Just a line to let you know what a great benefit I have derived from your excellent course. I may say that a person in conversation with me now would never imagine that I ever stuttered, and I owe my present condition wholly to your instructions. I sincerely believe that any person, no matter how badly afflicted, may be cured in a very short time if they will but follow your instructions, and I will certainly recommend you to any stammerer that I may come in contact with.

**The Warrior Gentleman.**  
There's a song I remember, 'twas sung years ago.  
When the British were fighting the Boers  
And one of its verses, I think you'll agree  
Fits the answer required to a "T":  
"He does to his fellows as he'd be done  
By,  
He faces the world with an undaunted eye;  
He's anxious to live, but he's ready to die,  
At peace with his few enemies.  
"His word is his bond, and although he hates strife,  
When once he's aroused he will lay down his life  
For king and for country, for children and wife."  
You, that's what a gentleman is.

**Catsup.**  
Baltimore Sun.  
It isn't all tomatoes, dear,  
Nor seasoning and spice;  
A pinch of this, a pinch of that,  
With sugar sharp and nice,  
But half of it is memory  
Of fields of fruit and vine,  
And music of the larks above,  
And in this heart of mine.

It isn't what you think it is,  
Nor what you thought was there,  
But dreams are in it of the hills,  
And of the valleys fair,  
And songs are ringing through it, sweet,  
Of days and weeks of bloom,  
Of April showers and August sun  
And autumn's golden plume.

And when you fill the bottles, dear,  
A fairy helps you pour  
In every one a pinch of sun  
And cups of cool-o'-door.  
So, when we dip our meat in it,  
Some snowbound dinner time,  
To April's breath of June in tune  
To April's heart of rhyme.

**The Golden Time.**  
When is the golden time? you ask—the  
golden time of love,  
The time when earth is green beneath  
and skies are blue above;  
The time for sturdy health and strength;  
the time for happy play—  
When is the golden hour, you ask—I  
answer you, "To-day."  
To-day, that from the Maker's hand  
slips on the great world sea,  
As steaming ever ship that launched to  
sail eternally,  
To-day, that waits to you and me a  
breath of Eden's prime,  
That greets us glad and large and free—  
it is the golden time.

To-morrow is not ours to hold, may  
never come to bless  
Or bright our lives with weal or ill,  
with gladness or distress,  
No man shall clasp To-morrow's hand,  
nor catch her on the way;  
For when we reach To-morrow's land  
she'll be by then To-day.

Today, the golden time for peace, for  
righting olden feuds,  
For sending forth from every heart  
whatever sin intrudes,  
To-day the time to consecrate your life  
to God above,  
To-day the time to banish hate, the  
golden time for love.

**Each Mother Loves The Best.**  
As I walked over the hills one day,  
I listened, and heard a mother sheep say,  
"In all the green world there is nothing  
so sweet,  
As my little lambs with their nimble feet,  
With their eyes so bright,  
And their wool so white,  
Oh, he is my darling, my heart's delight,  
The robin, he  
That sings on the tree,  
Nearer may dot on his darlings four,  
But I love my one little lambskin more,"  
So the mother-sheep and the little one  
Side by side lay down in the sun;  
They went to sleep on the hillside so  
green.  
While my lambs lie here on my arm,  
I see  
But the old grey cat with her kittens  
I love,  
I heard her whispering soft, said she,  
"My kittens with tails all so cunningly  
curled,  
Are the prettiest things that can be in  
the world,  
The bird in the tree,  
And the old ewe, she,  
May love her babies exceedingly,  
But I love my kittens from morning to  
night,  
Which is the prettiest I cannot tell,  
Of the three for the life of me,  
I love them all to well,  
So I'll take up the kittens, the kittens  
I love,  
And we'll lie down beneath the warm  
stars,  
So the kittens lie under the stars so  
warm,  
While my little lambs lie here on my  
arm.

I went to the garden and saw the old  
hen  
Go clucking about with her chickens ten,  
She clucked, and she scratched, and she  
bristled away,  
And what do you think I heard her say?  
I heard her say, "This hen never did  
On anything like to these chickens of  
mine,  
You may hunt the full moon, and the  
stars if you please,  
But you'll never find ten such chickens  
as these.  
For lambs nor for kittens I won't part  
with these,  
Though the sheep and the cat should go  
down on their knees,  
My dear downy darlings, my sweet little  
things,  
Come, nestle now cozily under my  
wing.  
So the hen said,  
And the chickens sped,  
As fast as they could, to their warm  
feather bed,  
And there let them lie on their feathers  
so warm,  
While my little chick lies here on my  
arm.

