THE SPORT REVIEW

LOCAL HOCKEY GAMES THIS EVENING.

Royals vs. St. James and R.C.H.A. vs. Loyals will be the Games—The Cadets have a Practice—Other News of Sport.

"Jim" Sutherland's junior Frontenacs came out with flying colors in Trenton, on Monday night, winning out by a score of 5-1, after a hard fought game. The Kingston boys had it over their opponents from end to end, and were never in danger of defeat. This makes two wins for Frontenacs, and gives them a fine start, in the first round.

Trenton's fine new rink was opened, on Monday evening, in honor of the first game, and needless to say, was packed full of people. The rink, according to the Kingston players, is a fine large one, and is exceptionally well lighted. The crowd became excited as the game progressed, cheering wildly for both sides, whenever a player made a good showing.

The Frontenacs played the game as one of the fastest and cleanest they ever played in, and that they were kept playing every minute. The team was different from the one that defeated Belleville, here, last week, "Bill" Hazlet replacing Hyland at cover-point, and Moran taking Grat-tan's place at centre. Leo Millan taking Moran's place on the wing. Millan played his first game with the Frontenacs, on Monday, and he certainly made a decided hit. In the first half, Frontenacs scored five goals, and every one was scored by him, unaided. He played stellar hockey from end to end, and is certainly a find. In the last half, Brouse got two goals and Davidson got two, two of the above four being scored on Millan's pass. The new man proved himself the best man on the team, and won his spurs in a short time.

The only dangerous man Trenton has is a fellow named Armstrong, who is described as a whirlwind. He did all Trenton's scoring, and as he is so fast no one can stay with him, he had to do it all alone.

The Frontenacs lined up as follows: Marchand, goal; E. Davidson, point; Hazlet, cover; Brouse, rover; Moran, centre; A. Davidson, right wing; Millan, left wing.

Lou Marsh, Toronto, made a satirical factory referee.

Some of the Kingston players were off color, Moran not playing as good a game as he can, and Brouse was a little off color in spots. The change in the defence was an improvement. The team will practice on Wednesday night, after the Frontenac-Argo game, to keep in trim for their game with Picton, in Picton, on Friday night.

Argos Coming Down.
Reginald Crawford, secretary of the Frontenac Hockey Club, received a telegram from W. M. Taylor, of the Toronto Argonaut Club, on Monday evening, that his club agreed to the terms offered by the Frontenacs and would play here on Wednesday (tomorrow) night. The game, while only an exhibition one, will be a good thing for both teams, and will show the locals what to expect from the west this season.

At the present moment Frontenacs are a little handicapped, especially on the defence, but should be able to put a good team on the ice. The game on Monday evening was well attended, and the rail riders were greatly pleased to see "Jack" Powell out in uniform. "Senator" cannot stay out of the game, and his many friends who have been a little contented, George Vanhorn is now the only one of last year's team to yet make his appearance.

The following players were out on Monday night—Crawford, McCartney, Lemmon, Richardson, Grat-tan, Nicholson, Saunders, Powell, Lindsay and George McKay. The team will likely be picked from these players.

Granites to Work Out.
The Granite hockey team will practice at the Palace rink, at seven o'clock this evening, and all players, senior and junior, are requested to be out. Manager Godwin has signed Kenneth Osgood, who played scrumming for Queen's senior football team, this past year, to play on Granites' defence. Osgood is a good man and will strengthen the team considerably.

Three Local Teams.
Three of the four teams that will play at Royal rink to-night, will line up as follows:
Wormwits—Smith, goal; Stanton, rover; Murray, centre; Duffy, right wing; W. Cunniff, left wing.

Royals—Kennedy, goal; Cherry, point; Lemmon, cover; B. Ainslie, rover; Muckler, centre; M. Ainslie, right wing; Charles, left wing.
St. James—Roberty, goal; Sargent, point; Singleton, cover; Atkinson, centre; Richie, rover; Davidson, right wing; Merchant, left wing.

Y.M.C.A. Junior Hockey League.
A meeting of the executive of the Y.M.C.A. junior hockey league was held on Monday afternoon. Four teams have entered, the Y.M.C.A., managed by J. J. Thompson, the Indians, by R. B. Noller, St. Mary's, by J. Riedy, and the Wolves, by Hugh Toland. The following schedule was adopted:
Jan. 15—Y.M.C.A. at Indians.
Jan. 16—St. Mary's at Wolves.
Jan. 17—Indians at St. Mary's.
Jan. 21—Y.M.C.A. at Wolves.
Jan. 22—Wolves at St. Mary's.
Jan. 23—Y.M.C.A. at Wolves.
Feb. 5—Y.M.C.A. at Indians.
Feb. 5—St. Mary's at Wolves.
Feb. 12—Y.M.C.A. at Wolves.
Feb. 19—Wolves at Indians.
Feb. 19—St. Mary's at Y.M.C.A.
The games will all be played on Saturday morning, the first game from nine to ten, and the second from ten to eleven.

