Qin Pills Prove It

It is one thing to claim to cure Rheu matism. It is quite another to do it. Gin Pilis bear out every claim we make for they are not a "favorite prescription" or a "marvellous discovery" or a "wonderful secret preparation.

They are simply a common-sense, scientific combination of medicines that have proved their value in Rheumatism, Kidney and Bladder Troubles, and Disorders of the Liver,

Ogden, N. S., July 1st, 1909. "I have been troubled with Rheumatism so bad that I could not work. A doctor tended me and advised me to go to the hospital but all of no good until a friend told me to try Gin Pills. I did so and after using a few boxes, I am perectly cured. I am recommending Gin D. J. LAWLER,

no reason why Mr. Lawler's case should be any different from yours He took Gin Pills and cured himself of them and cure yourself?

We will let you test them free, A sample of Gin Pills will be sent you, absolutely free, if you write the National Drug & Chem. Co. Limited Dept. B.

> DODGING A RESPONSIBILITY. There is a bill before the New York legislature which, if passed, will hold the parents or guardians of children responsible for the sins or offences of of the children-when they are under neglect or indifference of the children, salmon, etc., they would be cheaper and there are a good many who will too. occasion to comment upon the scene occur in spices and vegetables. court some time ago, when several the price of wheat to the farmer is girls were confronted with their par- higher. Beans are up for the reason that the farmer is holding on to his showed any manifestation of grief," tion.

the impossible. WRECKED BY MORPHINE.

A physician in Ottawa laments the fact that an increasing number of persons are sufferers from the morphine habit. How they get the drug is the puzzle of the profession. They must have doctors' prescriptions, but the and the inference is that they revive and again. "The patient probably needed the morphine when he was ill and was given a prescription for it," said the medical man, and it revives that which a certain practit- for it." ioner said in Kingston not so longago, namely, that morphine should not be prescribed, and that no one should be encouraged to buy handle it. Nor is there very much excuse for the misapplication of an old cheaper. prescription. Each order from habit is so destructive of one's use have some effect. fulness it should be guarded against in every way, and it is for the doctors of the city to protect their tients from the injury of the drug There are some people who should not
