THE HALLS OF QUEEN'S QUEEN'S WILL SHOOT

STUDENTS' PARADE NEXT SATURDAY IN D.R.A. COMPETITION AT LOCAL RANGES.

Result of the Science Elections—A. McKay Elected President—General Hospital Offer to Students.

From Our Queen's Correspondent.
At the annual meeting of the Association society the new officers were installed. The most momentous matter discussed was the medical department. A committee was appointed to decide upon the date for this important function. The meeting suggested the dates of November 12th and 13th and it is altogether probable that one of these dates will be selected.

The regular meeting of the Alma Mater society was held Saturday evening. G. A. Platt, on behalf of the committee, announced that the date chosen for the students' annual parade was Saturday, October 30th, and that the following committee had been appointed to arrange for same: Arts, W. F. Dye (convener), S. S. Cornack; science, G. G. Cameron, J. B. Sterling; medicine, J. G. Bailey, W. E. Anderson; divinity, D. C. F. next. The parade this year promises to be a monster one and it is to be hoped every student will take part, irrespective of adverse weather conditions.

The Y.M.C.A. was granted the use of Grant hall for the freshmen's reception. J. Carmichael and J. C. Ramsay were appointed to connect the routing at next Saturday's football match. The programme to have been provided by the Arts Society will be held on Saturday evening, November 13th.

The notice of all students was drawn to the arrangement offered by the board of managers of the Kingston general hospital whereby the purchase of a student's special hospital ticket, at the cost of \$1 before Nov. 1st, 1909, entitles the holder in case of illness throughout any portion of the college term to the full privileges and benefits of the city hospital. No student can afford to be without this splendid and highly reasonable insurance, but this matter must not be considered from the standpoint of self-interest but remembering that it is only by every student purchasing a hospital ticket that we are performing our very important part of a very extensive and philanthropic contract. It is only by the united support of each and every student at Queen's that the carrying out of this benevolent scheme can be rendered at all possible.

The science elections were held on Saturday. The various offices were quite closely contested. W. A. McKay was elected as president with a decidedly popular vote. The results were as follows:
Engineering society—Hon. president, Prof. McPhail; president, A. A. McKay; first vice-president, J. A. Doherty; second vice-president, A. M. Kirkpatrick; secretary, W. S. Earle; assistant secretary, A. W. Gray; treasurer, E. F. Gibson; committee, 10, E. A. Bell, 11, T. S. Will; 12, A. D. Carmichael; 13, R. M. Cameron.

Villages committee—Senior judge, J. H. Rose; junior judge, J. B. Sterling; senior prosecuting attorney, W. J. Fletcher; junior prosecuting attorney, W. G. Hughson; sheriff, R. M. MacKenzie; clerk, R. Bartlett; errand, A. L. Lewis; chief of police, W. J. Fletcher; constables, J. G. Bestram, J. C. Stanley, H. N. Davis, H. Ramsay, H. C. H. Wood, W. Alderson, 12, R. E. Clark, W. E. Matharid, 13.

MAKING HIMSELF POOR.

Leopold's Way to Disinherit Daughters.
Brussels, Oct. 26.—The news of the attempt of the Princess Leopold, daughter of King Leopold, to obtain a loan from a Hamburg bank on the security of an inheritance exceeding \$25,000,000 has caused astonishment.

According to the Belgian law, King Leopold is unable to disinherit his children. Each is entitled to one-fourth of his fortune, but this right only obtains if the King makes a will during his life time. He can dispose of his property as he pleases, and the royal fortune is believed to be diminishing daily owing to gifts to favorites and their endowment.

THE MURDERER'S SPEECH.

He Expected to Go Straight to the Blessed.
Newcastle, Pa., Oct. 26.—Rocco Rocio, the deposed "Big Chief" of the Plack Hard society, was hanged in the St. Lawrence county jail, here today, at 10:30 o'clock, for the murder of Game Warden Seles Houk. Rocco walked with a steady step from his cell to the gallows. He made the following brief speech: "Gentlemen, I did not see Seles Houk killed. I did not see any one kill him and have no suspicion of any person. I pardon everybody and expect to go to Jesus right now. Good bye."

It and Three University Clubs Have Challenged Toronto, the Present Cup Holder—The Contests Next Saturday.

An Ottawa special to the Whig says: The Toronto team that now holds the university cup for rifle shooting will have more competitors this year. Last year there were two teams of eight competing. This year, Secretary Bredyville has received five entries from Toronto, Queen's, Western (of London), Dalhousie and McGill universities. The match comes off next Saturday afternoon, each college team shooting at its own city for the university cup and eight miniatures of the cup. A range officer, specially appointed by the D.R.A., will be at each competition to see that the conditions of the match are rigidly enforced. The contest in each case will shoot at 200, 300 and 600 yards ranges and afterwards the results will be forwarded to the D.R.A. officials here. This is the second competition.

Kidney Troubles Attack Kingston Men and Women, Old and Young.

Kidney ills seize young and old. Come quickly with little warning. Children suffer in their early years. Can't control the kidney secretions. Girls are languid, nervous, suffer pain.

Women worry, can't do daily work. Men have lame and aching backs. The cure for man, woman or child, is to cure the cause—the kidneys.

Booth's Kidney Pills cure sick kidneys. Cure all forms of kidney suffering. Kingston testimony, proves it. Mrs. Jas. Griffin, of 290 Montreal St., Kingston, Ont., says: "My daughter had suffered for some time with a severe pain across the small of her back. She was unable to stoop at times and could straighten up only with much suffering. She had become languid and weak, and her appetite was very poor. Headaches and spells of dizziness had kept her in constant suffering. We could find nothing that would give her the least relief until Booth's Kidney Pills were advertised at Mahood's. She used them and they cured her. She became strong and well, her appetite is good, and she had gained over five pounds. Booth's Kidney Pills are certainly an exceptional remedy, and I could not hesitate to recommend them." Sold by dealers. Price 50 cents. The R. T. Booth Co., Ltd., Fort Erie, Ont., Sole Canadian Agents.

Ogdensburg, N.Y., Oct. 26.—Capt. Louis Holmes, Milwaukee, commander and part owner of the lake freighter Onaba, which arrived from Chicago with corn, has disappeared, and the police of the large lake cities have been asked to look for him.
