Just Look At The Conveniences You Have In The "Peerless Peninsular"

There's the **Key Plate** for broiling. By pushing the handle up, as shown, the steak or chops may be broiled right over the coals.

There's the **Low Closet**—a handy place for irons, pots, pans, etc.

There's the **Drop Oven Door**—which forms a shelf when opened, level with the floor of the oven.

There are other special features which make the "Peerless Peninsular" just the kind of range which every woman, who takes pride in her cooking, wants in her kitchen.

Being made of **castiron**, the "Peerless Peninsular" will not rust through.

Write for free catalogue, which illustrates and describes the "Peerless" line.

We will also send name of a nearby dealer who carries "Peerless Peninsular" Ranges.

A Man in White.

New York Sun.

There are many well-dressed persons at Long Beach, but the observed of all the observers a week or so ago was Frank A. Vandriep, president of the National City Club. For many years Mr. Vandriep has been famous for his sartorial perfection, always appearing correctly dressed, but this summer he has gone even further; he has invested a costume, now to this country at least—evolving clothes of pure white. Mr. Vandriep spent several days at Long Beach. All three had to sit up and take notice when he strode into the dining-room of the Nassau hotel, clad in his evening clothes of pure white. The trousers were of the regulation dress trousers, the waistcoat was the regulation V-shaped evening waistcoat. The front view of the coat is very much the same as that of the regular dresscoat. The collar and the facing on the lapels were of white silk. The effect was carried out by white soft leather shoes and a white silk bow tie.

Could Stand It.

London Argonaut.

Professor Robert Herriek possesses a full share of the artist's sensitiveness in regard to the inartistic. Some years ago he had for next-door neighbors a family among whose charms good taste was lacking. One morning the professor's little daughter made an unexpected call at the house of this family. "Show me the rug in your room," she demanded. The lady of the house suppressed her wonder and took her little visitor upstairs. Inside the door the child stood and stared at the rug for a couple of minutes. "Hum!" she said, and sat herself firmly in a chair, her eyes glued to the rug. Finally she confided to her wondering hostess: "Well, it doesn't make me sick!"

"Only Six Weeks To Live"

Constipation, Biliousness, Indigestion, Rheumatism.

A Dying Woman Rescued Through the Timely Use of DR. HAMILTON'S PILLS.

"My doctor told me I had only six weeks to live—that nothing human could help me, but to-day I am hearty and well, because I took a long treatment with Dr. Hamilton's Pills—they saved my life."

Continuing her declaration, Mrs. Jamieson says: "I had from childhood been a sufferer from biliousness and liver complaint. I suffered excessively from wind and could not eat my food without feeling ill afterwards. Sometimes I was so bad I couldn't stand up straight for the pain. The wind settled in my stomach, chest and sides, and always caused blinding headaches. At times I seemed one mass of aches and pains—I became rheumatic because my blood was so poor. The benefit I received from the first box of Dr. Hamilton's Pills encouraged me and I continued their use, three to five pills a week, for several months and was brought to the most perfect condition of health."

If you suffer from constipation, flatulence, indigestion, palpitation, anaemia, headaches, nervousness, sleeplessness, depression, general debility, loss of appetite, liver and kidney troubles, acute and chronic dyspepsia, or any form of stomach and digestive weakness, you may look with certain hope for a complete cure by the use of Dr. Hamilton's Pills. They are mild and sure to cure. Price 25c. per box, or five boxes for \$1, at all dealers or the Cattaraugus company, Kingston, Ont.
