A HORSE IN A LAUNDRY

New York.—A horse, attached to a laundry wagon, became frightened and made a wild dash up Broadway. Spying a sign with a shirt on it, the horse plunged into the laundry, and, riding back of the wagon, landed with all four feet upon the linens and shirts that a dozen laundresses were sorting. When the horse went through the door, the laundresses went out the windows amid a shower of hot irons, starch and bluing bottles. When the excitement was over, the horse was found calmly munching a bundle of laundry tickets.

WORTH MOUNTAINS OF GOLD

During Change of Life, says Mrs. Chas. Barclay Grantville, Vt.—"I was passing through the Change of Life and suffered from nervousness and other annoying symptoms, and I can truly say that Lydia E. Pinkham's Vegetable Compound has proved worth mountains of gold to me, as it restored my health and strength. I never forget to tell my friends what Lydia E. Pinkham's Vegetable Compound has done for me during this trying period. Complete restoration to health means so much to me that for the sake of other suffering women I am willing to make my trouble public so you may publish this letter."

Mrs. Chas. Barclay Grantville, Vt., R.F.D. Grantville, Vt. has received such wide-spread and unqualified endorsement. No other medicine we know of has such a record of cures of female ills as Lydia E. Pinkham's Vegetable Compound. For more than 20 years it has been curing female complaints such as inflammation, ulceration, local weaknesses, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration, and it is unequalled for carrying women safely through the period of change of life. It costs but little to try Lydia E. Pinkham's Vegetable Compound, and, as Mrs. Barclay says, it is "worth mountains of gold" to suffering women.

Doctors Gave Him Up

A Terrible Experience With Kidney Disease and Dragging Backache.
Expected Death Any Day.
To get well and keep well after being pronounced incurable by his physician, was the wonderful experience of A. P. Chapman, who was snatched from the very jaws of death by the timely use of Dr. Hamilton's Pills.

"For two years I had suffered from acute kidney disease, was stooped, back-heavy, hollow-eyed and completely played out. One Saturday night I was seized by an acute attack and became so sick I had to call in my physician. For a week he attended me constantly, but I grew weaker and sicker every day. The pains in my back, the blinding headaches, the awful weakness from which I suffered almost killed me—the doctor said it was hopeless.

"As a last hope I was persuaded to take Dr. Hamilton's Pills. They brought back my strength, aided my stomach, created new appetite, cleansed my blood and gave me relief from pain. After I used Dr. Hamilton's Pills for a month I was like a new man. I continued the treatment for three months and was cured."

"Surely there is an obvious moral and you are suffering from any derangement here for all men and women. If ment of the system, if you are tortured and distressed by indigestion, if you are weakened by the ravages of constipation, kidney, liver or bladder troubles, if your blood is weak and your system run down—then use Dr. Hamilton's Pills, take them continually till you are fully restored to health again.

Give Dr. Hamilton's Pills an immediate and thorough trial, your faith in them will not be disappointed. Little Eva, Gordon, very ill with appendicitis, was removed to the general hospital last week. The Junior Wiling Workers' Society met at the home of Mrs. Robert Williamson, on Tuesday evening last. T. B. Campbell has returned home after spending the summer at Mississippi. Mrs. J. Milligan is seriously ill. H. Gordon, visiting at Smith's Falls, has returned home. William Kimberly has taken
