

WASH GOODS

Right now, while we are all wearing furs, many people are choosing Wash Fabrics. Every day sees many yards of these tempting stuffs sold. Wise buyers know that the prices will be no lower until the season is well advanced. They also know that the early buyers get first choice.

We are making a display of Wash Goods this week, on one of the centre tables, and we expect our patrons and friends to take advantage of this display, to come and see what the season offers.

UNCONFESSSED ACT

BABY GOES TO JAIL WITH ITS MOTHER.

Hamilton Woman Sentenced to One Month for Shop-Lifting—Blamed a Child For the Crime.

Hamilton, Ont., Feb. 17.—Hugging her three-months-old child to her breast and sobbing as if her heart would break, Mrs. Landrey was sentenced to one month in jail by Magistrate Jelfs, yesterday, after he had found her guilty of shoplifting. It was proven that she had stolen a number of articles from Stanley Mills' departmental store. The worst feature of the case was that, though the evidence was so convincing against the woman, she sought to lay the blame on another child, who carried a bag ostensibly for the purpose of putting the stolen articles in it. The baby went to jail with the mother, and there was not a dry eye in the court as the two left.

GANANOQUE TIDINGS.

Tiger Hockey Team Went to Seely's Bay to be Lionized.

Gananoque, Feb. 17.—The home of Mr. and Mrs. James McNeely, a few miles east of Gananoque, was the scene of a pretty wedding, yesterday, when their daughter, Miss Ethel Mary McNeely, was united in marriage to Frank L. Latimer, son of Mrs. D. R. Latimer, Eden Grove. The ceremony was performed by Rev. Mr. Kelly, of Lansdowne, in the presence of a large gathering of guests. The bride was the recipient of many handsome marks of esteem from her many friends. Mr. and Mrs. Latimer will locate at Eden Grove for a time. The bride was for several years a pupil in Gananoque high school.

Mrs. Myslop, dominion lecturer for the Women's Christian Temperance Union, conducted a mothers' meeting in the parlor of Grace church, yesterday afternoon, and in the evening addressed a large gathering in the lecture-room.

The tea meeting at Maple Grove Methodist church attracted its usually large attendance from Gananoque, last evening. The greater part of the programme was furnished by local talent. Rural Dean Elliott, of Cataraqui, conducted the tenet service at Christ Church last evening.

The Tiger hockey team of this town drove out to Seely's Bay, yesterday afternoon, to cross sticks with the hostlers of that thriving village, and also to be guests at a dance tendered by the Seely's Bay club.

The Thousand Islands Gun Club held another match, yesterday afternoon. Messrs. A. D. Brown and E. P. Wright captained the opposing teams. The former's team won quite handsily, by fifty shots. In the evening the losing team put up an oyster supper for the victors at the Provincial hotel.

Mrs. William Butler, Garden street, and daughter, Miss Doris, are spending a few days in Kingston, guests of the former's aunt, Mrs. John J. Yule, University avenue. The Misses Carrie Clow and Hannah McCalpin, King street, spending a few days with Springfield friends, have returned home. Messrs. Hamilton and William Scott, of Toronto, former residents, spent a few days this week with their parents, Mr. and Mrs. William Scott, Brock street.

Will United States Intervene?

Lima, Peru, Feb. 17.—Preparations for war are being made on the part of both Peru and Ecuador, the trouble growing out of the boundary dispute between the two countries. The only hope of foreign merchants is that the United States will intervene and prevent hostilities which would mean the absolute ruin of Peru and Ecuador.

A man's wife should always be the same, especially to her husband, but if she is weak and nervous, and uses Carter's Iron Pills, she cannot be, for they make her "feel like a different person," so they all say, and their husbands say so too.

The herring fishing industry of Lake Huron would be destroyed, if regulations prepared by the international fisheries commission are put in force, is the opinion of the United States senate committee on foreign relations. J. E. Deacon died at Charlton, Ont., a town he founded in New Ontario. He was formerly a license inspector in South Norfolk.

CARD OF THANKS

On behalf of the Local Council of Women, the President desires to thank all who in any way contributed to the entertainment of the delegates to the National Executive on their recent visit, and also to thank the various civic authorities for their handsome reception of Lady Edgar and delegates in the City Council building, which was greatly admired by the guests from other cities.
