They Keep The Brakes Set
 And So Can Never Do Their Best

Many men, and more women, go
 through life like a train with the engine
 tugging, but the brakes hard on. They
 never get anywhere near top speed,
 because they are never really well.

Probably they do not own even to
 themselves that they are sick, but they
 scarcely know what it is to really
 "feel good". Always there is headache,
 or that "dragged out feeling" which
 makes good work, either mental or
 physical, utterly impossible.

The most common trouble with all
 these people is that they have Consti-
 pation. Their systems are poisoned
 with the waste matter, which stays in
 the blood, instead of being promptly
 removed by the bowels. Harsh purga-
 tives are worse than no treatment at all,
 because they weaken and irritate the
 bowels, instead of curing the trouble.

The natural and permanent cure for
 Constipation, is "Fruit-a-lives".

"Fruit-a-lives" combines the well-
 known laxative principles of apples,
 oranges, figs and prunes. So perfect is
 the combination, that "Fruit-a-lives"
 acts like the fresh fruit, by stimulating
 the sluggish liver to supply the proper
 amount of bile to move the bowels
 regularly.

The most stubborn cases of Consti-
 pation promptly yield to the curative and
 corrective effects of "Fruit-a-lives".

ANOTHER WOMAN CURED
 By Lydia E. Pinkham's
 Vegetable Compound

Gardiner, Maine.—"I have been a
 great sufferer from organic troubles
 and a severe female
 weakness. The
 doctor said I would
 never be able to go to
 the hospital for an
 operation, but I
 could not bear to
 think of it. I de-
 cided to try Lydia
 E. Pinkham's Veg-
 etable Compound
 and Sanative Wash
 —and was entirely
 cured after three
 months' use of them."
**WILLIAMS, R. F. D. No. 14, Box 39,
 Gardiner, Me.**

No woman should submit to a sur-
 gical operation, which may mean death,
 until she has given Lydia E. Pinkham's
 Vegetable Compound, made exclusively
 from roots and herbs, a fair trial.
 This famous medicine for women
 has for thirty years proved to be the
 most valuable tonic and renewer of
 the female organism. Women residing
 in almost every city and town in
 the United States bear willing testi-
 mony to the wonderful virtue of Lydia
 E. Pinkham's Vegetable Compound.
 It cures female ill, and creates radi-
 ant, buoyant female health. If you
 are ill, for your own sake as well as
 those you love, give it a trial.
 Mrs. Pinkham, at Lynn, Mass.,
 invites all sick women to write
 her for advice. Her advice is free,
 and always helpful.

QUEEN'S DID WELL
 (Continued from page 1.)
 first down Williams punted for good
 gain, Elliott getting Lawson before he
 could start. Queen's were given a free
 kick for offside. Gall punted to Dick-
 son, who returned to Newton, and
 Varsity began their first onslaught.
 Lawson got the ball on first down and
 made a run of about thirty yards, to
 Queen's ten-yard tackle. Dickson
 again had his back hurt, and his
 hand cut, and was forced to re-
 tire. "Tom" Lloyd taking his place.
 Varsity lost ball for offside interfe-
 rence, just as they were on Queen's
 line, and Queen's gained about thirty
 yards by Williams' punt. On third
 down Gall punted to Dickson, who
 was forced to rouse Varsity, 1;
 Queen's, 0.
 Williams kicked to Gall, Varsity not
 gaining on first down. Lawson was
 injured in a tackle, but only for a few
 seconds. Varsity ball on Queen's thirty-
 yard line. Fouls kicked from
 scrimmage to Queen's twenty-five-yard
 line, to Gall, who went over for a
 touch, which Ritchie converted. Varsity,
 7; Queen's, 0.
 Time was called just after Williams
 kicked off.
 In the last quarter, Queen's worked
 hard, having a little the best of the
 play, but all they could do was se-
 cure one point. At the start of play
 Queen's was given a free kick for in-
 terference in the scrimmage; Williams
 punting Dixon who returned. Will-
 iams again punted for thirty-yard
 gain, putting play near Varsity line.
 Queen's were given a free kick on Varsity
 ten-yard line, Williams punting to
 Gall, who was nailed behind his
 own goal. Varsity, 7; Queen's, 1.
 Varsity lost on first down, but re-
 turned on next two. Dickson and
 Moxley tried backs for short gains,
 Williams punting for good gain on
 last down. Varsity had on own ten-
 yard line; Gall delivered long punts
 to Dickson, who got in a fifteen-yard
 run, Hume being again put out on the
 tackle. Queen's lost the ball on
 downs, play going to Queen's end.
 Gall punted behind goal to Williams,
 who passed to Dickson, who relieved
 an awkward situation in good form.
 On Varsity first down, Gall punted to
 Williams, who was not given yards, so
 the ball was taken back to Varsity
 territory. Dickson secured ball, passed
 to Williams, who punted for good
 gain. Final time called with play on
 Varsity fifteen-yard line.
 The game was remarkably clean, not
 one player being ruled off. The con-
 test started at 2:35 o'clock and finished
 at 4:20.
 The teams lined up as follows:
 Queen's—Williams, full-back; Dickson,
 Leckie, Moran, halves; Moxley, quar-
 ter; Kinsella, Overend, Clark, scum-
 mage; Gallagher, McLoish, inside
 wings; McKay, Erskine, middle wings;
 Smith, Elliott, outside wings.
 Varsity—Dickson, full-back; Gall,
 Newton, Lawson, halves; Fouls, quar-
 ter; Jones, Gage, Ritchie, scrimmage;
 Muir, Kingston, inside wings; Hume,
 Lajoie, middle wings; Parks, McDon-
 ald, outside wings.
 Referee—Dr. Quinn, Montreal; umpire,
 Dr. W. G. McLaughlin, Montreal.

