MASTERS OF QUEEN'S.

Second Half.

ing, the present champions of the sen- has always spoken for them. ior O.H.A., St. Michael's, of Toronto, had a very easy time disposing of cup, winning out 10 to 4, after slow, uninteresting match. At half time, the score stood 8 goals to 1 for the winners. The ice was in very poor condition, soft and sticky, and in a way prohibited good hockey be ing played. The crowd was also very slim, and very quiet. The only cheering done during the game was at half lime, when the spectators became inerested over the men cleaning the Queen's were plainly outclassed. I

the first half they put up a sad game. When one considered the way that the Presbyterians played last year, the way the forward line played all through last season, it was pitiful to at Winnipeg watch last evening's performance. Of course, the sticky ice would not allow any lightning fast plays, but it would have allowed a far faster half than the first half was. The play started slow and ended slow. St. Miques took the play in hand in the first two minutes, and never lost control to during the period, scoring 8 goals against Wanderers at Montreal next figured that quite a saving in fue! week.

The curling match of the Bay of the stoves, a saving that alone will passed away, at the general hospital, and beloved daughter of the other players show old-time form, but not long enough to be dan-

The line was very weak, very little combination was attempted, the rushes being all individual, and when the man with the puck was checked, he did not seem to know that there was The forwards would rush as far as they could, and when they lost the puck, would patiently wait for the rebert was a little off form, not play-Mathews work like Trojans. They are old.

Neither team showed championship form, St. Miques looking like a good a great difference; but Queen's would have an exceptionally hard, almost impossible, task to pull out with a
