garding Repairs.

Reeve Rankin, of Kingston townhip, on Monday, served Patrick ludge, of No. 1 toll gate, on the Kingston-Portland Road, with an or der from the Ontario public works department, that the road must be repaired at once, or the collection of toll must cease after August 1st next. This order was made as a result of the visit to the road, last week, of A. J. Halford, Outario inspector of toll roads, on the complaint of a number of ratepayers of Kingston and Port-

on which they have to pay toll. Inspector Halford reported to Hon. J. O. Reaume, minister of the public works department, that the above mentioned road, extending from the Sydenham Road, in Kingston township, to the Harrowsmith and Wilton Road, in Portland township, a dis repair through its entire length as, in his opinion, to justify an order for the cessor of the right to tolls, in respect to the whole road. The minister approved the order, and the likelihood is that the company owning the road will abandon it, as the needed repairs will be costly. The townships of Portland and Kingston will then have to maintain the road, but will receive government aid towards its rebuild-