After the game a slight mix-up oc-
 curred when a Varsity player tried to
 kick the ball. He got as far
 as the fence when he was nailed and
 had the pigskin taken away from him.
 It was a bad day for Queen's, whose
 two rugby teams and its soccer team
 went down to defeat.
 Only five old players were on Queen's
 line-up. The other nine were new men,
 but proved themselves good stuff. It
 was an experienced team pitted
 against a team not yet broken in, but
 with the latter so stubborn in de-
 fence that it was difficult to overcome.

Queen's II. Outclassed.
 The intermediate game of rugby, at
 the R.M.C. campus, Saturday after-
 noon, between Queen's II and R.M.C. II,
 resulted in a win for the cadets by a
 score of 41 to 0. Queen's did not
 have a "look in" at the game, and
 were outclassed at every stage. If
 they want to keep in the keeping they
 will have to wake up and do some
 hard practising. The cadets were in
 fine shape and showed good results
 from their few weeks training. Queen's
 appeared to suffer from a serious at-
 tack of "stage fright," if it might be
 so termed. Of course, the cadets had
 the weight with them, and this went
 a long way in the winning of the
 game. There was a great deal of
 mulling and fumbling with Queen's,
 while the cadets appeared to be steady
 throughout. It was a great day for
 the cadets, and at the end of the
 first quarter, when the score stood 6
 to 0, in their favor, one could almost
 gamble on it that Queen's was domi-
 nated for defeat.
 The weather was too warm for
 football. There was no breeze and
 the sun's rays were rather trying.
 Perhaps this had a bad effect on some
 of the men. George Richards was
 the referee and N. Stoney acted as
 umpire, and both filled the bill well.
 There was only a small crowd of
 spectators, the game at the athletic
 grounds taking the big crowd. The
 cadets pressed hard from the start
 off, and nearly always had the ball
 in Queen's territory. Rogers, Gwyn
 and Carruthers were conspicuous play-
 ers for the cadets. Gwyn's dash in
 to goal with the ball, in the first
 half, was the feature of the whole
 game. The line-up follows:
 Queen's (0)—Full back, Macdonnell;
 halves, O'Connor, VanSickle, Dobson
 scrimmage, centre, Barker, right,
 Spearman, left, Omond; inside wings,
 Sheriff, Hamilton; middle wings,
 Clark and Smith; outside wings, Ram-
 say and Cormack.
 R.M.C. (41)—Full back, Meredith;
 centre half, Carruthers, right half,
 Smith, left half, Biswell (captain);
 quarter, G. Campbell, centre, Scrym-
 geour, Young, right, Halt, left, Blue;
 inside wings, Arnold and Rogers;
 middle wings, Goldie and Parr; out-
 side wings, Lewis and Gwyn.

