Desired Washington Embassy.

WITH OUR GREAT TRADE took office he came to Ottawa and NEIGHBOR TO SOUTH.

Respectful and Cordial Are the ton, he has taken no step without Relations of the Two Greet Nations-Sir Wilfrid Laurier Advised Withdrawal of Resolution and it Was Done.

Special to the Whig. yesterday, E. N. Lewis raised the ima Canadian representative at ing a direct medium whereby the govthe British ambassador at Washingto international relations affecting the United States. In moving the resolution, Mr. Lewis disavowed separationist tendency. He was simply urging the full operation of the

But mistress in my own.' The conduct of Canada's affairs with the United States now had be carried on through too long and too roundabout a medium of communication. There should be some representative of Canada to act in , a constant advisory capacity with the British embassy, since practically seven-tenths of the business of the em bassy at Washington pertained to matters concerning Canada. British ambassador, who had never lived in Canada, could naturally know but comparatively little of conditions and viewpoints here, and Canada should, herself, be in the best position to conduct her own business with her lue to the company for loss sustaingreat trade neighbor. The matters affecting the waterways and the international boundary were already in process of satisfactory adjustment by the joint representatives of Canada and the United States, and he believe ed a similar course should be followed with all other matters affecting

"Daughter am I in my mother's house,

the two countries. Sir Wilfrid Laurier agreed that the affairs of the two great branches of the Anglo-Saxon race should be conducted in a cordial and harmonious spirit. He was glad to say that the relations between the United States and Great Britain had never been so friendly as at present. There was nothing said now in the states about twisting the lion's tail, or in Britain about Yankee aggressiveness, but the language was respectful and cordial. The Spanish-American war had shown | chashed the old story of the govthat blood was thicker than water, ernment's dealings with the com- The Very Latest Gulled From All and it was obvious during that strug-