**HE ENJOYS HIS MEALS NOW**

For He Keeps a "Little Digestor"  
Handy

Mr. Glasco, of Toronto, wrote us on  
May 13th last:  
THE COLEMAN MEDICINE CO.,  
590 Church St., Toronto.

Dear Sirs,—  
I wish you would send me another  
box of your "Little Digestors". All the  
members of my family have been using  
them and have obtained the most satis-  
factory results.  
I congratulate you on your success  
in putting up a tablet for the cure of  
indigestion. I suffered for years and  
tried everything that was recommended  
to me. Nothing gave me relief, until  
I was persuaded to try "Little Digestors".  
Now I never suffer from indigestion.  
I enjoy my meals and am not afraid  
to eat, because I know a "Little Digestor"  
after each meal will digest my food.  
I recommend them to all my friends  
who suffer from indigestion and would  
further say that you may publish the  
above if you wish. I know there are  
thousands of people suffering from  
indigestion who will be glad to know  
there is a safe and sure cure for them.  
Yours very truly,  
(Signed) E. S. GLASSCO.

**TONIC TREATMENT**

For Indigestion—Remedies That  
Digest Food Will Not Cure.

The tonic treatment for indigestion, dyspepsia, catarrh of the stomach and gastritis is having remarkable success in curing obstinate cases and deserves attention from every sufferer. Its principal is that remedies for indigestion that digest the food for the stomach give relief for only a short time. Ultimately they unfit the stomach to do its own proper work, because they make it already weak powers still weaker by distasteful, while the remedy that strengthens the stomach makes it capable of digesting the food for itself, and this benefit is lasting. A remedy that is not only a tonic for the stomach, but for the blood and nerves as well, invigorates the entire system and makes recovery from the painful, weakening effects of indigestion rapid and thorough. Every sufferer from indigestion will find in Dr. Williams' Pink Pills just the tonic needed, as they enrich the blood, tone the stomach and thus enable it to do the work nature intended it should do. This has been proved in thousands of cases, and it is worth the while of every sufferer from stomach trouble to give Dr. Williams' Pink Pills a fair trial. Edward Chatterton, Campbellton, N.B., says: "I have been a great sufferer from indigestion and stomach trouble and although I had treatment from several doctors, I did not find a cure until I began using Dr. Williams' Pink Pills. I can hardly describe how much I suffered at times. Every meal brought with it more or less agony, and I seemed to have a complete distaste for food. I had almost begun to think my case incurable when I came across a pamphlet advertising Dr. Williams' Pink Pills, and I decided to give them a trial. I am very thankful that I did so, for I had not been taking the pills long before I found them helping me, and in six weeks every symptom of the trouble had vanished. I can now eat heartily almost any kind of food, and no longer experience pain and discomfort after eating."  
It is because Dr. Williams' Pink Pills make new, rich blood that they cure such troubles as indigestion, rheumatism, neuralgia, headaches and backaches, St. Vitus' dance, and other forms of nerve trouble. They cure the irregularities of girlhood and womanhood, and bring ease, comfort and health to sufferers. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

**SETTLERS DISSATISFIED**

That They Cannot Get Permits to Kill Two Deer.

Dunbigh, Nov. 3.—Mrs. E. Wager has returned home, after several months' absence, which she enjoyed visiting friends and relatives at Deseronto and vicinity. She was accompanied by her mother, who will now be her guest for a while. Mrs. (Dr.) Adams, who also was away a couple of months, visiting her son and other relatives, has returned home. William Warlich, who sold his farm here last spring, and moved, with his family, to Berlin, Ont., with the intention of giving up farming, has changed his decision since he lived in town for one season, and moved his family back to Dunbigh, last week, and is now negotiating for the purchase of his former farm. Robert Ferguson has leased his farm to A. Armstrong, and is preparing to reside at Cobalt, where he is going to reside.  
Gustav Stein is away in New Ontario, with the intention of purchasing some real estate and removing with his family, there next spring. H. D. Bryan, of Rochester, paid one of his periodical visits to Deseronto and relatives in this vicinity, but will probably return to the city this week. Frank Chatson, Jr., of Brockville, is the guest of his parents, Mr. and Mrs. F. Chatson, and intends to remain during the hunting season.  
A great number of outside sportsmen, with their hounds, have already arrived in the vicinity. Most of the actual settlers here are very much dissatisfied that they cannot, this season, get settlers' permits to kill two deer for the use of their families for the nominal fee of twenty-five cents, but have to obtain a regular license, and some of them will likely run the risk of being fined for hunting without any license to do so. It was reported that a couple of camps, belonging to gangs of outside sportsmen, were burned last week.

