I took several bottles of it, and I gained strength so rapidly that it seemed to me I had made a new woman of me. I can do as good a day's work as I ever did. I sincerely bless the day that I made up my mind to take your medicine for female weakness, and I am exceedingly grateful to you for your kind letters, as I certainly profited by them. Tell Some Sick One

It is free if it fails.

Will you do an act of humanity? Will you tell some sick friend of this, my remarkable offer?

Tell him or her, that you have learned of a medicine so certain that its maker dares say to the sick, "It is absolutely and unconditionally free if it fails."

And you, no doubt, already know of Dr. Shoop's Restorative and its popularity.

For 20 years it has been the standard remedy for Rheumatism and Heart ailments everywhere in America.

When the "inside" or controlling nerves of the body are diseased, the Restorative has quickly vitalized, and strengthened, and brought these nerves and organs back to health again.

I do not dose the stomach, nor stimulate the heart or kidneys—for that is all wrong.

Dr. Shoop's Restorative goes direct to the source of these ailments—the falling, faltering, inside or controlling nerves. And herein lies the key to my success.

When these nerves are again made well and strong, then that is the certain end of all such sickness.

To me it is a great satisfaction that I am the only physician able to say to the suffering sick for my prescription for 30 days, and if it fails to help you, the entire expense is mine—no more.

When you should the sick take any chance on any other medicine, whose maker dares not back it just as I do by this remarkable offer!

I also have a Rheumatic Remedy—and that remedy is covered by the same identical "No help, no pay" protective plan.

Restore you are free to consult me just as you would your home physician. My advice and the book below are yours—and without cost.

Tell a word or two from me will clear up some serious ailments I have helped thousands upon thousands by my private prescription of personal advice plan. My best offer is surely worth your simple request.

So let me send you an order at once. Take the message to some sick friend.

A postal will bring an opportunity.

I will have an honest and trustworthy drug-gist to whom you can conveniently go for the 30 day trial.

But first, ask me for the order, for all drug-gists are not authorized to give the 30 day trial. So write me now and have all delays. Remember that, tomorrow never comes. Address Dr. Shoop, 12, East Ave., Wash. D. C.

A Boom to Stock-Raisers

To Know How to Cure Colic Distemper, Colds, Swellings, Etc.—Saves Thousands Each Year.

It is a matter of vital importance to every farmer, horse-owner and stock-raiser to know exactly what to do when one of his animals is taken and denied sick.

The letter of Frank F. Fullerton, which we print below, gives information of inestimable value, and tells of his experience in curing ailing stock during the past thirty-eight years.

"Several years ago when my horses took colic I used to give them Cayenne Pepper in hot milk, but in a few cases only did it help, and a bad case had no proper means at hand I lost several valuable animals. Some one told me of the success Mr. Wendling, of Brockville, Ont., had in his racing stables with 'Nerviline', so I laid in a supply. It wasn't very long before Nerviline saved the life of a valuable stallion of mine, which was worth at least \$1,000. This horse was taken with colic, and would have died, had it not been for Nerviline. I have used Nerviline for reducing swellings, for taking out distemper lumps, and easing a bad cough, and always found it worked well. I recommend every man who owns horses or cattle to keep Nerviline on hand.

Mr. Fullerton is one of the best known residents of Stormont, and his recommendation as an experienced and practical horseman proved beyond question how valuable Nerviline really is.

Give Nerviline a trial. It's good for man or beast, internally or externally. 25c. per bottle or five for \$1. At all dealers.

with a cancer, is very low. Nelson Uptgrove, ill with typhoid fever, is much better now. His brother, Cornelius Uptgrove, has the same disease, and was taken to the Kingston General Hospital and today Mrs. Uptgrove is ill with typhoid. Miss Susan Robb, who has been sick for some time, has greatly improved and hope is held out for her complete recovery. Born to Mr. and Mrs. George Rathvon, a son, Frederick Light and William Howe have returned from the west. William Howe left on Friday for his old home in London, England. William Dixon had the misfortune to lose a fine horse. The apples are about all gathered. The crop was small. Samuel Yateham has moved into the village for the winter. Earl Williams spent Sunday at his home on Prospect Point. John Banks and family spent Sunday at North Shore. James Perry and family at George Buchanan's. Visitors: Mr. and Mrs. George Kirkpatrick, of Batterssea, at R. J. Bole's; Donald Keith and Donald Baker, of London, England, at Miss Jessie Gage's; Lakeview; Robert Duff, of Rockwood hospital staff, Kingston, at Oak Ridge cottage; J. E. Anglin's; Miss Gimblett, of Kingston, at Erwin Caird's; Miss Tye, of Lyndhurst, at Sidney Caird's.