Montreal Landed It.
 Kingston sport lovers will be pleased
 to hear that the lacrosse team of the
 Montreal A.A.A. defeated Shamrock's
 5 goals to 1 on Saturday. Win-
 ning the lacrosse championship. This
 team has been under the able man-
 agement of "Chauncer" Elliott all
 season, and shows plainly that he is a
 master coach in all branches of sport.
 This is the first time in some years

that Montreal has landed the cham-
 pionship.
Sporting Notes.
 McGill University now have a tack-
 ling dummy.
 In spite of the great Wagner, the
 foot-keeper Cobb steals second base.
 Pitcher Donovan, of Detroit, has
 had a slight attack of malaria, but
 it is not thought that it will interfere
 with his work in the world's series.
 The total receipts of the first Pitts-
 burg-Detroit game were \$40,271.50,
 which will be divided as follows:—To
 the National Commission, \$4,027.15;
 to the players, \$21,746.61; to each
 club owner, \$7,248.87.
 The Guelph road race association is
 holding a big Thanksgiving Day meet
 on the 25th. The prizes will amount
 to about \$900. W. R. Watson is se-
 cretary of the meet. The open events
 are a fifteen-mile run, ten-mile cross-
 country run, ten-mile walk, five-mile
 run and ladies' three-mile walk.
 A Galveston, Tex., sporting combi-
 nation is said to have offered a \$70,-
 000 purse for the Jeffries-Johnson
 fight if Johnson will fight there. The
 scheme is to build a pavilion on the
 tracks, and make out in the field to
 accommodate from 15,000 to 20,-
 000 people. The Texas prize fight laws
 extend only three miles from shore.
 The sensational Detroit outfielder,
 Tyrus Cobb, leads the American Leag-
 ue in batting, stolen bases, extra
 base hits and runs. No such record
 was ever before made in organized
 baseball. The great young player,
 whose fielding and base-running have
 electrified American League audiences
 all season, hit at .374 clip. He
 made 36 doubles, 10 triples, and 9
 home runs. He stole 79 bases and
 made 10 errors.
 "You'll have to keep on the out-
 side in going to second," the big
 Dutchman will be waiting for you if
 you try to reach the sack going on
 the inside." That was the first bit of
 advice Tyrus Cobb received after the
 Tigers arrived in Pittsburgh. It was
 furnished by a former National Leag-
 uer who is a great friend of the
 Georgian. "They don't come too fast
 for Wagner," went on Cobb's friend.
 "The German gets them if they come
 anywhere near him. He doesn't stay
 away. What you will have to do is
 keep on the outside and make a
 chance at sliding around him."

THE DETROITS WON
WILLIS WAS HIT HARD IN THE FIFTH.
 Pirates Were Helpless Before the
 Brilliant Twirling of Donovan
 Only Three Hits After First
 Innings.
 Pittsburgh, Pa., Oct. 11.—Detroit, on
 Saturday, evaded the count in the
 world's championship series by defeat-
 ing Pittsburgh 7 to 2, in a one-sided
 game at Forbes Field. The Detroit
 players batted Camnitz hard in the
 early innings, and he was succeeded
 by Willis in the third inning. Willis
 was also hit hard in the fifth inning,
 and Detroit scored two more runs off
 him.
 The first inning was all Pittsburgh,
 but after that the National league
 champions were never in the running
 for a moment. Two two-huggers and
 a base on balls off "Wild Bill" Dono-
 van, in the first innings, was the end
 of their ability to hit him. After this
 he became better every inning, and the
 hard hitting Pittsburgh men were ab-
 solutely helpless before his brilliant
 twirling. Only three hits were made
 off Donovan after the first inning.
 One of the sensational features was
 a brilliant steal of home by Ty Cobb,
 in the third inning, on the first ball
 pitched by Willis. Gibson was so sur-
 prised at the unexpected feat of Cobb
 that he dropped the ball as Cobb slid
 under the plate.
The Boy and The Book.
 "The late Edward Everett Hale,"
 said a Boston magazine editor, "was
 a great student of child life.
 "Dr. Hale once dilated to me on the
 incorrigibly bad taste in books that
 children have. He instanced the case
 of his own son, now a famous archi-
 tect, whose taste he had a hard time
 forming.
 "The little boy, it seemed, cared
 only for the sensational in literature.
 Jack Harkaway and Deadwood Dick
 seemed to him the very topmost pin-
 nacles of literary excellence. He yawned
 over the splendid historical works his
 father read to him.
 "One day, however, Dr. Hale had a
 gleam of hope. The little boy brought
 him a volume of English history and
 said:
 "Will you read me some more out
 of this, please?"
 "Why, certainly my boy," the