Two Games To-night.
The Kingston Amateur Hockey League will open this evening, at Royal rink, at eight o'clock. The first game will be between Royals and St. James, and the second game, at nine o'clock, between Royals and the R.C.H.A. The league opens with a double header, and as each game will be a

fine one, a big crowd should be present. The four teams in this league are composed of good hockey players, who have played for years, and besides playing in this league, many are playing in the O.H.A. These games are all fast, clean exhibitions of hockey, and should draw good attendances.

Cadets At Practice.
The Cadets had a fine practice at the covered rink, on Monday evening, from nine to ten o'clock. The soldiers had two full teams out and every man showed up well. All the old team, with one exception, were out, and for the one vacant place there will be a host of applicants. All last year's players are playing as fast and in many cases faster hockey than before, and all the new ones are showing excellent form.

Robertson, the local boy, looks fair for a place on either senior or junior. He is playing better hockey this year than last, and, besides, has added a little to both height and weight, which will help a lot. The following players were out: Powell, Parr, Holt, McAvity, Smith, Lewis, McLennan, Wright, Adams, Carruthers, Sutherland, Cosgrave, Campbell, Robertson and Helmer. The soldiers will have another practice this week.

Curling Teams For Belleville.
The first games in the Eastern Ontario curling series will be played in Belleville on Wednesday evening. Kingston will send four teams, two senior and two junior teams. The senior skips will be E. Lyons and The senior skips will be E. Lyons and M. Asseltine and E. O. Slier.

Notes On Sport.
In the Leeds County league Westport defeated Athens 13 to 6.
"Grindy" Forrester, of Winnipeg, has been secured by the Montreal Shamrocks.
The Toronto newspapers are not in sympathy with the Ontario Professional Hockey League.

"Jack" Winchester, goal-keeper of the Edmonton team, is a son of James Winchester, Toronto, the Canadian rug-by footballer who died in Montreal, and J. W. Stee, of Toronto, vice-president. Some slight changes were made in the playing rules.

Percy Molson, of Montreal, was elected president of the Canadian rug-by football union at Montreal, and J. W. Stee, of Toronto, vice-president. Some slight changes were made in the playing rules.

Jeffries was born in a small town named Carroll, O., on April 15th, 1875, and is the son of a prominent farmer of that place. As to his original nationality Jeff comes from the good old Scotch stock on his father's side, and Dutch on his mother's side.

The Montreal rugby club has never finished the season with a surplus. Three years ago when the team won the championship, the club lost \$2,200, next year \$1,800, and last year about \$1,200, and yet nothing was thought of it simply because the club has a membership of 2,500 active members, who pay \$15 a year, and 1,500 entitled to take in the rugby games on their club ticket.

AT ST. GEORGE'S HALL

MISSIONARY ADDRESSES GIVEN ON MONDAY NIGHT.

A Strong Appeal Was Put Forth by Speakers for Still Greater Effort—Meeting was Very Largely Attended—Fine Addresses Were Given.

There was a very large attendance at the missionary meeting, held on Monday night, in St. George's hall, in fact the attendance was so large that extra chairs had to be brought into service. Bishop Mills presided, and the opening prayer was said by Dean Bidwell.

Bishop Mills was the first to address the meeting, and he expressed his delight at having Bishop Farthing and Mrs. Farthing present. He referred to the work of the Laymen's Missionary Movement, pointing out that the organization had accomplished very much for the work of missions. Although as much had not been accomplished as had been hoped for, greater things were expected. At the organization meeting, the members were very enthusiastic, and he expressed the hope that this enthusiasm would be kept up, and that there would be still greater work.

Dr. J. W. W. Crawford gave a most interesting address, referring to his work in Africa, and Rev. R. H. Haslam, who has been laboring in India, also spoke. One point emphasized by Rev. Mr. Haslam, was that India was not in the state of unrest, as it was claimed by some of the newspapers. There were two hundred million people there who were not educated, and who were quite willing to be governed, as long as they were well governed. He asked that the church at home take more interest in the missionary work abroad.

Bishop Farthing pointed out that last year, the Anglicans gave more per capita, for the missionary cause, than any other church. St. George's cathedral gave \$1,400 for missions. He urged that still greater effort be put forth. Some men he said might do with one cigar less per day, and that the lady could help by not paying such a high price for their hats, and giving a little more for missions. He had heard of women paying as high as \$250 for a hat. This was wicked, no matter whether the person was rich or not.

AT THE GRAND.
To-night "Uncle Tom's Cabin" Will Be Seen.
The survival of "Uncle Tom's Cabin" is something to marvel over, but it is an assured fact. The elaborate renovation of the old play by Manager Washburn, of the Stetson company, in a new pictorial dress with up-to-date methods plentifully displayed throughout its half dozen acts, judging from the box office receipts, wherever this company plays, furnishes ample proof that "Uncle Tom's Cabin" is still potent. Special scenery for every scene depicted, enlarged choruses of negroes from the Grand, and a modern up-to-date cast, consisting of male and female quartettes, a band of soft pickaninnies, improved light effects and mechanical illusions will be seen in the Stetson production of this famous play. The presenting company in some instances is a double bill, and contains the names of numerous footlight favorites. The Stetson company comes to the Grand to-night.