Runaway At Ganfinton.

Ganfinton, Oct. 19.—The interior of the new school house being completed school opened on Monday with Miss Rish in charge of the senior department while Miss Evelyn Horke, graduate of Albert college, looks after the juveniles. Miss Theresa Watts has received a diploma from the Ontario Business College.

Two exciting runaways occurred on Friday here. On Friday morning, while H. K. Boyce was moving Mr. Farley's furniture, his span of spirited colts became frightened and ran away, upsetting some of the goods and injuring Mrs. Farley, who was on the wagon helping to load.

On Friday evening Morley Phillips drove in from the country and tied his horse under the church shed. When he was ready to go home he was minus his horse and buggy. The animal had pulled the stable out and instead of going directly home it ran to Belleville and crossed over to the Madoc road and returned home by another road. Although it had been into two farmers' yards and turned around and out again there was very little damage done. The rig, however, was damaged. William Kitcheson has sold his farm in the fifth concession and has bought the Brentnall home next to the parsonage. W. C. Farley has moved in to the home recently occupied by the late John G. Fairman. Frank Corby is still confined to the house. Albert Stapley and family have moved to Frankfort. Amos Gorsy will occupy the house vacated by Mr. Stapley. The small boys of the village are picking potatoes at Corbyville. Mrs. Lorne Reid and children, of Bancroft, are visiting her parents, Mr. and Mrs. T. Farman. The young people of the League are preparing for their annual Thanksgiving concert. The Epworth League campaigners of this district will visit this league on Thursday evening in the interests of the Forward Movement. C. A. Gallery is in Campbellford on business. Mrs. Charles Knets is suffering from a severe attack of rheumatism.

It Will Be Simple.

"What I have always wanted, darling," he said after she had consented to be his, "is a little home of my own. I have always had to live in boarding houses, and it seems to me that to have a cosy flat with you in it as my little housekeeper would be the nearest approach to heaven that I could expect on this earth. What do you think about it, dearest?"

"It would be just lovely," she replied, smuggling a little closer to him.

"But the trouble is that I could hardly afford to hire a maid for you, just now. In a little while I hope I shall have a raise of salary, and then it will be easy. Do you think you could get along at first without any help?"

"Oh, yes, I'm sure there wouldn't be any trouble at all. I can boil eggs just splendidly."

Seeking A Divorce.

Resno, Nov., Oct. 20.—Mrs. Daniel Frohman, more familiarly known by her stage name of Margaret Hinton, has filed suit for divorce in the district court of this city, alleging that her husband has for the last two years failed to contribute to her support.

May Call Cornwall Pastor.

Ottawa, Oct. 20.—There is a strong probability of a call being extended to Rev. Dr. Macgillivray, of Cornwall, to become pastor of St. Paul's Presbyterian church.

Ossip Gahrlowitsch, the pianist, who recently married Miss Clara Clorens, daughter of Mark Twain, was operated upon for appendicitis in New York. He rallied well, and it was thought that he would recover speedily.

King Mannel, suffering from an intestinal trouble, accompanied by some fever, should recover within ten days unless unforeseen complications develop.

ENDS INDIGESTION, HEARTBURN, GAS AND HEADACHE FROM BAD STOMACH.

Relief in Five Minutes With a Little Diapiespin.

There would not be a case of indigestion here if readers who are subject to stomach trouble knew the tremendous anti-ferment and digestive virtue contained in Diapiespin. This harmless preparation will digest a heavy meal without the slightest fuss or discomfort, and relieves the sourest, acid stomach in five minutes, besides overcoming all foul, nauseous odors from the breath.

Ask your pharmacist to show you the formula plainly printed on each 50-cent case of Pape's Diapiespin, then you will readily understand why this promptly cures indigestion and removes such symptoms as Heartburn, a feeling like a lump of lead in the stomach, Belching of Gas and Eructations of undigested food, water brash, Nausea, Headache, Bilioousness, and many other bad symptoms; and, besides, you will not need laxatives to keep your stomach, liver and intestines clean and fresh.

If your stomach is sour and full of gas or your food doesn't digest, and your meals don't seem to fit, why not get a 50-cent case from your druggist and make life worth living? Absolute relief from stomach misery and perfect digestion of anything you eat is sure to follow five minutes after, and, besides, one case is sufficient to cure a whole family of such trouble.

Surely, a harmless, inexpensive preparation like Diapiespin, which will always, either at daytime or during the night, relieve your stomach misery and digest your meals, is about as handy and valuable a thing as you could have in the house.