**New York's General Grant.**

The park department found no wrong in paying a salary to a woman supervisor of playgrounds who went to school instead of to playgrounds, or in leasing privileges for one-half to one-tenth their value. The fire department failed to test its hose for fear it would break. The water department had no means of preventing waste of water or undercharging. The tenement house commission admitted an enormous waste of energy because delinquent law violators were not prosecuted. The health department has had only five per cent. to eight per cent. result from its school examinations. Two borough residents were removed by Governor Hughes for paying front two to five times the market value for supplies and for gross incompetency; a third ran away rather than stand trial. The comptroller has declared that from twenty-five per cent. to forty per cent. of the city's clerical staff, day laborers, etc., could be dismissed and public works thereby increased and improved. Civil service appointees have after discharge, recovered their positions and thousands of dollars for back pay because the law of discharge was blunderingly violated. Bellevue hospital bought high-priced milk for tuberculosis patients and gave it to hospital employees. It has paid \$500 more each for ambulances than the price offered.  
An Indian on the Mohawk Reserve was charged with assaulting and beating his wife. Mr. Anderson succeeded in settling the matter that both husband and wife shook hands, smiled and left the court-room hand in hand.  
The home of Mr. and Mrs. Allan Coburn, Brockville, was the scene, on Wednesday evening, of a pretty house wedding, when Miss Alice Griffith became the bride of Morden Fox, brother of Mrs. Coburn.

**VILLAGE OF ATHENS.**

Hears Rev. Dr. Crumsey's Brother Tell of His Work.

Athens, Nov. 1.—The funeral of the late Mrs. Charles Hawkins was conducted to the Methodist church yesterday afternoon. The date of the Anglican anniversary services has been fixed for Nov. 14th and 15th. Rev. G. S. Anderson, of Morrisburg, will assist.  
On Sunday evening last Rev. H. Sidney Crumsey, a younger brother of Dr. Eber Crumsey, spoke in the Methodist church of his work among the negroes on the lower east side of New York. By his personal contact with the boys in the playground, gymnasium, study, etc., in connection with his newsboys' club, he is training his boys for good citizenship. Mr. Crumsey is a graduate of Athens high school.  
James Sexton, the new high school principal, began his duties on Monday. Miss Morden and Miss Chandler, of the high school staff, have taken a flat in the Parish block.  
Eva Earl has been appointed to receive the forthcoming term. Mrs. E. Taylor, Mrs. William Towrie, Mrs. C. L. Lamb and Mrs. W. L. Johnston entertained recently.  
Yesterday three Athens ladies drove over to Addison to assist at their Thanksgiving services, under the auspices of the Woman's Missionary Society. Mrs. E. Jackson gave a most helpful talk, Mrs. C. C. Shuck gave an interesting account of her recent visit to the Church Rescue Home in Victoria, B.C., and Mrs. W. G. Lowrie gave two selected readings. Refreshments were served at the close of an enjoyable programme and a social hour was spent.  
Miss Ethel Rowson has gone to North Battleford, Sask., as a deaconess of the Anglican church.  
Miss Mary Livingston and her niece, Mrs. A. Gardner, Regina, have arrived here to spend a few weeks with friends. Miss Bess McLaughlin visited friends in Toronto last week and Miss Eulalia Wilce visited in Montreal.

**Budget From Flinton.**

Flinton, Nov. 2.—Charles Juby lost thirteen hens in less than forty-eight hours, by a strange disease. The Golden Plover mine has been sold to a new company, which will open shortly with plenty of work for all. James Fennie, the foreman of the Sudbury shanties, is here hiring men. G. F. A. Furner, Niel Beavy and a number of others intend going. Wages are \$30 to \$32 a month. Edward F. Jerome and bride have returned to Cape Vincent, after a pleasant week's visit. A dance and reception was held at the home of his brother, George L. Jerome, in honor of the couple. Potatoes have turned out well. Hogs and cattle seem to be scarce throughout the country. Mr. Perry, the game inspector, is on the lookout for some of the gamblers. Mrs. F. Furner spent her sixtieth birthday at J. B. Pringle's. Mrs. William Pringle is returning to her home in New York, after a two years' visit among old friends and acquaintances. Frederick Bushor arrived home from Croghan after an absence of three years. His old friends are pleased to see him. George H. Keller has returned to his old home at Dead Creek, after spending the summer here with his daughter, Mrs. J. D. Pringle. Mr. Keller intends going to Cobalt to visit his daughter and son, who reside there.

**The marriage of Miss Belle Vanocan.**

late of Smith's Falls, to Clifford Mowbray Church, York, N.D., son of Mr. and Mrs. James O. Church, of Brockville, took place at Merivilleville.  
On Thursday, at Elgin, one of South Crosby's oldest residents was laid at rest in the person of Thomas Johnston, at the ripe age of eighty-nine years.
