HE GETS \$10,000 A YEAR.

JOHN T. GEORGE.
 New York, Oct. 15.—At a salary of \$10,000 a year, John T. George, who lives in a handsome residence at No. 432 North Broad street, in the fashionable section of Elizabeth, N.J., is sitting on a bench these days from early morning until the six o'clock whistle blows, making leather like an ordinary tanner. He goes to work every day in his automobile, which returns in time to take him home again. Then he don his cradle apron for evening dress and entertains his friends at dinner; just as if he were not an humble laborer.
 This unique situation has been brought about by the recent absorption of the Harrington Leather Works

WHIG'S FASHION HINT.

A Bad Sign.
 "Speaking of fresh eggs," said Mark Twain at a dinner at the Authors' Club the other day, "I am reminded of the town of Squash."
 "In my early lecturing days I went to Squash to lecture in Temperance Hall, arriving in the afternoon. The town seemed very poorly billed. I thought I'd find out if people knew anything at all about what was in store for them. So I turned in at the general store."
 "Good afternoon, friend," I said to the general storekeeper. "Any entertainment here to-night, to help a stranger while away his evening?"
 The general storekeeper, who was sorting mackerel, straightened up, wiped his briny hands on his apron, and said:
 "I expect there's goin' to be a lecture. I been sellin' eggs all day."

NEWBORO MAN HURT.
 Stepped Off Dark Walk and Fractured a Rib.
 Newboro, Oct. 14.—Mr. and Mrs. Dew, visiting relatives in Saginaw, Mich., for the past month, arrived home on Tuesday. G. W. Preston spent a few days last week with friends in Brockville.
 Word was received here last week of the death, at Bay City, Mich., of Daniel Moran, for many years a highly respected resident of this place. He was an uncle of the Misses McConnagh and visited them a few years ago.
 Very little improvement is reported in the condition of William Spicer, who has been critically ill for the past five weeks with typhoid fever. Miss Helen Simmons, who has been the nurse in attendance, returned to her home in Chaffey's Locks. Miss Simmons leaves this week to resume her duties in Rochester, N.Y.
 Miss Myrtle Shaver, Smith's Falls, and R. Mahoney, Chaffey's Locks, were the guests of relatives here on Sunday.
 George Bolton, dangerously ill for some time, is slightly better at present. George Wooding, Brockville, is here this week conducting the clearing out sale at his store.
 While coming from the depot on Monday night, after his return from Ottawa, J. F. Gallagher had the misfortune to step off the sidewalk in the darkness and falling struck on his suit case and severely injured his side and it is feared that one of his ribs is fractured.
 B. F. Bolton spent Sunday with relatives in Delta. Miss Catharine Landon, seriously ill for some time with appendicitis, left on Tuesday morning for Brockville, to enter the St. Vincent de Paul hospital, where she will undergo an operation. Miss J. Hudson was a visitor in Brockville on Tuesday evening to see the musical comedy, "The Isle of Spice."
 Mrs. (Dr.) R. B. King and Mrs. Benjamin Tett, jr., were visitors in Brockville on Tuesday.
 An unusually large number from here attended Westport fair on Tuesday. R. G. Leggett was one of the judges of horses. George Foley, Athens, spent the week-end the guest of friends here. William Stanton left on Wednesday for Calgary, Alta., where he will spend the next few months. Miss Lottie Elliott and little nephew, the guests of Mr. and Mrs. J. A. Shaver for the past few months, returned to their home in Watertown, N.Y., on Wednesday. Miss C. M. Sturgeon and Mr. and Mrs. W. M. Bass attended the Halladay-Snyder wedding in Elgin on Wednesday. Miss Sturgeon played the wedding march. A number from here attended the farewell party given to Mr. Bartley, at the "Idylwild" Chaffey's Locks, on Tuesday evening, before the house closes for the season. R. Grotzner was a visitor in Crosby on Tuesday.
