Local Option At Bath.
Bath, Oct. 27.—It seems that public sentiment is growing all through this dominion in favor of local option, and the friends of temperance here would like to assist in this movement, and the Dominion Alliance requested Rev. Mr. Burke to come to Bath and deliver an address. He complied with the invitation and the meeting was held in the town hall, here, and the talk he gave was not only logical but argumentative. The next day a petition was drawn up and circulated, and in a short time it was signed by more than twenty-five per cent. of the ratepayers. The petition was then handed to the clerk, and at the first meeting of the council it was graciously received and the law ordered, and will be presented to the council on the first Wednesday in November, for further action, and the friends of this movement hope that when Bath's thoughtful citizens come to vote on January 3rd, they will mark their ballots in favor of local option, and then we can have one or two hotels without a bar, and our people will have the satisfaction of knowing they have had some part in the elevation of the masses.

THE LATE J. O'DRISCOLL.
Deceased Was a Retired Penitentiary Officer.

There passed away on Thursday, one of Kingston's oldest and most respected residents, in the person of Jeremiah O'Driscoll, at his home, on University avenue, surrounded by his wife and family, and fortified by the rites of the Holy Catholic church. Mr. O'Driscoll came to Kingston from Ireland, with his parents, brothers, and sisters, when he was a child. He was married to Margaret McCarthy, only daughter of the late David McCarthy, and twelve children blessed their union. He was a faithful officer of the Kingston penitentiary for twenty-six years. Sixteen years ago he resigned, and received his superannuation, living since a retired life. He leaves his wife, six children and twelve grandchildren, and to them he leaves a legacy they value more than wealth, an honest and honorable name. His daughters are Mrs. Palmer, Misses Margaret and Katherine, of Chicago; Mrs. E. W. Millin, of this city, and his sons, John B., of the penitentiary staff, and Augustine, who resided with his parents.

Damaged Cataragi Bridge.
Some time during Wednesday night some persons did a great deal of damage to Cataragi bridge. About forty feet of the railing on the north side was torn down and thrown into the water. This left the space open, so that any one might have walked straight into the water. The police were notified, to-day, and the bridge company is offering a reward for a conviction.
