THE HOME OF GOOD SHOES

WHEN WILL NAVIGATION BE BE OPENED.

This is the Question That is Now Be able audience at the Grand, "A Boil's These are March 16th, 17th and 18th to a Whig representative to-day. "The Instant Relief, Permanent Cure April 6th.

the one topic of conversation in through her home, and in the second but some of the "prophets" are in behind; she faces grave trouble, faces this year. The warm spell of the past few days, no doubt, has led many to believe that there will be a breakup of

The records go to show that last year, and the year 1908, navigation opened on the same date, April 6tF, and that in 1907, the vessels made a start a good deal earlier, on March 28th. During the last twelve years, the earliest date for the opening was on

March 13th. If the mild spell should continue, it would not take long for the ice to disappear, as the sun is now very strong, The way Cld Sol came out yesterday. made the route between Kingston and Wolfe Island very unpleasant for travelling. The route to Care Vincent is also in bad shape, but the stages have managed to get through all

With the Montreal Transportation company everything is very busy setting ready for the opening. The list of crews is being arranged for, and n a week or so now, that part of the work will be arranged for. All the vessels which required renairing have ben attended to, the grain berges have been overhauled, and everything will be in readness for the crain rush. The government boats will be the first to make their appearance, as they will have to set out all the buoys.

Some Marine Notes.

Capt. Patenaude, of Montreal has arrived in the city, to take charge of

the steamer B.ckerdike. Capt. Edward Smith, who has been spending a few days in the city has returned to his home in Seeley's Bay, it alone. THE SECRET OF YOUTH

John R. Rogers.

The Whig had a visit to-day from one of the youngest old men who have ever been seen in Kingston. His name is John R. Rogers and his age is sixty-nine years, but he doesn't look a day over fifty. Mr. Rogers was here, o-day, arranging for the appearance, next week, at the Grand, of the famus comedian, Eddie Foy.

Mr. Rogers attributes his splendid hysical condition to the fact that he ever drinks water nor eats white read. He said he didn't mean that ne was a liquor drinker, for he is not ddicted to that habit, though he takes a "horn" once in a while. He a circus when he was nine years of ige. During his career he has managd many stars, accumulating seven fortunes and losing as many. In five years he took J. K. Emmett all over

ment till the day of his death. Mr. Rogers has been seven times around the world and has crossed the ocean 100 times. This was his first visit to Kingston, and he was so Hamilton; W. R. R. Leslie, Mon'real; It was pointed out to the harbor- pleased with the city that he says he's