"The Blue Mouse."
No vote for popularity honors was necessary to place "The Blue Mouse" on the top of the list as the most engrossing farce of the present age. It just happened over night, the place was the Lyric theatre, New York. Next morning all Manhattan was in good humor and the laugh waves soon swept to other cities. In an account of the enormous success which fell to the lot of the New York company, the original cast was not sent on tour, and the Shuberts, who control the rights to "The Blue Mouse," are in favor of this city by sending here on second of a series of such affairs held on Thursday, January 15th, at the Grand Lyric theatre, including Mabel Harrison as Paulette Divine (the Blue Mouse), Henry Conner as President Jewell, Jameson Lee Finney, Zelda Sears, and the other farceurs, who aided in bringing the piece into popular favor.

Clyde Fitch is responsible for the farce, which is an adaptation from the Lyric theatre, New York. The production in a manner, which is said to be a distinct departure from the farces that have gone before.

"Tempest and Sunshine."
A story that reaches the heart and brings back memories of other days that we all like to remember. Such is the successful dramatization of Mary J. Holmes' popular novel, "Tempest and Sunshine," to be seen at the Grand on Saturday, Jan. 15th, matinee and night.

Ice In The Harbor.
Men are at present cutting ice near Anglin's slip, for a local wholesale warehouse, and the men say that the ice is from twelve to fourteen inches thick. The harbor master has had the ice at the foot of Clarence street and that at the Montreal Transportation company's slip marked off. The trailing to and from Wolfe Island is good.

Changes in Ontario Diocese.

Rev. vacated through the removal to Wingham of Rev. E. H. Croly. Rev. T. Fenton has been appointed to a Wellington mission, vice Rev. C. R. de Penier, removed to Oshawa.

LOOKING FOR MEAN MAN.

Collected Twice for Quarter Beef Sold on Market.

The police and the market clerk are on the look-out for a market butcher, who, if the story told about him is true, is one of the meanest men in the world. It is stated that on Saturday, a citizen, who boards on Alfred street, purchased a quarter of beef from him, paying him \$6.80 for it, and telling him to deliver it to the boarding house. The man took the beef there, so it is claimed, but it is alleged that when he arrived at the house with it, he informed the boarding house mistress that he had bought the beef, that the understanding was that he was to collect the money for it. He said that the bill amounted to \$6.80, but that he would ask for \$6.50 and call everything square. The woman paid over the money, and was very much surprised, when her boarder arrived upon the scene, to find that he had already paid the butcher for the beef. The police and the market clerk were immediately notified about the matter, and ever since they have been endeavoring to locate the man. Up to the present, he has not been located, but a warm time is in store for him, if he does not make things usually.

JOLLY CROWD OF SKATERS.

Large Turn-out at Palace Rink Last Night.

The Palace rink had a jolly crowd of skaters, last night, and the many present, thoroughly enjoyed themselves. The weather was somewhat nippy, but Jack Frost was respectful for this. Skating in the open air is a healthy sport, and is becoming very popular this season. The Palace rink is being well patronized, and Stansbury Bros., who are giving the best they can for the money, are being congratulated on all sides. The band was in attendance last night. The rink has a large skating area, is well lighted, and the best of accommodation is given for the putting on of skates.

Impure Blood.

Let the blood become impure or impoverished and the nerves, which draw their nutriment from the blood, are apt to reply with pain. Rheumatism, neuralgia, locomotor ataxia, and other painful affections arise from impure blood. Debility and muscular weakness has the same cause. The certain remedy is Iron Tonic Pills (Laxative).

They are a great nerve strengthener and blood maker. In boxes, 25c., at J. B. McLeod's drug store, corner King and Brock streets (Wade's old stand) and corner Princess and Montreal streets.

Money back if not satisfactory.
On Monday evening the members of the Knights of Columbus held a most enjoyable "At Home" at their club rooms, on King street. There was a very large attendance of the members and their friends and it was indeed a jolly gathering that was held in the cozy rooms of the club. There was cards and dancing, and a general good time for everyone. This is the second of a series of such affairs held by the club. During the evening dainty refreshments were served.

Milk Wagon Again Suffers.

The same team of horses that ran away with a milk wagon a few days ago, scattering the milk all over the road, did the same trick on Monday, this time succeeding in breaking the milk wagon very badly. The team ran from away down Bagot street, spilled all the milk, turned the sleigh over, tearing the top off it, and doing other damage. Fortunately the driver was able to get away without being injured. A trade of horses would be a good investment.

National Drug Co. goods the finest and most reliable of family medicines. They are sold at Best's.
