Gin Pills Guard Both.

Think of being stricken down by illness at a lonely ranch—or all alone, in the great north woods! Many times, this has happened to those hardy pioneers who "blazed the trail" to new fields.

Mr. James is one of these brave men who is making a name and a fortune for himself in the far West. Unfortunately, Mr. James overtaxed his strength and for a time, it looked as if he would have to give up his claims and his work.

"I have much pleasure in testifying to what Gin Pills have done for me. I divide the year about equally, working on the ranch and on various logging claims, being consequently entirely dependent on bodily fitness for a living.

At times, I have suffered like many others in this country from Backache and Weak Kidneys, sometimes to the extent of being laid off for weeks altogether. Having tried many remedies, I have pleasure in stating that your Gin Pills are the only remedy from which I have received any permanent benefit.

Had Weak Kidneys For Two Years.

Doctor Failed to Help. Doan's Kidney Pills Cured Him.

Mr. Edmund Assis, New Carlisle, Que., writes: "I feel it my duty to let you know of the great cure I have obtained by using Doan's Kidney Pills. I was troubled with my kidneys for two years. I tried a doctor, but he failed to help me. I read in the B.B.B. Almanac about Doan's Kidney Pills and began using them, and after the first box began to feel better. I only used four boxes and they completely cured me. I am very thankful to have found so speedy a cure, and would advise everyone suffering from kidney disease to try them."

Perhaps no other organs work harder than the kidneys to preserve the general health of the body and most people are troubled with some kind of kidney complaint, but do not suspect it. It may have been in the system for some time. There may have been backache, swelling of the feet and ankles, disturbances of the urinary organs, such as brick dust deposit in the urine, highly colored, scanty or cloudy urine, bladder pains, frequent or suppressed urination, burning sensation when urinating, etc.

Do not neglect any of these symptoms, for if neglected they will eventually lead to Bright's Disease, Dropsy and Diabetes. Price 50 cents per box, or 3 boxes for \$1.25, at all dealers or The T. Milburn Co., Limited, Toronto.

In ordering specify "Doan's."
