AMONG BUFFALOS.

An Accident in High Park-Horse and Rig Went Over an Embank-

driving in High Park, with their five- dividual. year-old niece, yesterday afternoon, Materialism reduces man to a mere when an automobile, coming toward aggregate of atoms. It regards him them, they drew aside to let it pass, as a peculiar form of organism with-They got too far, however, and the in the universe. In its theory of organism horse and sleigh slid down the em- igins there is nothing but a primal bankment right against the fence of cell. Our power of thought and will the Buffalo pen, upsetting and throwing the occupants out. The fence ities of a cunningly contrived magave way and the horse went right chine. But materialism refutes itself, falos paid no attention to it. Mr. promise and potency of the genius of shock but the little girl's face was thoven, or the soul of a St. John, is

Joseph Schewell, Italian, arrested Societo the pantheistic view of man on the charge of wounding two girls which could treat him as a transient on the charge of wounding two girls on a Shuter street boarding house, a week ago Saturday, was committed for trial by the magistrate this morning. T. C. Robinette, who defended, said he desired time to make enquiries as he had been informed that quiries as he had been informed that his skull.

A HORRIBLE CRIME.

Cincinnati, O., Jan. 31.—Bound and the cell to the plant, from the plant States consul-general, at London, who gagged, the body of Mrs. Alice Van to the animal, from the animal to the was in the Pullman, escaped uninjuration and to the animal, from the animal to the cell to the animal to the was in the Pullman, escaped uninjuration and to the cell to the animal to the cell to the cell to the animal to the cell Zandt, burned to a crisp, was found lying on top of the gas stove in her kitchen. The woman had met her death while her three young children were playing in the adjoining room.

Jesse A. Van Zandt, the woman's husband, is held as a witness. The husband is held as a witness. The husband is held as a witness again home and touches God. Such a view of human its side. The car in which I was seated rocked so violently that many lits seated rocked so violently that many are will find it advantageous to conserve will find it advantage

The coroner says Mrs. Van Zandt was first choked unconscious, then bound and gagged with strips torn from a lace curtain and placed across the stove, with her head in the flames of the burner. The horror of the crime is increased by the coroner's statement that the woman must have recovered consciousness before death. When found all her clothes had been burned off the hody and the flesh was shield in a tore. Dark and sad and a coupling caused the accident

fuge. On her father's recommendation, may ultimately fulfil the highest law however, she was sent instead to a of his being, and through Christ come

Simultaneous Elections.

Toronto News.

One thing stands out clearly from the British election returns. In these days of ample transportation facilities the extension of the politing over two or three weeks cannot be justified. In the practice has in initial on a charge of bayene at least of the practice has in initial on a charge of bayene at least one at least of the practice has in initial on a charge of bayene at least one at or three weeks cannot be justified. In the present instance the practice has furnished newspaper readers with the most exciting of serial stories. The conclusion of each daily chapter leaves the outcome more uncertain than its predecessor. The fate of both the hero and the viliain is always in doubt. But elections should not be conclusion. Polling should wick for 1910. The appointment was newspaper circulation. Polling should wick, for 1219. The appointment was be held simultaneously all over the made by Mount Allison.
