would be considered full settlement. The annual meeting of the Gananoque public library was held last evening. Reports from Secretary G. J. Wilson, showed a balance to the good of \$39.63. F. GREAT EMACIATION
Sleeplessness and Nervousness Cured.
If the overly thin people knew the danger they run from pneumonia and consumption they would get a move on and try and get fat. It isn't necessary to be thin—even though you were born that way, and the following statement from Miss Laura Landenberg proves it. "I am a forewoman in a paper box department, and have to make good. To a stranger coming in it looks easy, but it involves a constant strain upon the brain and nerves to keep a lot of operators right up to their best all the time. The first unpleasant symptom was pain at the back of the neck, sometimes it started early, but usually not until afternoon. It made me fidgety and irritable, and did not digest well. I grew so thin I became frightened. Medicine didn't seem to help—the doctor said it was 'nerves.' Mother said I must use Ferronose. It had cured her sister of poverty of the blood and nervousness. I am glad mother knew about Ferronose, for it built me up well. I didn't lose a day at my work. After the first box my nerves were stronger. I felt brighter, got rid of the pain and sore tired feet. I am a strong, ruddy, happy girl, and give Ferronose all the praise."

No other tonic contains the nourishment, the fatening, blood-forming properties that are so scientifically combined in Ferronose. Watch the result of taking one or two Ferronose Tablets with your meals for a month. You'll be surprised. Fifty cents per box, six for \$2.50, at all dealers.
