NEW NAPOLEON SHAPES FOR YOUTHFUL FACES.

Adaptable to All Faces-Women Hail With Delight the Returning Vogue of the Becoming Velvet Facing.

No matter how many hats a woman may be able to purchase each season, the first consideration, so soon Rs millinery show windows remind her that spring is approaching, is to select a knockabout straw, as that is the kind of head-covering most suitable for general running about and for travelling during the entire sum-Instead of flowmer and autumn. For this purpose the rough straws are iar and away the best selection, as they are, in ornamental, and, if a really. scarcely any trimming. It is the cheap straw hat which demands quantity of decoration, whereas the decided lines of the high-class blockings are the better emphasized by a bow set at precisely the right angle. Dr. Morse's Indian Root Pills. They Many of the new rough straws designed for general wear have no trimming beyond a black velvet bow of good size set flatly against the front or side of the brim; others rest direturns to its normal course, the food is rectly against the crown, with the again digested properly and all the dis- ends of a loop or two projecting above it, and its additional height is desired an aigrette or a bunch of fancy wings may be used. Napoleons are more than ever popu-

Catarrh Cannot be Cured.

Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and raucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in coring