father answered cordially. "What part
 would you like to have?"
 "Read me," said the little boy,
 "about Mary, queen of Scots, getting
 her head cut off and the blood all
 running down her back."

How To Make A Yoke Fit Right.
 Often a dress is ruined by the fit
 of the yoke. It hitches or rides in a
 way that is as uncomfortable as it is
 unsightly. The easiest way to remedy
 this defect is to have the yoke made
 on a fitted lawn lining which buttons
 around the waist. This should have
 a horizontal seam run just above the
 bust line to take in an extra fullness.
 If the lining seems too warm or is
 too much trouble to make, the yoke
 can be attached to a sort of harness
 made with a belt of tape to which are
 joined vertical straps attached to
 the bottom of the yoke. Even easier
 is to sew short tabs of tape or
 muslin to the bottom of the yoke.
 These can be securely pinned to the
 corset without tearing the yoke it-
 self. It is a good idea to fasten the
 smallest sized safety pins to these
 tabs so that they are always in
 readiness.

A Falling Off.
 Omaha Bee.
 Erskine M. Phelps, of Chicago, was
 introduced at Nice to Lord Blank, of
 England. As he was smoking he said
 to Lord Blank: "Will you have a ci-
 gar?" "Thank you, but I smoke only
 one brand, the Henry Clay." "All
 right, I'll order some." The box was
 brought. It was embellished with the
 familiar picture of "Harry of the
 West." As he took his cigar Lord
 Blank said: "When old Clay was alive
 he made a good cigar, but his sons
 don't keep up his reputation." "Henry
 Clay! Why, he didn't make cigars;
 he was a statesman, and ranked as
 high with us as Gladstone or John
 Bright does in your country." "I beg
 your pardon. I've smoked these ci-
 gars all my life, and I tell you old
 Clay made a—right—better cigar
 than his boys do."

Located.
 Diogenes, lantern in hand, entered
 the village drug store. "Say, have
 you anything that will cure a cold?"
 he asked.
 "No, sir, I have not," answered the
 pill compiler.
 "Give me your hand," exclaimed
 Diogenes, dropping his lantern. "I
 have at last found an honest man."

Wind on the Stomach
 A Well-Known Westerner Tells of
 Suffering, Misery and Pain
 That He Cured With "Nerviline."
 "A few weeks ago I ate some green
 vegetables and some fruit that was
 not quite ripe. It first brought on
 a fit of indigestion, but unfortunately it
 developed into hiccoughs, accompanied
 by nausea and cramps. I was
 dreadfully ill for two days—my head
 ached and throbbled; I belched gas
 continually, and I was unable to sleep
 at night. A neighbor happened in to
 see me and urged me to try
 Nerviline. Well, I
 wouldn't have be-
 lieved that any
 preparation could
 help so quickly. I
 took half a tea-
 spoonful of Ner-
 viline in hot
 sweetened water
 and my stomach felt better at once.
 I used Nerviline several times and
 was completely restored."
 The above is from a letter written
 by G. E. Braun, a well-known stock-
 man and farmer near Letbridge, Al-
 ta. Mr. Braun's favorite opinion of
 the high merit of Nerviline is shared
 by thousands of Canadians who have
 proved Nerviline is simply a marvel
 for cramps, diarrhoea, flatulence, nau-
 sea and stomach disorders. Safe to
 use, guaranteed to cure—you can
 make no mistake in keeping Ner-
 viline for your family remedy. Large
 25c. bottles, five for \$1. Sold every-
 where.
