New Spring Suits

Usual styles, usual values in

Women's Tailored

The prudent woman in buying a New Suit looks for two things-Good Styles and Good Values. Women are finding these two qualities in large measure in the new Spring Suits we are showing.

The new touches of Fashion are quite evident, but there are no freaks. We have nothing to show that is not good taste. Nothing that a Kingston woman would not care to wear, and the making and materials ARE RIGHT in every detail. Whether

\$11.50 or 25.00

Or any price between, you can expect the Suit to have correct modeling and to hold its smartness till you outwear it.

Come And See

Remember just 3 weeks until Easter. and if not quite ready to buy you may choose any suit and have it placed aside until required.

Kingston women need little coaxing to appreciate something decidedly out of the common. This is best shown in the large Sale already of our New Wash Goods.
