DELAY ACTION AGAIN ON THE LIQUOR REDUCTION QUESTION.

More Petitions to Be Considered—Liquor Men Claim That Reduction Would Not Cause Less Drunkenness.

The liquor reduction question was again considered by the civic finance committee, on Friday evening, and once more it was given a two weeks' hoist, as three more petitions regarding the matter have to be given consideration, and have first to go before the city council.

The cigar manufacturers here are petitioning against reduction on the ground that it would affect their local business materially, as they deal very largely with the hotels.

The committee heard a deputation from the liquor interests, and the chief spokesman made quite an impression upon its members.

Members of the Social and Moral Reform League's petition for a vote on the question of reducing the licenses to one for every thousand population.
