, and the latter kicked the play changing to Queen's thirty-yard line. Just after, Queen's received a free kick for interference in the scrimmage. Half time was called without any score.

'Varsity went in strong from start, doing all their scoring in the third quarter. On the kick-off, Lawson got in a run for a good gain. On third down, Gall kicked to Williams, near his own line, play being called back on account of no yards being given. Moran caught Lawson as he nailed Williams' punt. On first down Varsity did not gain; on second down Dickson caught Gall's punt, and on Queen's (Continued on page 7.)

TIRED OF HER HOME SHE MASQUERADED AS A BOY,

She Worked Around For Three Years Doing Heavy Work—Finally Confessed As to Her Identity.

Cleveland, Ohio, Oct. 11.—After masquerading as a boy for three years, playing boys' games, working in a local livery stable, driving a grocery team, and hustling heavy boxes and express packages heavy enough for a strong young man, Harry Roberts confessed to the police, today, "he" is a girl and that "his" name is Lillian Hoffman, stepdaughter of Gottlieb Meiers, of East Seventy-third street.

Three years ago the girl, then only seventeen, tired of her home. She ran away, donned boy's clothes and went out into the world to make a living as a man. She secured work. In the time that she has elapsed the girl has worked in a livery stable cleaning horses, driven grocery carts and even toiled as a helper to a carpenter and delivered ice.

Her identity became known a short time ago, when she was arrested while in the employ of D. Martin, a grocer, of No. 8905 Detroit avenue, on a small charge. Sentence was suspended, but the police looked further into Roberts' career. They found no serious acts other than the one, but they discovered that the boy, who up to a few days ago was back working in a livery stable, was a girl.

The young woman made a confession, and, to-day, her stepfather brought some suitable clothes. The parent ascribes the child's strange bent as being due to a love for horses. The girl says she had always wanted to be a boy.

EVIL TONGUES.

How Women Scandalmongers Should Be Treated.

New York, Oct. 11.—"What we need," Magistrate Tighe said, in the Butler street court, Brooklyn, "is a ducking plank and a full pond with which to punish the women gossips who are almost daily summoned before me on charges of circulating scandalous stories about their neighbors. Not that I advocate the restoration of the pillory and flumb-screw, but I do believe that sudden ducking in cold water would seal the lips of women defaming the characters of their neighbors and put a stop to an evil that has caused more than one home to be disrupted."

CANDLE IGNITED

A Muffler About Neck of a Priest.

Newark, N.J., Oct. 11.—Rev. Augustine M. Brady, chaplain of the Newark jail and the Home for the Aged, and in former years one of the leading Paulist missionaries of the country, was so badly burned at his home that it is feared he will not survive. He was passing from the bathroom when a light muffler about his throat was ignited by a candle he carried. The flames spread to his bathrobe and before help reached him he was terribly burned. Father Brady is sixty-seven years old and a native of New York city.

REFERRED TO ONE.

Ottawa, Oct. 11.—G. A. Harris, Canadian trade commissioner to Japan, has cabled the department of trade and commerce saying he never in a private letter, described all Japanese as unreliable. What he said was that one Japanese firm he had come across was unreliable.

A COMMON SCOLD.

Means to Obtain Relief Against a Woman.

Butler, Pa., Oct. 11.—The charge of being a common scold has been made against Mrs. Susanna Suraton, of Higgins' Corners, on information made in the court of Justice F. H. Davy, by Mrs. Maria Kohler, a neighbor. A hearing has been set for Thursday afternoon. It is alleged that Mrs. Suraton utters harsh and provoking words about her neighbors in the little town. Mrs. Kohler complains that the woman spends her time nagging, fault-finding and trouble-making. A score of women, it is said, will appear against the alleged scold to insist that she be punished.

GENERAL RETIRED.

And Reason Was He Talked Too Much.

Paris, Oct. 11.—Gen. A. G. L. d'Amade, who in an interview declared the time had arrived for France to call a halt on Spain's penetration of Morocco, has been placed on the retired list. It is understood that Foreign Minister Pichon told the cabinet he would resign unless Gen. d'Amade was punished. An official note says that Gen. d'Amade has recognized the fact that he exceeded the reserve imposed on an officer on active service, and that he is ready to bow to the decision of the government.

INSANE WOMAN'S FRENZY.

Had to Be Strapped to Cot in Station.

Brookville, Oct. 11.—Strapped to a cot in a police hospital, Miss Sella M. Parga spent the greater part of Thursday night. Going violently insane at the hospital, her condition became so violent that the police were called upon to remove her. The cells offered no protection for the raving maniac, who battered her body in every conceivable way. The woman held over a year ago for treatment. Prior to that she had been almost burned to death by falling on a red hot stove while in a spasm. She is now being cared for at the asylum.

A BAD FIRE.

Loss of \$60,000 in a Sydney Blaze.

Sydney, N.S.W., Oct. 11.—Fire broke out in the Gardiner block early Saturday morning, and before it was got under control the whole building, a large store and office brick structure, was gutted. The loss is estimated at \$60,000. The loss on the building is \$15,000, and Kirk and Torrey's dry-goods stock \$30,000. Fire originated in exactly the same spot as did the big 1901 fire.

CHARGED WITH MURDER.

Arrested and Lodged in Bracebridge Jail.

Gravenhurst, Ont., Oct. 11.—Miss Eva Suter, of Germania, about twelve miles from here, has been arrested by Constable B. D. Armstrong, and lodged in Bracebridge jail, for the alleged murder of her year-and-a-half-old child, about two weeks ago. It was kept quiet, but recent suspicion led to her arrest. She is a young woman of about twenty-one years. An inquest will be held.

The reception following the ceremony will be given by Mr. and Mrs. Lewis at Elmsleigh, which has been kindly lent to them by Collingwood Schreiber.

OLDEST INHABITANT CANNOT RECALL BETTER.

The Funeral of the Late Jehial Aylesworth—A Couple Who Have Been Married Sixty Years—They Are Both in Good Health.

Napanee, Oct. 11.—On Saturday last the Picton football teams journeyed to Napanee to play friendly games with the Napanee teams. In the morning the junior game was pulled off in the Driving Park between the Juniors of Picton, and the Napanee Juniors. The game was very exciting and some good playing was witnessed for juniors. The result was 2 to 0, in favor of Napanee.

In the afternoon the Senior Picton team and Napanee Seniors played. The game was exceedingly clean throughout and resulted in a score of 0 to 0, in favor of Napanee. The Picton boys were loud in their praise of the treatment accorded them by the Napanee boys.

Picton also met their Waterloo at the golf match on Friday afternoon between Picton and Napanee. Napanee won by score of 22 to 10. Picton had ten men and Napanee a like number. The best scores were made by Messrs. Knight, Hepburn, Smith and Daly. The Napanee Club entertained the visitors to dinner and supper.

The funeral of the late Jehial Aylesworth took place on Sunday afternoon from his late residence. A short private service was held at his house, afterwards a public service in St. Mary Magdalene's church. The interment was made in Riverside cemetery.
