A BLIZZARDY TIME

TORONTO IS SUFFERING FROM DIFFICULTIES.

The Street Cars Were Kept Running in Fair Time—The Trains From West are all Behind.

Toronto, Jan. 14.—A regular western blizzard struck Toronto, early this morning, and, as a result, the city is, to-day, struggling along under difficulties. The street railway had prepared itself for the storm, and, in consequence, managed to keep all cars running pretty well on time. Suburban lines, too, succeeded in keeping their tracks clear. All railway trains from the west are away behind time, however, some as much as three hours. The storm still continues.

Fire from the furnace started a blaze under the stairs of the St. Clair Avenue school, West Toronto, this morning, and within fifteen seconds of its discovery the stairs were blazing briskly. The children were all got out in safety, but some had to be taken out by the windows. Most of those in the upper flat went down the burning stair, but a few would not pass the fire and returned. One boy, named Taylor, jumped from a second storey window and broke a leg. Two others also jumped, but escaped injury. There was a great deal of excitement for a time, but the blaze was put out with an extinguisher before serious damage had been done.

TURKEY ISSUES AN ULTIMATUM

Constantinople, Jan. 14.—The Turkish government, to-day, sent an ultimatum to the powers that if Crete, which is under Turkish suzerainty, carried out her intention of sending deputies to the Greek parliament, Turkey will seize Thessaly and hold it as security for Turkish interests.

Thessaly is the northernmost division of Greece. Ever since the abortive attempt of Crete to annex herself to Greece, failed, through the intervention of the guardian powers, the island has been stirring up trouble and is still insisting of political union with Greece. Turkey recently sent a communication to the powers regarding Crete but received an unsatisfactory answer.

To Arrange A Game.

Arrangements are on foot for a hockey match between the Kingston & Pembroke railway team and the hockey team, at Verona. It is just possible that the game will be played some evening next week, at Verona. Last year, the railroaders had one of the fastest teams in the city, and it is expected that they will be able to "go some" this season.

A meeting of the City Baseball League will be held at 8 o'clock this evening in the Hall Hotel, to elect officers and talk over the business for the coming year.

Notes on Sport.

Games have made final arrangements with St. Michael's, holders of the O.H.A. senior championship, for an exhibition game on Monday night.

The Royal hockey team was defeated in Deseronto, on Thursday evening, eight goals to 1. Deseronto has a very strong team that has not lost a game yet this season.

The junior intercollegiate series will open here this evening when the Collegiates will meet Queen's III. Collegiates are present holders of the trophy and will make a good bid to hold it.

Two basketball games were scheduled for Thursday evening at the Y.M.C.A. for the McFedridge trophy, but both were postponed. The teams do not seem to be taking as great an interest in the game as they should.

The Irishmen and the Wolves played an exhibition game at the Palace rink on Thursday evening before a large crowd, the former team winning one-fourth goal to one. The Irishmen have a strong team and will be well heard of in the city league series.
